1			THE HEARING RESUMED, AS FOLLOWS, ON FRIDAY, 21ST JULY	
2			<u>2017:</u>	
3				
4			MR. DONAL MCGUINNESS: Chairman, the next witness is	
5			Chief Superintendent Sheridan. He is in the building.	12:00
6			If I could just be given a minute to get him.	
7			CHAIRMAN: Sure. Superintendent McGinn, did we finish	
8			him? We did.	
9			MS. LEADER: The next witness is Chief Superintendent	
10			James Sheridan. His statement to the investigators is	12:01
11			in Volume 10 of the materials at page 3113.	
12				
13			CHIEF SUPERINTENDENT JAMES SHERIDAN, HAVING BEEN SWORN,	-
14			WAS DIRECTLY EXAMINED BY MS. LEADER:	
15				12:02
16	1	Q.	MS. LEADER: Chief Superintendent Sheridan, I	
17			understand you retired from An Garda Síochána at the	
18			end of 2015, is that correct?	
19		Α.	That is correct, Chairman. On the 23rd October 2015.	
20	2	Q.	And at that time you were at the rank of chief	12:02
21			superintendent, is that correct?	
22		Α.	That is correct.	
23	3	Q.	And you had been chief superintendent in the	
24			Cavan-Monaghan division formally from 2012, but you had	
25			been there since 2011, is that correct?	12:02
26		Α.	I had been there, I think, from December 2011 and was	
27			formally appointed I think in February 2012.	
28	4	Q.	And if you could prior to that give a summary of your	
29			carper in An Garda Síochána?	

1	Α.	I joined An Garda Síochána in August of 1977. My first	
2		station was Omeath in County Louth, I went there in	
3		January 1978. I transferred to Dundalk in 1981, and I	
4		served in Dundalk from 1981 as a guard, detective	
5		guard, sergeant, detective sergeant, up to 199 up to 12:0	03
6		2000, when I was promoted to inspector. I spent a few	
7		months in Santry, and I returned to Dundalk as	
8		inspector. I was appointed detective inspector in	
9		Dundalk. I was promoted to superintendent in July of	
10		2005 and I was appointed detective superintendent for 12:0	03
11		the Northern Region, and I returned to Dundalk in	
12		December 2005 as the district officer for Dundalk	
13		district. I was promoted to chief superintendent in	
14		2010 and I was appointed to Sligo-Leitrim division, and	
15		then I transferred to Cavan-Monaghan division, as I	04
16		have outlined, Chairman. And during the periods, one	
17		of the while I was in Sligo-Leitrim for a ten-month	
18		or nearly twelve-month period, I had responsibility for	
19		Donegal division also, and during my period in	
20		Cavan-Monaghan division I also had, for a nine- or 12:0	04
21		ten-month period, had also responsibility for Donegal	
22		division.	

23 5 Q. So, generally speaking, Superintendent, prior to you 24 being appointed to the Cavan-Monaghan division, what 25 was your knowledge of Sergeant McCabe and the various 26 policing issues that he had raised?

12:04

A. Well, to be honest, I had very little knowledge of them. Sergeant McCabe came to Dundalk, I'm not sure, I think it was during the '80s at some stage. I would

1			have known him there briefly. I wasn't on the same	
2			unit as him, but I would have known him there, yeah.	
3	6	Q.	And did you have knowledge of the issues he was	
4			raising	
5		Α.	No, I didn't have, no.	12:05
6	7	Q.	with regard to policing?	
7		Α.	Not any detailed knowledge in any way of any of the	
8			issues, other than what would be out in the public	
9			domain.	
10	8	Q.	Okay. And in relation to Mr. D, did you know Mr. D	12:05
11			prior to your appointment in Cavan-Monaghan division?	
12		Α.	No, Chairman. I never even heard of him prior to my	
13			appointment to the Cavan-Monaghan division.	
14	9	Q.	Okay. So when you were appointed to the Cavan-Monaghan	
15			division, did you apprise yourself of the policing	12:05
16			issues that were being raised by Sergeant McCabe at	
17			that time?	
18		Α.	Well, Sergeant McCabe wasn't in the division when I	
19			arrived there, so really, I was trying to look forward,	
20			not back, Chairman.	12:06
21	10	Q.	Okay. Well, were you aware of Superintendent McGinn's	
22			investigation and Assistant Commissioner Byrne's?	
23		Α.	I had some I didn't have an intimate knowledge of	
24			it. I was aware that it had gone on, and whatever.	
25			But at that stage, I hadn't really any knowledge of	12:06
26			what all the issues were.	
27	11	Q.	Okay. So did you meet Sergeant McCabe at any time,	
28			maybe if we could say prior to 2014?	

29

A. I was involved in two investigations of complaints that

1			Sergeant McCabe had made.	
2	12	Q.	Okay. I think one of those related to a missing	
3			computer, is that correct?	
4		Α.	No. That wouldn't be correct.	
5	13	Q.	Okay.	12:06
6		Α.	They were separate issues in relation to complaints	
7			that Sergeant McCabe had made around 2010/2011. I was	
8			in the Sligo-Leitrim division at that time.	
9	14	Q.	And you were involved in their investigation?	
10		Α.	Yeah.	12:07
11	15	Q.	I think if we could bring you forward then to 2014,	
12			Mr. Guerin was asked by the Government to conduct a	
13			scoping exercise in relation to Sergeant McCabe's	
14			complaints, is that correct?	
15		Α.	That is correct, Chairman, yes.	12:07
16	16	Q.	Okay. And obviously they centred in your division, in	
17			relation to matters which concerned your division at	
18			that time?	
19		Α.	That is correct, Chairman, yes.	
20	17	Q.	Okay. And you were appointed, I think, liaison officer	12:07
21			for An Garda Síochána in relation to Mr. Guerin's	
22			investigation?	
23		Α.	That is correct, Chairman, yes.	
24	18	Q.	And as liaison officer, what were your	
25			responsibilities?	12:07
26		Α.	My responsibility was really to get the documentation	
27			that Mr. Guerin was requesting and to deliver it to	
28			him.	

29 19 Q. Okay. And I think to that end, Mr. Guerin was supplied

Т			with documentation on his report on the lith march	
2			2014, does that accord with your memory of matters?	
3		Α.	That would be correct, Chairman, yes.	
4	20	Q.	Okay. And I think you told our investigators it was	
5			from that exercise that you became familiar with a	12:08
6			complaint of criminal misconduct made against	
7			Sergeant McCabe, is that correct?	
8		Α.	That is correct, Judge, yes.	
9	21	Q.	And could you tell the Tribunal what you understood to	
10			be the case in relation to that allegation of criminal	12:08
11			misconduct?	
12		Α.	Well, I read the file. Prior to disclosing the file to	
13			Mr. Guerin, I read the file, and so I familiarised	
14			myself with it, Chairman.	
15	22	Q.	Okay. And when you say you read the file, we now know	12:08
16			there were two actual files in the Monaghan office:	
17			there was Superintendent Cunningham's file which he had	
18			in his locker and there was another file which was in	
19			your office, I think, Chief Superintendent, is that	
20			correct?	12:09
21		Α.	That's correct. I read the file. It was the file that	
22			had been submitted to the DPP, Chairman.	
23	23	Q.	And in that file was contained a covering report,	
24			copies of statements and the exhibits referred to in	
25			the statements and the appendices referred to by	12:09
26			Superintendent Cunningham in his report, is that	
27			correct?	

That would be correct, Chairman, yes.

24 Q. Now, did you at any time speak to

28

29

Α.

- 1 Superintendent Cunningham in relation to his
- 2 investigation?
- 3 A. No, no, Chairman.
- 4 25 Q. And was there any particular reason for that?
- 5 A. I didn't see any necessity to do so.
- 6 26 Q. Okay. He was in the same office as you and --
- 7 A. Well, he was in the same building, yeah.
- 8 27 Q. The same building?
- 9 A. He's on the next floor to me, yeah.
- 10 28 Q. Okay. And that file was handed to Mr. Guerin in order

12:09

12:10

- for him to conduct his scoping exercise, is that
- 12 correct?
- 13 A. That is correct, Chairman, yes.
- 14 29 Q. I think it wasn't one of the matters that he was
- specifically required to look into, is that correct?
- 16 A. That is correct. There was a number of -- and then
- there was an all-embracing one, really, that look for
- any files that had relevance or -- I can't remember the
- 19 exact words, but I know that it was any other matters,
- or whatever, in relation to Bailieboro between 2006 and 12:10
- 21 2008, I think.
- 22 30 Q. And did you make a decision to give the file to
- 23 Mr. Guerin under that subheading?
- A. Yeah. That's correct, Chairman, yes.
- 25 31 Q. And did you consult with any of your superiors in
- 26 relation to that decision --
- 27 A. No.
- 28 32 Q. -- in An Garda Síochána?
- 29 A. No, Chairman, no.

- 1 33 Q. Okay. You had no discussion with Assistant
- 2 Commissioner Kenny?
- 3 A. No.
- 4 34 Q. He was the appropriate assistant commissioner at that
- 5 stage? 12:11
- 6 A. No, I hadn't.
- 7 35 Q. Or the Commissioner at that time?
- 8 A. No, absolutely not.
- 9 36 Q. And the Commissioner at that time, I think, in March
- 10 2014, would have been the former Commissioner Callinan, 12:11
- is that correct?
- 12 A. I'm not sure of the dates, to be honest, Chairman, but
- I didn't have any discussion with the Commissioner,
- 14 whoever it was.
- 15 37 Q. Okay. And did you have any discussion generally with

12:11

- the Commissioner or the assistant commissioner with
- 17 regard to what documentation was being handed over to
- 18 Mr. Guerin?
- 19 A. No.
- 20 38 Q. Okay. Now, I think we have heard yesterday from
- 21 Superintendent McGinn that he received a HSE/Tusla
- referral in relation to Ms. D on the 7th May 2014.
- 23 A. That's correct, yes.
- 24 39 Q. And that referral was forwarded to you with a report on
- 25 the 8th May 2014?
- 26 A. That is correct, Chairman, yes.
- 27 40 Q. And I think you may have received it; do you know when?
- 28 A. I don't know exactly, but I know it's, I think, marked
- into the office on the 12th, but from recollection I

1			think that's	
2	41	Q.	Just to start with chief superintendent, I suppose this	
3			was extremely proximate to the exercise you had	
4			undertaken with regard to the Guerin Inquiry, isn't	
5			that correct?	12:12
6		Α.	That is correct, yes.	
7	42	Q.	And did it cause you any surprise that this referral	
8			was now coming in, in May, which was two months after	
9			you had made discovery in relation to the original	
10			complaint made against Sergeant McCabe?	12:12
11		Α.	Are you saying when I got it?	
12	43	Q.	Yes. Did it cause you	
13		Α.	Well, it was a surprise, absolutely, a surprise, yeah.	
14	44	Q.	And did you speak to anybody about it at that time?	
15		Α.	No, other than Superintendent McGinn.	12:13
16	45	Q.	Okay. All right. First of all, maybe, if I took you	
17			to Superintendent McGinn's letter to you, and it's at	
18			page 1756 of the materials. It should come up on the	
19			screen in front of you. And Superintendent McGinn	
20			explains that a referral was received from Tusla,	12:13
21			notifying Gardaí of a retrospective adult disclosure	
22			having been made by an alleged victim named Ms. D. And	
23			did you know on reading that who Ms. D was and what the	
24			complaint was?	
25		Α.	I did, yes.	12:13
26	46	Q.	Immediately?	
27		Α.	Yeah.	
28	47	Q.	And then it explains who Ms. D was, and in relation to	
29			the referral it says:	

1				
2			"It concerns a disclosure by Ms. D that when she was	
3			aged six to seven years old she was sexually assaulted	
4			by a man she named as Maurice McCabe."	
5				12:14
6			Then Superintendent McGinn goes on to explain who	
7			Sergeant McCabe is, and also he explained:	
8				
9			"In an unknown date in 2007, Ms. D, with the support of	
10			her parents, made a formal complaint of sexual assault	12:14
11			to Gardaí and named the perpetrator as Maurice McCabe."	
12				
13			And he gives a reference there.	
14		Α.	That's correct, yes.	
15	48	Q.	And you're obviously familiar with that complaint that	12:14
16			she had made to the Gardaí?	
17		Α.	I was, Chairman, yes.	
18	49	Q.	Because of your dealings with the file	
19		Α.	Yeah.	
20	50	Q.	with Mr. Guerin. And then he explains that:	12:14
21				
22			"The allegation was investigated from Monaghan Garda	
23			Station by the then-Inspector Noel Cunningham. A file	
24			was given to the DPP, who directed no prosecution."	
25				12:14
26			Superintendent McGinn then explains that there was no	
27			file held in Bailieboro and he then makes his	
28			recommendation:	
29				

1			"In light of the referral received on foot of Ms. D's	
2			disclosures to a professional, I feel it is appropriate	
3			to have the investigation reviewed. I suggest that the	
4			file and investigation in its entirety be reviewed at	
5			officer level within An Garda Síochána or that it be	12:15
6			referred to the Cold Case Unit in BCI. In any case, if	
7			a review of the case is to be conducted, I suggest it	
8			be conducted external of the personnel with the	
9			Cavan-Monaghan division."	
10				12:15
11			So that was Superintendent McGinn's suggestion and	
12			recommendation to you. Now, do you remember at that	
13			stage did you actually read the notification of	
14			suspected child abuse	
15		Α.	I did.	12:15
16	51	Q.	that is contained with it?	
17		Α.	I did, yes.	
18	52	Q.	And that's at page 1758 of the materials. You see it's	
19			in front of you, I think.	
20		Α.	Yes.	12:16
21	53	Q.	And it explained that:	
22				
23			"Laura Brophy, counsellor with Rian counselling	
24			service, reported the following information to the	
25			Child and Family Agency in August 2013."	12:16
26				
27			And it says:	
28				
29			"Ms. D attending counselling with Rian. During the	

Т			course of counselling, she alleged that she experienced	
2			sexual abuse in childhood and that this abuse involved	
3			digital penetration, both vaginal and anal."	
4				
5			Now, was this something new to you, Chief	12:16
6			Superintendent?	
7		Α.	Absolutely.	
8	54	Q.	And did this cause a reaction in relation	
9		Α.	Well, when I read the whole referral in its entirety,	
10			where it says on the following page that she had made a	12:16
11			statement to the Gardaí	
12	55	Q.	Yes.	
13		Α.	and that it had been investigated	
14	56	Q.	If that can be brought up in front of you at page 1759,	
15			if it is of assistance to you.	12:16
16		Α.	I knew then that there was something wasn't right	
17			about all of this.	
18	57	Q.	Yes. So you are telling the Tribunal you knew at that	
19			stage that there was something wrong?	
20		Α.	Absolutely.	12:17
21	58	Q.	Is that correct?	
22		Α.	Absolutely.	
23	59	Q.	And what did you do with regard to that you thought	
24			something was awry at that stage?	
25		Α.	Well, Superintendent McGinn communicated with me that	12:17
26			he had spoken or was speaking to Mr. D and he was	
27			finding out if Ms. D had made this allegation, and he	
28			subsequently informed me that she had not.	
29	60	Q.	Okay. So if I could just go back there. You said	

Т			Superintendent McGinn had communicated with you in	
2			relation to his conversation with Mr. D?	
3		Α.	That's correct, yes.	
4	61	Q.	Right. Okay. And what else, what did he say after	
5			that, Superintendent McGinn, to you?	12:17
6		Α.	Well, he advised me that Ms. D had not made that	
7			allegation, the allegation of penetration, digital	
8			penetration.	
9	62	Q.	Superintendent McGinn told you that?	
10		Α.	Yeah.	12:18
11	63	Q.	Okay. Now, have you any note of those conversations,	
12			Chief Superintendent?	
13		Α.	I haven't, Chairman, no.	
14	64	Q.	And do you have any note of when those conversations	
15			took place?	12:18
16		Α.	Well, it would have been prior to me writing to the	
17			assistant commissioner on the 14th May	
18	65	Q.	On the 14th?	
19		Α.	2014 .	
20	66	Q.	Okay. Was there one conversation or was there two	12:18
21			conversations, can you remember?	
22		Α.	Well, it may have taken I had a management meeting	
23			in Monaghan on the 13th May, and it may be at that that	
24			it took place, I haven't got a note of it, but it	
25			definitely took place and he definitely informed me of	12:18
26			that, and he also advised me that he was going to make	
27			contact with the HSE in relation to it.	
28	67	Q.	So he was, into the future, going to make contact with	
29			the HSE	

1		Α.	Yeah.	
2	68	Q.	in relation to the matter?	
3		Α.	Mm-hmm.	
4	69	Q.	And he knew at that stage that Ms. D had never made	
5			that allegation?	12:19
6		Α.	That is correct, yes.	
7	70	Q.	That is correct. And you think that conversation may	
8			have taken place on the 13th?	
9		Α.	That's my recollection. But it definitely took place	
10			before the 14th, when I wrote to the assistant	12:19
11			commission.	
12	71	Q.	To the assistant commissioner. Now, I think you were	
13			here yesterday when Superintendent McGinn gave	
14			evidence?	
15		Α.	I was here for some of it. I may not have been here	12:19
16			for all of it, but I was here for some of it, Chairman.	
17	72	Q.	While I don't think he was absolutely sure about the	
18			matter, he, in his evidence, had no recollection of	
19			speaking to you about the referral. He tended to say	
20			that everything he had to say was written in his letter	12:19
21			to you of the 8th May 2014?	
22		Α.	Well, it's my recollection that he definitely did speak	
23			to me about it and he did advise me that Ms. D had not	
24			made the allegation that was contained in this	
25			referral.	12.20

Okay. Just to be, I suppose, as fair to you as

possible, Chief Superintendent, he thinks he had two

conversations with Mr. D, the first most probably on

the 8th May where he informed Mr. D of the referral and

26

27

28

29

73

Q.

Τ			showed him the referral, and then had a subsequent	
2			conversation face-to-face with Mr. D, most probably on	
3			the 12th May when they were both at a meeting, when he	
4			was informed that the referral was not correct?	
5		Α.	Well, I don't know about that. All I know is that he	12:20
6			did inform me that he had spoken to Mr. D and that	
7			Mr. D had advised him that Ms. D had not made that	
8			allegation.	
9	74	Q.	Okay. And you're absolutely happy you had that	
10			conversation with Superintendent McGinn?	12:21
11		Α.	Yeah, I'm definitely happy I had that conversation,	
12			yeah.	
13	75	Q.	So at that stage when you had the conversation with	
14			Superintendent McGinn, what you had established was	
15			that you had a referral which was incorrect, that	12:21
16			referral related to something the Gardaí had already	
17			investigated in 2008, isn't that correct?	
18		Α.	2007.	
19	76	Q.	2007.	
20		Α.	Yeah.	12:21
21	77	Q.	2007, I beg your pardon. So, in one way, Chief	
22			Superintendent, there was nothing more for you to do in	
23			relation to the matter; it had already been	
24			investigated in 2007?	
25		Α.	Yeah.	12:22
26	78	Q.	If you understand?	
27		Α.	Absolutely. The allegation had been investigated in	
28			2007, but obviously I wanted to establish how this	
29			error occurred in the referral.	

79 Q. Okay. And I suppose I will say this to you at the 1 2 outset: a suggestion is being made that this referral 3 was used as an opportunity to put new life into the old allegation made against Sergeant McCabe and use it to 4 do him down in some way? 5

12:22

- 6 well, as far as I'm concerned, I utterly reject that Α. 7 and nothing could be further from the truth.
- 8 Okav. 80 Q.
- when I got that referral, I have to say it probably was 9 Α. disbelief, to be honest, when I read it. I tried to 10 12:22 11 bottom out what or how it happened, and that was my sole motivation. I certainly, it was never my 12 intention nor would I engage in what you alleged. 13
- 14 81 Q. I suppose it is true to say at that particular time 15 that Sergeant McCabe was making a number of complaints 12:23 in relation to policing in a district which you were 16 17 responsible for, isn't that correct?
- well, the complaints were, as far as I am concerned, 18 Α. 19 were prior to me going into the division. I didn't 20 have any issues with Sergeant McCabe in relation to any 12:23 21 complaints he was making, to be honest. He had made 22 these allegations long before I had came in there. had never been in the division prior to that. And for 23 anybody to suggest that I would use this in any other 24 25 way than trying to get to the bottom of how it 26 happened, is ludicrous.
- 27 82 Okay. And it wouldn't in any way have been used as a Q. 28 way of maybe stopping any future inquiry into policing 29 in your district? At that time Mr. Guerin was

Τ			reporting to the Taoiseach, and the Minister for	
2			Justice resigned on the 8th May, so that was very	
3			proximate?	
4		Α.	I don't understand the question, to be honest.	
5	83	Q.	Yes. I will rephrase it, Chief Superintendent. It was	12:24
6			likely at that stage that there would be an inquiry of	
7			some sort into policing in Bailieboro, isn't that	
8			correct?	
9		Α.	Yeah, that's correct, yeah.	
10	84	Q.	Yes.	12:24
11		Α.	Yeah.	
12	85	Q.	And you, at that stage, had received a piece of	
13			information from an outside authority saying that	
14			Sergeant McCabe had been accused of an extremely	
15			serious criminal offence, isn't that correct?	12:24
16		Α.	Well, it contained if you read it, it obviously	
17			contained a very serious criminal offence, yes, if you	
18			accept it. But as I said, I had information which said	
19			that Ms. D did not make this allegation.	
20	86	Q.	Yes.	12:24
21		Α.	It was still there, contained in a document that had	
22			been provided by another organisation.	
23	87	Q.	Yes.	
24		Α.	And I felt it was that I was obligated to inquire to	
25			see how this could occur. That was my sole motivation.	12:25
26	88	Q.	Okay. And the other matters which were going on in	
27			relation to Sergeant McCabe had no impact on your	
28			further actions you took in relation to the	
29			notification from Tusla?	

1		Α.	Absolutely not.	
2	89	Q.	Okay. All right. So you say on the 14th May, is that	
3			correct, you wrote to the assistant commissioner with	
4			regard to the referral from Tusla?	
5		Α.	That is correct, Chairman, yes.	12:25
6	90	Q.	And on your evidence here today, you knew that referral	
7			contained inaccurate information because Superintendent	
8			McGinn had told you that probably at a meeting the day	
9			before?	
10		Α.	That is correct, Judge, yes. That's my recollection of	12:25
11			it.	
12	91	Q.	Yes. And that letter is contained at page 1764 of the	
13			materials. It should be just brought up in front of	
14			you there, Chief Superintendent. Now, it's a letter	
1 5			headed "Private and Confidential" and it's addressed to	12:26
16			the assistant commissioner in the Northern Region. And	
17			it says:	
18				
19			"Re: Tusla referral Ms. D."	
20		Α.	That's correct, yes.	12:26
21	92	Q.	And then you say:	
22				
23			"I refer to the above and attach correspondence from	
24			the district officer Bailieboro dated 8th May 2014."	
25		Α.	That's correct, yes.	12:26
26	93	Q.	Now, the attached correspondence, what are you talking	
27			about there?	
28		Α.	That is the referral.	

29 94 Q. Just the referral?

Τ		Α.	Yean.	
2	95	Q.	And did you attach the letter from Superintendent	
3			McGinn?	
4		Α.	Yeah, I probably did, yeah. I can't be certain of	
5			that, but it is possible that I did.	12:26
6	96	Q.	You don't know, but you	
7		Α.	Yeah, I would imagine that I probably did, but I'm not	
8			certain of that.	
9	97	Q.	Okay. And then you say:	
10				12:26
11			"The allegations contained in the attached referral	
12			have been the subject of a previous Garda investigation	
13			which resulted in the Director of Public Prosecutions	
14			directing no prosecution against the alleged offender,	
15			Mr. McCabe."	12:27
16		Α.	That's correct.	
17	98	Q.	Now, you've already told us this morning that you knew	
18			the allegations in the attached referral had never been	
19			made by Ms. D, isn't that correct?	
20		Α.	That's correct, yeah.	12:27
21	99	Q.	Now, why, at that stage, didn't you tell the assistant	
22			commissioner that the allegations contained in the	
23			attached referral had actually never been made by	
24			Ms. D?	
25		Α.	Well, perhaps I should have, but I was trying to	12:27
26			establish how the actual error occurred, and	
27			Superintendent McGinn was to communicate with the HSE	
28			in that regard. And, in hindsight, perhaps I should	
29			have nut it in	

	100	Ų.	But surery it was extremely important to set out that	
2			the allegations which you were causing more inquiries	
3			to be made with the HSE, be set out clearly, that they	
4			were incorrect. Surely it was of paramount importance	
5			that you, informing your superiors, informed them as	12:28
6			well that those allegations were incorrect?	
7		Α.	Well, I accept perhaps I should have put it in, but I	
8			was still conducting or having inquiries conducted to	
9			try and establish how it got to be in that referral in	
10			the first place.	12:28
11	101	Q.	Okay. Now, you go on in the next paragraph and you	
12			say:	
13				
14			"It is my understanding that Ms. D has made a complaint	
15			based on the allegations set out in the attached	12:28
16			referral form to the following parties."	
17			You see that, Chief Superintendent?	
18		Α.	Yeah.	
19	102	Q.	Did you at that time think that Ms. D had made a	
20			complaint based on the digital allegations, if I can	12:28
21			put it that way	
22		Α.	No.	
23	103	Q.	to the following parties, the following parties	
24			being Micheál Martin and GSOC?	
25		Α.	No, not in relation to the digital penetration.	12:29
26	104	Q.	Why didn't you say that in the letter?	
27		Α.	I accept, in hindsight, I probably should have put it	
28			in, but, as I say, there was no there was no malice	
29			in what I did I was still trying to get to the hottom	

1			of how it happened to be in the referral in the first	
2			place, and I accept, in hindsight, that I possibly	
3			should have put it in there.	
4	105	Q.	Okay. You told the assistant commissioner that Ms. D	
5			made a complaint to Micheál Martin, TD, and that he had	12:29
6			subsequently referred the matter to An Taoiseach,	
7			Mr. Kenny, and also to the An Garda Síochána Ombudsman	
8			Commission. How did you know those two pieces of	
9			information, Chief Superintendent?	
10		Α.	It would be from the media reporting what had been	12:29
11			going on in relation to it, I imagine.	
12	106	Q.	Okay. And maybe perhaps in relation to the GSOC	
13			investigation, would you have been informed as a matter	
14			of course in relation to that, do you think?	
15		Α.	I have no recollection of getting any notification	12:30
16			about it. Certainly, I have definitely no recollection	
17			of getting any if I did, I certainly don't recall	
18			it.	
19	107	Q.	Okay. So you think it was a media source of knowledge	
20			that you inserted that piece of information into the	12:30
21			letter to the assistant commissioner?	
22		Α.	That's correct, Judge, yes.	
23	108	Q.	And then you say:	
24				
25			"In the circumstances, I recommend that we await	12:30
26			further communication from the parties listed above	
27			prior to commencing a review of this investigation. A	
28			full copy of the Garda investigation file is available	
29			at this office."	

- 1 A. That's correct, Judge.
- 2 109 Q. Do you see that? So the one thing you don't say there,
- 3 Chief Superintendent, is that you had directed
- 4 Superintendent McGinn to inquire from the HSE in
- 5 relation to how they had made a mistake, and you also

12:31

12:31

12:31

- 6 don't refer, and I suppose I am putting it again to
- 7 you, to the mistake in the notification. Why do you
- 8 think that is the case?
- 9 A. Well, I accept, as I say, in hindsight, that I should
- have mentioned what the error in it was. It's my
- 11 understanding and recollection that Superintendent
- 12 McGinn took it on his own volition to talk to the HSE
- to find out what happened or to make them aware of this
- 14 error.
- 15 110 Q. So it wasn't on direction from you that he was --
- 16 A. My recollection is that he took it on himself to make
- 17 contact with them.
- 18 111 Q. But my understanding, and I may be incorrect about
- this, Chief Superintendent, is that you were anxious to
- find out how such a mistake had been made and you had
- 21 directed Superintendent McGinn to make inquiries in
- relation to the matter?
- 23 A. Well, maybe I did, but it's my understanding that at
- the time he said he would ring the HSE, and that's my
- recollection of it. I don't have a note of it, but
- that is my recollection of it.
- 27 112 Q. Because on one reading of this letter, Chief
- 28 Superintendent, it would appear that you were sending
- 29 false allegations and incorrect allegations made by

1			mistake on to an assistant commissioner, a superior	
2			officer, in the knowledge that they were incorrect but	
3			not referring to the fact that they were incorrect. Do	
4			you understand what I am saying to you?	
5		Α.	I understand what you are saying, yes.	12:32
6	113	Q.	And that maybe this would support the theory, and it is	
7			a theory, Chief Superintendent, that this incorrect	
8			allegation was being deployed to more senior officers	
9			at a time when your district was more than likely be	
10			subject to an investigation by the commission of	12:33
11			inquiry. Do you understand what I am saying to you?	
12		Α.	I understand what you are saying.	
13	114	Q.	Yes.	
14		Α.	But nothing could be further from the truth. I was	
15			trying to find out how this error occurred. I accept,	12:33
16			in hindsight, that perhaps I should have outlined in	
17			the report what this information was, but there was	
18			certainly no malice in anything that I was doing in	
19			relation to this matter.	
20	115	Q.	Okay. Now, I think Mr. Walsh of the assistant	12:33
21			commissioner's office acknowledged that piece of	
22			correspondence to you, is that correct?	
23		Α.	No, not to me. He may to the assistant commissioner,	
24			possibly.	
25	116	Q.	Yes.	12:34
26		Α.	It wouldn't come directly to me.	
27	117	Q.	Very well. Then on the 20th May I think you received a	
28			piece of correspondence from Superintendent McGinn	
29			again in relation to the matter, is that correct?	

- That's at page 1776 of the materials. You will see 2 118 Q. 3 that Superintendent McGinn, on that date, sent to you
- an amended referral was forwarded for your information? 4

12:35

12:35

- That's correct, yes. 5 Α.
- 6 119 Now, in relation to that, that amended referral is a Q. 7 referral from Ms. Brophy, is that correct?
- 8 That's correct, yes. Α.
- 9 120 what, at that time, was your understanding in relation Q. to the two agencies, Rian and Tusla? 10
- 11 I wasn't familiar really with what the relationship was Α. 12 between Tusla and Rian.
- 13 And Rian. Did you understand that they were two 121 Q. 14 separate agencies albeit working under the HSE's umbrella? 15
- 16 Yeah, that would be my understanding of it. Α. wasn't totally familiar with how they operated. 17
- Okay. And on that date, do you think Superintendent 18 122 Q. 19 McGinn sent you a copy of Laura Brophy's letter?
- 20 Α. That is correct, yes.
- 21 So enclosed with that letter from Superintendent McGinn 123 Q. 22 was Ms. Brophy's letter which appears at 177, is that
- 23 correct?
- That's correct. 24 Α.
- 25 124 Q. That's a letter addressed to Superintendent McGinn, 12:36 26 dated 16th May 2014?
- 27 That's correct, yes. Α.
- 28 And you will see that Ms. Brophy explains the error, is 125 Q. 29 that correct?

- 1 A. That I made to the --
- 2 126 Q. Yes. She says:

3

- "Following our telephone conversation today, I am
 writing to confirm that the report I made to the social 12:36
- 6 work service in Cavan on the 9th August 2013 contained
- 7 an administrative error that I wish to address."
- 8 A. Yeah, that's correct.
- 9 127 Q. "On page 1 of the original report I sent on behalf of 10 Ms. D, under the title 'Description of Abuse' the
- 11 sentence which begins with 'Ms. Y informed me' and ends

12:37

- 12 with '...she said anything' is incorrect information
- and should be disregarded, and I have amended the
- 14 report to include the correct information as given to
- me by Ms. D and I have enclosed the correct report with 12:37
- 16 the letter."
- 17 A. That's correct, yes.
- 18 128 Q. Yes. So did that satisfy you, that piece of
- information, in relation to the error?
- 20 A. No, it didn't, because it didn't, it didn't explain how 12:37
- it -- it said an administrative error, but it didn't
- say how it happened or --
- 23 129 Q. Okay. In relation to that?
- 24 A. It did say there was an error, but it didn't say how
- 25 the error happened.
- 26 130 Q. Okay. And I think that amended report date, which is
- 27 dated 14th May 2014, was enclosed and was signed by
- 28 Ms. Brophy on that date?
- 29 A. That is correct, yes.

- 1 131 Q. And did you understand that to be a notification from
- 2 Tusla?
- 3 A. Well, as such, yes. It was a correction of what had
- 4 come initially, yes.
- 5 132 Q. Okay. So, in your mind, was that the correction of the 12:38
- 6 notification dated 2nd May, which you had received on
- 7 the 8th May?
- 8 A. Yes. that is correct.
- 9 133 Q. Okay. Now, I think that caused you to write to the
- assistant commissioner again on the 22nd May, is that

12:38

- 11 correct?
- 12 A. That's correct, Judge.
- 13 134 Q. And that letter should appear at page 1781 of the
- 14 materials. And again, you write to the assistant
- 15 commissioner in the Northern Region. Just to take you
- back to your first letter to the assistant
- 17 commissioner, which was the 14th May, what caused you
- to notify him in the first place in relation to the
- 19 matter?
- 20 A. Well, it would be normal reporting procedures within An 12:39
- 21 Garda Síochána.
- 22 135 Q. Okay. Well, I take it, Chief Superintendent, that the
- assistant commissioner wouldn't be notified of every
- retrospective disclosure of sexual abuse?
- 25 A. Yeah, and neither would I, to be honest.
- 26 136 O. I understand that.
- 27 A. Yeah.
- 28 137 Q. So why, in this particular case, was the assistant
- 29 commissioner notified?

well, obviously because it related to a member of An 1 Α. 2 Garda Síochána. 3 Simply because of that --138 Q. 4 Yeah. Α. -- is that correct? And did it have anything to do 5 139 Q. 12:39 6 with the fact that Sergeant McCabe at that stage was 7 receiving a lot of media attention; a Minister for Justice had resigned and a Commissioner of An Garda 8 Síochána had fairly recently resigned? 9 10 Absolutely not. This was a matter that was dropped in Α. 11 on top of us and we had to manage it. It was simple --12 that's the way I look at it, and, you know, I was trying to get to the bottom of it. 13 14 140 Q. So in the letter of the 22nd May you say: 15 12:40 16 "Reference above and further to previous correspondence 17 of this office dated 14th inst. the previous referral contained incorrect information and should therefore be 18 19 withdrawn and replaced with the attached." 20 Is that correct? 12:40 21 That is correct, yes. Α. 22 141 And what do you think was attached to that letter? Q. The referral that had come in --23 Α. 24 The Laura Brophy? 142 Q. 25 Α. The Laura Brophy referral, yes. 12:40 26 Yes. Okay. Do you think her letter was enclosed with 143 Q.

It's my understanding it would be, yes.

27

28

29

that?

Α.

0.

144

Yeah.

It would be?

- 1 A. Yeah.
- 2 145 Q. But you're not sure, are you?
- A. Well, I can't say for definite, but I believe that it

12:41

12:41

12:41

- 4 would be.
- 5 146 Q. Okay. And then you say:

6

- 7 "This is a referral made by Tusla relating to an
- 8 incident which was reported to and investigated by An
- 9 Garda Síochána in 2006/2007. The Director of Public
- 10 Prosecutions directed that there should not be a
- 11 prosecution in the case."
- 12 A. That's correct.
- 13 147 Q. "The attached referral does not disclose any new
- information/evidence in regard to these matters, and
- 15 therefore at this time does not require any further
- 16 action by An Garda Síochána."

17

- 18 You see that there?
- 19 A. That's correct, yes.
- 20 148 Q. So, in one way, Chief Superintendent, this letter, in
- your mind, contained no new information that you had
- from the 18th, if you understand what I am saying?
- 23 Because you knew on the 18th --
- 24 A. Yeah.
- 25 149 Q. -- on your evidence, that the referral was not correct? 12:41
- 26 A. That's correct, yes.
- 27 150 Q. Yes. So why did you wait until the 22nd to tell the
- 28 assistant commissioner that?
- 29 A. Well, her letter may not have -- the referral and the

		letter arrived into the station, to the office I	
		haven't got the dates, but it may well have been	
		it's dated, what date? Superintendent McGinn's report	
		is dated?	
151	Q.	Well, Superintendent McGinn seems to have sent the	12:42
		corrected Laura Brophy referral and the letter from	
		Laura Brophy to you on the 20th May?	
	Α.	Okay.	
152	Q.	Yes. But what I am saying to you is something slightly	
		different, Chief Superintendent. You had known that	12:42
		information was incorrect from the moment you saw it?	
	Α.	Yeah.	
153	Q.	Because you were familiar with the file?	
	Α.	Mm-hmm.	
154	Q.	So why did you wait until you got the documentation	12:42
		from Laura Brophy to tell the assistant commissioner	
		that it was not correct?	
	Α.	well, that's the first confirmation I have from the HSE	
		that it was that an error had been made.	
155	Q.	Yes.	12:43
	Α.	I had no confirmation from the HSE prior to that that	
		an error had been made.	
156	Q.	Okay. And that's the only reason you didn't tell the	
		assistant commissioner that the error the referral	
		was incorrect?	12:43
	Α.	Yeah, that's correct, yeah.	
157	Q.	Now, then you repeat that:	
	152 153 154 155	152 Q. A. 153 Q. A. 154 Q. 155 Q. A. 156 Q. A.	it's dated, what date? Superintendent McGinn's report is dated? 151 Q. Well, Superintendent McGinn seems to have sent the corrected Laura Brophy referral and the letter from Laura Brophy to you on the 20th May? A. Okay. 152 Q. Yes. But what I am saying to you is something slightly different, Chief Superintendent. You had known that information was incorrect from the moment you saw it? A. Yeah. 153 Q. Because you were familiar with the file? A. Mm-hmm. 154 Q. So why did you wait until you got the documentation from Laura Brophy to tell the assistant commissioner that it was not correct? A. Well, that's the first confirmation I have from the HSE that it was — that an error had been made. 155 Q. Yes. A. I had no confirmation from the HSE prior to that that an error had been made. 156 Q. Okay. And that's the only reason you didn't tell the assistant commissioner that the error — the referral was incorrect? A. Yeah, that's correct, yeah.

29

"It is my understanding that Ms. D had made a complaint

1			based on the allegations set out in the attached	
2			referral form to the following parties."	
3				
4			Then you repeat Mr. Micheál Martin, who subsequently	
5			referred the matter to An Taoiseach, Mr. Kenny, and the	12:43
6			Garda Síochána Commission. And you tell the assistant	
7			commissioner:	
8				
9			"A full copy of the Garda investigation file is	
10			available at this office."	12:43
11				
12			And you add that you "Also wish to advise that a	
13			complete copy of the Garda investigation file was	
14			disclosed to the Guerin Inquiry."	
15		Α.	That's correct, yes.	12:43
16	158	Q.	You had looked after that matter?	
17		Α.	That's correct, yeah.	
18	159	Q.	Why is it that you hadn't told the assistant	
19			commissioner about the disclosure to the Guerin Inquiry	
20			on the 14th May, do you know?	12:44
21		Α.	I don't know. There's no particular reason that I can	
22			offer for that. Obviously like, when I was doing	
23			the disclosure to Guerin, I was dealing with what he	
24			was looking from me, what he had looked for, then there	
25			was additional stuff he looked for, and I was getting	12:44
26			that. I wasn't having to check with anybody in	
27			relation to it. It was my job, if he wanted	
28			documentation, to disclose it to him, and that was only	
29			by way of aside that T was advising the assistant	

commissioner that I had provided him with a copy of it. 1 2 Okay. Obviously, some thought went into that letter 160 Q. 3 because handwritten draft of that letter appears at page 1762 of the materials. Is that your handwriting? 4 Yeah. Well, obviously I would have written it and 5 Α. 12:44 6 given it to typist to type it, that would be --7 Your norm? Is that your normal? 161 Q. Well, a lot of the time it would be if I was in the 8 Α. 9 office and I had time to do that type of --Okay. So that's --10 162 Q. 12:45 11 That's my writing, yeah. Α. 12 That's your handwriting? 163 Q. Yeah, absolutely, yeah. 13 Α. And that's the draft of that. You also sent a copy of 14 164 0. 15 that to Superintendent McGinn in Bailieboro. Was there 12:45 any particular reason for that, Chief Superintendent? 16 well, just to advise him of what I had said in relation 17 Α. to it and that there was no further Garda action was 18 19 necessary. 20 Okay. And that's another distinction from your 165 Q. 12:45 21 correspondence of the 14th May to the assistant 22 commissioner. You hadn't sent that to Superintendent 23 McGinn. Was there any --Well, no, because I was still waiting for -- in 24 Α. 25 relation to the HSE to see what they had to say in 12:45 26 relation to what had happened, or whatever.

made, isn't that correct?

Okay. Now, on that same day Ms. Fiona Ward from Rian

wrote to you in relation to the error Laura Brophy had

27

166

Q.

1		Α.	That's correct, Judge, yes.	
2	167	Q.	And that letter appears at page 1782 of the materials.	
3			And she outlines that:	
4				
5			"It has come to my attention that due to an	12:46
6			administrative error a report relating to allegations	
7			of retrospective abuse which pertain to the above-named	
8			containing incorrect information was sent to your	
9			station by the Child and Family Social Work Services."	
10				12:46
11			It had actually been sent to Bailieboro and sent on to	
12			you, isn't that correct?	
13		Α.	Yes.	
14	168	Q.	And she had been "advised by the regional data	
15			controller to request that all copies of the incorrect	12:46
16			report be returned to me as director of the service as	
17			soon as possible."	
18				
19			And she asked that you arrange to have all copies of	
20			the incorrect report returned to her and she gave you a	12:47
21			stamped addressed envelope for that. Isn't that	
22			correct?	
23		Α.	That's correct, yes.	
24	169	Q.	Now, what actions did you take on foot of receiving	
25			that letter, can you remember?	12:47
26		Α.	I caused an email to be sent to the assistant	
27			commissioner and the superintendent in Bailieboro	
28			looking for return of the original documentation.	
29	170	Q.	Okay. And they were the two parties that you knew to	

have a copy of the original referral? 1 2 That's correct, yes. Α. 3 171 Yes. So I think an email appears at page 1784 of the Q. materials, and I think that's from the Monaghan 4 divisional office. And it seems to be Karen Duffy, is 12:47 5 6 it, who sent that email, am I correct? 7 No, Patricia Maguire. Α. 8 Patricia Maguire. It's printed off of her computer, is 172 Ο. that --9 Well, Karen Duffy would have been the assistant 10 Α. 12:48 11 commissioner's secretary in Sligo. 12 In Sligo? 173 Q. 13 Yes. Α. 14 174 Q. So Patricia Maguire sent it to Karen Duffy and 15 Superintendent McGinn? 12:48 That's correct. 16 Α. 17 What she says: 175 Q. 18 19 "Reference above and attached correspondence received from the HSE dated the 22nd inst." 20 12:48 21 22 So can you tell me what the HSE correspondence dated 22nd inst. is there? 23 That was the previous letter from --24 Α. 25 176 Q. Fiona Ward, is that correct? 12:48 26 -- Fiona Ward requesting return of the documentation. Α. 27 Now, what she says then is: 177 Q. 28

"The report in question is dated 13th August 2013. And

1			if you could confirm that all copies of same have been	
2			retracted and destroyed. If an original copy is on	
3			hand, please forward same to this office so that it can	
4			be returned to the HSE."	
5				12:48
6			Now, at this stage there were three reports, I think,	
7			in being in relation to the matter. There was Laura	
8			Brophy's original report, isn't that correct, which had	
9			been sent to the HSE?	
10		Α.	That's correct, yeah.	12:49
11	178	Q.	Had you ever seen that report?	
12		Α.	No.	
13	179	Q.	No.	
14			CHAIRMAN: That's the one over the telephone, is that	
15			the one, yes?	12:49
16			MS. LEADER: That is the first report that Laura Brophy	
17			sent to the HSE, written.	
18			CHAIRMAN: I see. Not the telephone one?	
19			MS. LEADER: Yes, not the telephone one.	
20			CHAIRMAN: Okay.	12:49
21	180	Q.	MS. LEADER: And then there had been the Tusla 2nd May	
22			report, isn't that correct, which contained the	
23			digital, if I can put it that way, allegation which had	
24			been sent to Bailieboro?	
25		Α.	That's correct.	12:49
26	181	Q.	Then there had been a corrected report from Laura	
27			Brophy which was dated 14th May 2014, is that correct?	
28		Α.	That's correct, yes.	
29	182	Q.	So what report did you think Fiona Ward was talking	

- about when she wanted a report back?

 2 A. It was the one of the 2nd May.
- 3 183 Q. 2nd May?
- 4 A. Dated 2nd May.
- 5 184 Q. 2nd May?
- 6 A. Yeah.
- 7 185 Q. So could you explain to me the reference in that email

12:50

12:50

- 8 to the report in question being dated 13th August 2013?
- 9 A. Well, I didn't obviously type this.
- 10 186 Q. Yes, I understand that.
- 11 A. And I understand that there will be evidence that
- there's a typographical error in relation to that. I
- wasn't in the office that day, but obviously it would
- have been checked with me whether the email should go
- out or what was the story on that, but I wasn't in the $_{12:50}$
- office on that day.
- 17 187 Q. Okay. So your impression, was it that the report dated
- 2nd May had to be returned, is that correct?
- 19 A. Yeah.
- 20 188 Q. And Ms. Maguire has to answer to the 13th August --
- 21 A. Yeah.
- 22 189 Q. -- insertion. And you also ask in the email:
- 23
- 24 "I would be obliged if you be revert to this office in
- 25 early course, forwarded please."
- 26 A. That's correct, yes.
- 27 190 Q. And your intention was that the 2nd May report be
- 28 handed back, is that correct?
- 29 A. That's correct.

1	191	Q.	Now, you understand at this stage, Chief	
2			Superintendent, that Tusla or the HSE had written to	
3			Superintendent Cunningham in August, on the 15th August	
4			2013 [sic] inquiring of Superintendent Cunningham about	
5			his original investigation?	12:51
6		Α.	I had no knowledge of that.	
7	192	Q.	You had no knowledge of that?	
8		Α.	Absolutely not.	
9	193	Q.	Okay. You hadn't spoken to Superintendent Cunningham	
10			about the matter, am I correct in saying, you said that	12:51
11			earlier on?	
12		Α.	Absolutely not, absolutely not.	
13	194	Q.	Did you at any stage consult the original file in	
14			relation to the matter, Superintendent Cunningham's	
15			file?	12:52
16		Α.	No, absolutely not.	
17	195	Q.	Were you aware it was there?	
18		Α.	I wasn't, to be honest.	
19			CHAIRMAN: 15th August 2014, isn't it?	
20			MS. LEADER: Yes. Sorry, I	12:52
21			CHAIRMAN: Don't worry. 15th August 2014. I beg your	
22			pardon for interrupting, Ms. Leader, but just to go	
23			back to 1784, if you wouldn't mind. I am just	
24			mystified as to where the date of the 13th August 2013	
25			in that email comes from. I don't know whether the	12:52
26			chief superintendent can help us on that.	
27		Α.	Well, I can't be certain, Chairman. I think there's a	
28			reference to 9th August in some correspondence that	

29

came in, but I think Patricia Maguire will be available

1		to clarity.	
2		CHAIRMAN: There is also a reference to 9th August, but	
3		why going back to 2013, as you didn't know about it	
4		back then.	
5	Α.	Well, I didn't know about it. I don't know why. I	12:52
6		didn't type this	
7		CHAIRMAN: Yes.	
8	Α.	And I wasn't in the office on that day.	
9		MR. O'HIGGINS: Chairman, could I indicate	
10		CHAIRMAN: Yes.	12:53
11		MR. O'HIGGINS: I hope this is of assistance on	
12		page 3266 of the materials, there's a statement or I	
13		suppose you'd say a statement from Patricia Maguire	
14		provided on the 21st July, or at least dated 21st July,	
15		and she says that:	12:53
16			
17		"Reference to the above and email correspondence	
18		forwarded on the 29th May, I am to report that a date	
19		on the email 13th August 2013 is a typographical error	
20		and should have read 9th August 2013. The date the 9th	12:53
21		August 2013 was referenced in correspondence from HSE	
22		dated 22nd May '14 and which was attached to the	
23		email."	
24			
25		And that is her position on it. But I understand she	12:53
26		is going to be giving evidence.	
27		CHAIRMAN: Yes. But that didn't go to the Gardaí, that	
28		just went to the social work people.	
29		MR. McDOWELL: That's today's date.	

1			MR. O'HIGGINS: Yes. Sorry, this is sent to the	
2			Disclosures Tribunal Coordination Office, this	
3			communication.	
4			CHAIRMAN: Sorry, this is getting worse, not better,	
5			and I'm sure it's all my fault. What do you mean, what	12:54
6			is today's date?	
7			MR. McDOWELL: It's signed by Sergeant Maguire today.	
8			CHAIRMAN: Oh, yes. Well, we are working all the time.	
9			Sorry, Ms. Leader, you were at the point where you were	
10			asking about the email at 1784.	12:54
11			MS. LEADER: Yes.	
12			CHAIRMAN: And what the superintendent knew or did not	
13			know on that day, and I think the last thing the chief	
14			superintendent said was he did not know that the HSE	
15			had written on the 15th August 2014 to Superintendent	12:54
16			Leo McGinn asking for a meeting and giving three phone	
17			numbers.	
18		Α.	Superintendent Cunningham.	
19			CHAIRMAN: Yes, Superintendent Cunningham.	
20	196	Q.	MS. LEADER: Maybe if page 1699 of the materials could	12:54
21			be brought up in front of you, and that's the HSE's	
22			letter, Keara McGlone's letter to Superintendent	
23			Cunningham, dated 15th August 2013.	
24			CHAIRMAN: Yes, Superintendent Cunningham on the 15th	
25			August.	12:55
26			MS. LEADER: Yes.	
27	197	Q.	When did you first find out about that letter, Chief	
28			Superintendent?	

In the last few weeks.

29

Α.

- 1 198 Q. Okay.
- 2 A. I have never known about that letter, ever.
- 3 199 Q. Okay. I suppose if I can -- did you swear an affidavit
- 4 of discovery in relation to the Séan Guerin inquiry?
- 5 A. Yes, I would have, yes.
- 6 200 Q. Yes, yes. And being a very senior policeman and very

12:55

12:56

- 7 experienced in matters of court and that matter, you
- 8 would have been careful to make sure at that time that
- 9 all relevant matters were included in that affidavit,
- 10 is that correct?
- 11 A. That's correct, yes, I did my utmost to find all
- documentation relating to all matters that he was
- looking for.
- 14 201 Q. And that letter, at that stage, did not, even though
- directly related to the investigation file into
- 16 Sergeant McCabe which was included in the materials
- 17 discovered to Séan Guerin, did not come to your
- 18 attention, is that your evidence --
- 19 A. That's absolutely correct, yeah.
- 20 202 Q. -- in relation to the matter? And the reference to a
- 21 report dated 13th August 2013 in an email generated on
- 22 your instructions, is a total accident?
- 23 A. Well, absolutely. I didn't dictate the minute to
- 24 Patricia Maguire. But I can't give any explanation for
- 25 that. I have no knowledge of it. And I definitely had 12:56
- 26 no knowledge of this letter.
- 27 CHAIRMAN: Just another weird coincidence in this? I
- 28 mean, is that the explanation?
- 29 A. Well, it must be. I certainly had no knowledge of it,

- 1 Judge.
- 2 203 Q. MS. LEADER: Okay. And I understand Ms. Maguire is
- answerable to this, but when she seeks to explain the
- 4 reference to the 13th August 2013 by reference to an
- 5 inclusion in the letter dated 22nd May 2014, which was

12:57

12:57

12:58

- 6 addressed to you from Fiona Ward, you will see that
- there is, as far as I can see, no reference to August
- 8 2013 --
- 9 A. That's correct, Judge.
- 10 204 Q. -- in that letter?
- 11 A. That's correct.
- 12 205 Q. Yes. So wherever she got the reference to the 9th
- August, it wasn't in the letter from Fiona Ward to you
- 14 dated 22nd?
- 15 A. That's correct, yeah.
- 16 206 Q. But just to complete the matter, Laura Brophy's letter
- to Superintendent McGinn, which is dated 16th May 2014,
- does refer to a report dated 9th August 2013, and
- that's at page 1777 of the materials.
- 20 A. That's correct, yes.
- 21 207 Q. But that, again, isn't the 13th August, you understand?
- 22 A. Yes.
- 23 208 Q. It's obvious?
- 24 A. Yeah, absolutely.
- 25 209 Q. If I could just then turn to page 1789 of the
- 26 materials. You wrote back to Fiona Ward on the 9th
- 27 June 2014, is that correct?
- 28 A. That's correct, Judge.
- 29 210 Q. And this is your letter to Ms. Ward?

1		Α.	That's correct.	
2	211	Q.	And you refer to the correspondence in the above dated	
3			22nd inst. when she asked you for the report back,	
4			isn't that	
5		Α.	That's correct yes.	12:58
6	212	Q.	That's that letter?	
7		Α.	Yes.	
8	213	Q.	"In order to progress your request" that request	
9			being the request for the report to be returned to her,	
10			is that correct?	12:58
11		Α.	That's correct, yes.	
12	214	Q.	You asked for clarification on the following points:	
13			"Does the referral in question relate to a previous	
14			disclosure which was investigated by An Garda Síochána	
15			in 2006 that subsequently resulted in the submission of	12:59
16			a file to the Director of Public Prosecutions, or does	
17			it relate to a new further disclosure which requires	
18			investigation by An Garda Síochána?"	
19		Α.	That's correct.	
20	215	Q.	That is your first question. And then you ask, you	12:59
21			say:	
22				
23			"I would appreciate clarification on how the	
24			administrative error referred to occurred and came to	
25			light which resulted in your letter dated 22nd May	12:59
26			2014."	
27				
28			And then you say:	
29				

			I will be in a position to respond fully on receipt of	
2			this clarification. Yours sincerely."	
3		Α.	That's correct, yes.	
4	216	Q.	Now, I suppose I want to ask you in relation to that,	
5			Chief Superintendent, why were you asking did the	12:59
6			referral refer to a previous disclosure when you, from	
7			as far back as 18th May, were satisfied that it was an	
8			error?	
9		Α.	Well, I just wanted clarification, or confirmation,	
10			from the HSE in relation to the	13:00
11	217	Q.	Yes. And I suppose on one reading of her letter dated	
12			22nd, she had clarified that there had been an error	
13			and you also had Laura Brophy's letter at that stage?	
14		Α.	That's correct, yes.	
15	218	Q.	Setting out what the error was?	13:00
16		Α.	Yeah, yeah, okay.	
17	219	Q.	So why did you ask again in relation to the matter?	
18		Α.	Well, to be honest, I presume I was looking for further	
19			clarification and confirmation that that was the case.	
20	220	Q.	And the next day you received an email from Assistant	13:00
21			Commissioner Kenny, isn't that a letter in response	
22			to your email	
23		Α.	That is correct.	
24	221	Q.	from the assistant commissioner. And that's at page	
25			1793 of the materials. And the assistant commissioner	13:01
26			said to you that he was in receipt of your email and	
27			was concerned that a confidential matter such as this	
28			is dealt with by way of email. Did you find that in	
29			any way unusual or strange?	

Т		Α.	well, we dealt with many things by way of email. But	
2			different people have different opinions in relation to	
3			a lot of these things. We were trying to encourage	
4			people to use emails at the time and that type of thing	
5			as well.	13:01
6	222	Q.	I suppose, Chief Superintendent, it was an urgent	
different people have different a lot of these things. We wanted the second of these things. We wanted to use emails at the as well. Solvent the second of these things. We wanted the second of the second			matter	
8		Α.	Yeah.	
9	223	Q.	that the matter be attended to and probably was the	
10			fastest way of recording communication?	13:01
11		Α.	Yeah.	
12	224	Q.	And then the assistant commissioner says:	
13				
14			"Under no circumstances should any material in Garda	
15			custody be retracted or destroyed regarding this	13:01
16			matter. No materials will be returned to the HSE	
17			without permission from this office."	
18				
19			And then he said:	
20				13:01
21			"I intend to hold a meeting at my office in Sligo on	
22			Monday 16th June 2014 at 10:00am. I request that both	
23			you and Superintendent McGinn attend and are in	
24			possession of all materials/correspondence regarding	
25			this matter."	13:02
26		Α.	That's correct, Chairman, yes.	
27	225	Q.	So Superintendent McGinn told the Tribunal yesterday	
28			that he didn't know what the meeting was going to be	
29			when it eventually took place in July of 2014, did you	

_			speak to super intendent McGilli about the matter:	
2		Α.	No.	
3	226	Q.	No. Okay. And when the assistant commissioner was	
A. No. No. Okay. And when the assidirecting you to be in posses materials/correspondence regarded stage did you give any though Superintendent Cunningham to			directing you to be in possession of all	
A. No. No. Okay. And when the directing you to be in p materials/correspondence stage did you give any t Superintendent Cunningha			materials/correspondence regarding this matter, at that	13:02
6			stage did you give any thought to inviting	
7			Superintendent Cunningham to the meeting, who had	
8			conducted the investigation	
9		Α.	No.	
10	227	Q.	in relation to the allegation made by Ms. D?	13:02
11		Α.	No, Chairman.	
12	228	Q.	Why is that?	
13		Α.	Well, I haven't involved Superintendent Cunningham in	
14			any of the actions I had taken in relation to this	
15			erroneous referral of the 2nd, dated 2nd May.	13:03
16	229	Q.	And was there any reason for that?	
17		Α.	I didn't see any necessity to broaden out what I was	
18			inquiring into, and to involve other people.	
19	230	Q.	And then I think on the 18th June, Fiona Ward replied	
20			to your letter of the 9th June is that correct?	13:03
21		Α.	That's correct, yes.	
22	231	Q.	And it's at 1794 of the materials. Fiona Ward at that	
23			stage wrote to you, of Rian Counselling. She thanks	
24			you for your correspondence dated 9th June and states	
25			that you seek clarification on two matters.	13:03
26				
27			"1. Regarding the retrospective abuse report in	
28			relation to allegations by the above-named which was	
29			forwarded to the Gardaí by Tusla Child and Family	

1			Services."	
2				
3			And you appreciate did you at that stage realise	
4			that that report had never been forwarded to you, the	
5			August report of 2013?	13:04
6		Α.	Absolutely, yeah.	
7	232	Q.	Did you appreciate that at that time?	
8		Α.	I didn't actually, no.	
9	233	Q.	No.	
10				13:04
11			"You seek clarification as to whether the information	
12			as reported is new or relates to a previous disclosure	
13			investigated by Gardaí in 2006. The information	
14			reported is being done by Rian National Counselling	
15			Service for the first time in relation to this client.	13:04
16			However, it is my understanding that the client	
17			previously made a report to Gardaí as a teenager, as	
18			indicated in the report itself. I suggest you link	
19			with Tusla and Family Social Work Services to ascertain	
20			if they hold any other reports on record."	13:04
21		Α.	That's correct, Judge.	
22	234	Q.	Did that assist you in relation to the matter?	
23		Α.	Well, I didn't I didn't follow on from that in	
24			relation to it, but I was happy at that stage that it	
25			was the old 2006/'7 report that had been investigated.	13:05
26	235	Q.	Okay. And then she says:	
27				
28			"The information which was reported in error on the	
29			first report you received relates to a different client	

1			and a different alleged perpetrator."	
2		Α.	That's correct, yes.	
3	236	Q.	Yes. But you had never actually received her first	
4			report, isn't that correct?	
5		Α.	I had received the referral.	13:05
6	237	Q.	Yes. From Tusla?	
7		Α.	Tusla. Dated 2nd May, yeah.	
8	238	Q.	Yes. Then number 2:	
9				
10			"You seek clarification regarding how the	13:05
11			administrative error came to light. I can clarify that	
12			this matter was brought to our attention by the	
13			client."	
14				
15			And were you happy at that stage that she had explained	13:05
16			matters?	
17		Α.	Well, it didn't explain how the error happened, how the	
18			error in the referral of the 2nd May happened, how the	
19			lines in relation to the digital penetration happened	
20			to be in that referral. It didn't explain that to me.	13:06
21	239	Q.	Okay. And then she says:	
22				
23			"I trust this information helps to clarify the position	
24			regarding this matter. I look forward to hearing from	
25			you in relation to my previous correspondence and	13:06
26			reiterate my request for the return of the original	
27			report which contains inaccurate information which is	
28			not relevant to the allegations made by Ms. D."	
29		Α.	That's correct.	

On the 24th June 2014 Superintendent McGinn seems to 1 240 Q. 2 have forwarded to you a formal retrospective referral 3 which had been received from Tusla by the guards in Bailieboro. That's at page 1795. Do you remember 4 getting that letter, Chief Superintendent? 5 13:07 6 I do, yes. Α. 7 What he says is: 241 Ο. 8 "I forward the original copy of the most recent 9 referral to your office for consideration." 10 13:07 11 12 Now, what did you think was going on at this stage? You had already got a corrected referral from Rian, an 13 14 incorrect referral from Tusla and this was a third 15 referral. 13:07 Well, I didn't analyse it, to be honest, that much, 16 Α. other than it was another referral coming from the HSE. 17 Okay. And if I could just turn to page 1796 of the 18 242 Q. 19 materials, you will see that there is a referral there 20 dated 10th June 2014, the next page, at 1797. 13:07 21 doesn't seem to have been signed by anybody in the HSE? 22 I didn't notice that. Α. You didn't notice that? 23 243 Q. I didn't notice. 24 Α. 25 244 Q. And it seems to be an attempt to correct the referral, 26 did you notice --27 Yeah. Α. -- that? 28 245 Q.

Yeah.

Α.

1	246	Q.	It explained that:	
2				
3			"Our department forwarded formal Garda notification to	
4			the Bailieboro Garda Station in relation to allegations	
5			received by Laura Brophy, counsellor with Rian	13:08
6			Counselling Service, in August 2013."	
7				
8			And then it says that:	
9				
10			"Ms. D is attending counselling with Rian. She stated	13:08
11			that during the course of counselling, Ms. D alleged	
12			that she experienced sexual abuse in childhood. This	
13			abuse is alleged to have occurred on one occasion in	
14			'98/'99. Ms. D reported being aged six or seven years	
15			old at the time of this alleged abuse. Ms. D alleges	13:08
16			that the alleged perpetrator of this abuse threatened	
17			her father if he said anything."	
18				
19			Did you notice that this allegation	
20		Α.	I didn't, actually.	13:09
21	247	Q.	No, you didn't notice that?	
22		Α.	No.	
23	248	Q.	Did you read this, do you think, at this time?	
24		Α.	Well, I think I did, but I certainly didn't note that	
25			line in it.	13:09
26	249	Q.	Okay. Then it refers to the game of hide and seek and	
27			that it was a single allegation and that the matter had	
28			been investigated already.	
29		Α.	That's correct.	

Now, it appears that, on the same day, another notification of suspected child abuse was forwarded to you by Superintendent McGinn, and that's at page 1798 of the materials. It should come up in front of you. Sorry, 1798. You see that, Chief Superintendent?

- 6 A. Yes.
- 7 And if we go to page 1799, enclosed with that would 251 0. 8 appear to be a tidied-up version of the notification that I just brought to your attention. It's again 9 dated 10th June 2014, but it contains the words on top 10 13:10 11 of paragraph number 2: "Amended notification 12 previously notified on the 2nd May 2014". Do you see that, Chief Superintendent? 13
- 14 A. I see that, yeah. I see that.
- 15 252 Q. And that notification on page 1800 would appear to be signed off on by Seamus Deeney on the 20th June 2014?
- 17 A. That's correct, yes.
- 18 253 Q. So at this stage the guards had received three separate
 19 notifications of suspected child abuse in relation to
 20 Ms. D and they had also received the retrospective 13:10
 21 disclosure of abuse from Ms. Brophy, is that correct?
- 22 A. That's correct.
- 23 254 Q. And did you find this in any way unusual or strange or wonder what was going on in relation to the matter?
- A. Well, I wouldn't normally deal with referrals of that, 13:11
 they wouldn't come to me, so -- but it certainly would
 be unusual to receive so many.
- 28 255 Q. Yes. And what about one containing an incorrect referral, can you remember that happening?

2 256 Q. Okay. And you have been in the guards how many years 3 at that stage? Well, 38 years. 4 Α. Now, I think all of that correspondence caused you to 5 257 Q. 13:11 6 report to your superiors in relation to the series of 7 referrals that had been received from Tusla, is that 8 correct? Well, I think I received one more, on the 1st July, 9 Α. before I wrote my final report of the 3rd July. 10 13:12 11 Yes. You received a letter from Fiona Ward --258 Q. 12 From Fiona Ward. Α. -- in relation to that? 13 259 0. 14 Α. Yeah. And that's at page 1804 of the materials. It will come 13:12 15 260 Q. 16 up on the screen in front of you. I think you still. 17 as you outlined in your evidence, had some questions as to how the mistake had happened, and you caused 18 19 Inspector Pat O'Connell to make inquiries, is that 20 correct? 13:12 21 That's correct, yes. Α. 22 And Inspector O'Connell will give his own evidence in 261 Q. 23 relation to that, but in reply to those inquiries 24 Ms. Ward wrote to you, and it's "Strictly Private and Confidential", is that correct? 25 13:12 26 That's correct, yes. Α.

I never remember it happening before.

262

Q.

Α.

29 "Dear Chief Superintendent Sheridan,

And she says:

2	Further to my recent telephone contact with Detective
3	Sergeant Pat O'Connell of your office seeking further
4	clarification regarding the administrative error
5	relating to a report of retrospective abuse made by the 13:1
6	above, I wish to clarify that the administrative error
7	occurred as a result of a typographical mistake made by
8	the counsellor-therapist who compiled the report. This
9	error occurred when information from a report template
10	was cut and pasted into another template. I wish to 13:1
11	confirm that the inaccurate information which was
12	contained in the report originally sent does not relate
13	to the above named in any way. Further, please note
14	that the error occurred in one section of the report
15	only as previously notified. All other information 13:1
16	contained in the report is accurate. I trust this
17	information helps to clarify the position regarding
18	this matter. I look forward to hearing from you in
19	relation to my previous correspondence request for the
20	return of the original report which contains inaccurate 13:1
21	information which is not relevant to the allegations
22	made by Ms. D.
23	Your sincerely,
24	Fiona Ward."

25

26

So did you at that stage understand how the error had

13:14

been made?

28 A. That it was cut and paste, yes.

29 263 Q. Yes. That was your understanding of it?

- 1 A. Yeah.
- 2 264 Q. Okay.
- 3 **CHAIRMAN:** If I could just intervene. Did you find that credible at that stage?
- A. Well, I can see, if somebody has a template in front of 13:14 them that has contained other details and they use it to create a new one, I can see how that might happen,
- 8 but I have never seen it happen before, in my
- 9 experience, but that was the explanation that I got.

Commissioner Kenny, is that correct?

- 10 265 Q. **MS. LEADER:** So all of that caused you to make a report 13:14 to the assistant commissioner, and that was Assistant
- 13 A. That's correct, Chairman, yes.
- 14 266 Q. And did you at that stage understand that you were
 15 dealing with three separate notifications and a notification from Rian?
- 17 A. Well, what I was really dealing with was the referral of the 2nd May --
- 19 267 Q. Yes.

12

20 A. -- which contained the erroneous information. And my 13:15
21 sole purpose after that, I was completely satisfied
22 that the original complaint made by Ms. D against

- Sergeant McCabe had been fully investigated and there were no issues there for An Garda Síochána in relation
- to that. What I was trying to find out was, how the
- 26 mistake was made by the HSE in relation to that 27 referral, and that was my sole purpose in relation to
- 28 my inquiries with the HSE.
- 29 268 Q. Okay. And have you ever, at any time since then,

			chought it might have been more appropriate to start	
2			your communications with the assistant commissioner,	
3			having all of that information for him, so it would be	
4			clear to him what had happened at that stage, instead	
5			of micro managing, if I can say it that way, your	13:16
6			further investigations with the HSE?	
7		Α.	Well, you know, I accept the point, that I should have	
8			waited and send one report at the end of all my	
9			inquiries, I accept people might look at it but the	
10			reporting structures within An Garda Síochána in	13:16
11			relation to matters are that you report to your line	
12			manager on a timely fashion, and, if I hadn't, maybe	
13			then I would be accused of other types of things.	
14	269	Q.	Yes. I suppose one way of looking at it, Chief	
15			Superintendent Sheridan, was: matters relating to	13:17
16			Sergeant McCabe at that time were sensitive?	
17		Α.	Absolutely, not only that, but it was a very sensitive	
18			matter	
19	270	Q.	Yes.	
20		Α.	as well.	13:17
21	271	Q.	So it may be, and I am just suggesting this to you,	
22			Chief Superintendent, that you thought it better to	
23			immediately report?	
24		Α.	Well, he was a member of An Garda Síochána, and I	
25			think, you know, that was the primary factor in my	13:17
26			sending the reports when I did, but my sole motivation	
27			in relation to the matter was trying to find out how	
28			the error occurred.	
29	272	Q.	Okay. So if we can turn to your report, and it's at	

1			page 1805 of the materials. It should come up in front	
2			of you. Now, you refer back to the assistant	
3			commissioner's letter dated 10th June, and that letter	
4			was when he told you not to send anything back to the	
5			HSE and also arranged a meeting for the 16th June, but	13:18
6			that meeting didn't take place until later on?	
7		Α.	That's correct, yes.	
8	273	Q.	And you say then, you set out in your report:	
9				
10			"On Monday, 4th December 2006, an alleged indecent	13:18
11			assault upon a child, Ms. D, was reported to Gardaí.	
12			It was alleged that she was aged about six years at the	
13			time of the assault. Superintendent Fergus Healy	
14			directed D/Sergeant Jim Fraher, Cavan, accompanied by	
15			Sergeant Denise Flynn, to interview the alleged injured	13:18
16			party. The injured party was interviewed and a written	
17			statement taken from her on the 5th December 2006."	
18			That's correct.	
19	274	Q.	So you set out what Ms. D said in the statement of the	
20			5th December 2006?	13:18
21		Α.	That's correct, yes.	
22	275	Q.	And then you go to page 1806:	
23				
24			"On the 8th December 2006, Chief Superintendent Colm	
25			Rooney appointed Inspector Noel Cunningham to conduct a	13:19
26			criminal investigation into the allegations and also to	
27			advise him if any disciplinary issues arose."	
28		Α.	That's correct, yes.	
29	276	Q.	Then you continue on:	

Т				
2			"On the 19th February, Inspector Cunningham forwarded	
3			the investigation file to the State Solicitor Cavan for	
4			onward transmission to the DPP for direction. He also	
5			advised chief superintendent Monaghan that nothing of a	13:19
6			disciplinary nature arose against Sergeant McCabe."	
7		Α.	That's correct.	
8	277	Q.	Then you say:	
9				
10			"On the 5th April 2007, written directions issued from	13:19
11			the office of the DPP."	
12				
13			And you set out the directions there, and you attached	
14			a copy of those DPP directions to that report, is that	
15			correct?	13:19
16		Α.	That is correct, yes.	
17	278	Q.	You then say:	
18				
19			"All parties were subsequently advised of the	
20			directions of the law officers. The incident was not	13:20
21			recorded on PULSE at that time at the time it was	
22			reported and it has not yet been recorded on PULSE to	
23			date."	
24				
25			Is that correct?	13:20
26		Α.	That's correct.	
27	279	Q.	Now, that subsequently became an issue for GSOC to	
28			investigate, is that correct?	
29		Α.	Yeah. T understand so. T am not familiar	

2		Α.	Yeah.	
3	281	Q.	And in relation to the later notifications, do you know	
4			if they were recorded on PULSE, the 2014 notifications?	
5		Α.	Not to my knowledge, they weren't. No.	13:20
6	282	Q.	They weren't. And I think there is a Garda circular	
7			which suggests that such notifications should, in the	
8			normal course, be recorded on PULSE?	
9		Α.	That would be correct, yes.	
10	283	Q.	Yes. Do you know why these weren't, or was it because,	13:20
11			that there was a question-mark over this particular	
12			referral?	
13		Α.	Well, the incident in 2006/'7 wasn't put on PULSE, so I	
14			don't think it would be appropriate to put the incident	
15			in 2014 on PULSE.	13:21
16	284	Q.	"It also appears that no referral was made to the HSE	
17			at the time of its report to the Gardaí."	
18				
19			And then you say:	
20				13:21
21			"The HSE would, therefore, have no knowledge of the	
22			allegations made by Ms. D."	
23				
24			That is what you record there.	
25		Α.	That was my understanding of it at the time, yes.	13:21
26	285	Q.	Okay. Now, if I can just pause there, Chief	
27			Superintendent. We now know that that is incorrect?	
28		Α.	That's correct. There was a referral made, but I	

1 280 Q. Ms. D made that complaint.

wasn't aware of that.

Т	286	Q.	okay. GSOC were able to ascertain in August 2014,	
2			without too much difficulty, it would appear that, the	
3			matter had been referred to the HSE by Sergeant Fraher	
4			when he initially set out to investigate the complaint.	
5			They took a statement from Sergeant Fraher.	13:21
6		Α.	Well, all I know is that when I was doing the	
7			disclosure for Mr. Guerin, I sought I looked for	
8			that document and it could not be located. So I don't	
9			know where it was located subsequently.	
10	287	Q.	Okay. Well, if I could maybe turn to page 74 of the	13:22
11			materials, and it's an extract from the investigation	
12			file that GSOC conducted in relation to Ms. D's	
13			complaint, and Sergeant Fraher was interviewed as part	
14			of that investigation, as would be normal, you would	
15			expect?	13:22
16		Α.	Yeah.	
17	288	Q.	And if we could maybe turn to his statement at page 70,	
18			the statement Sergeant Fraher made to GSOC. He refers	
19			to taking the statement from Ms. D, and then he says:	
20				13:22
21			"As is protocols in such incidents, I completed a HSE	
22			referral form and forwarded a copy to the district	
23			office in Cavan. I then prepared a report for the	
24			attention of the superintendent in Cavan under	
25			confidential cover on the dealings with Ms. D. I rang	13:23
26			on the 6th December 2006 and spoke to superintendent	
27			Healy and informed him of the progress of the	
28			investigation."	
29				

- So that is what Sergeant Fraher done on speaking to

 MS. D.
- 3 **CHAIRMAN:** I'm sorry, Ms. Leader, but there was just a question coming to my mind about all of this in
- relation to the HSE not being informed back then. I

13:24

- don't know, was this an attempt to rationalise why the
- 7 HSE were behaving in such a dim way, if I can put it 8 that way?
- o that way!
- 9 **MS. LEADER:** It may very well be.
- 10 CHAIRMAN: Yes. I don't know whether the witness might 13:23
 11 have a view on that.
- 12 A. Yeah, I was obviously giving the HSE some credit in
 13 this regard, in that I was under the impression that
 14 they hadn't been informed or hadn't got a referral in
 15 2007, when it now subsequently transpires that they
 16 had. And obviously if I had known that, one would
 17 further question their need to make any referral in
- 18 2014.
- 19 289 Q. MS. LEADER: Okay. And just page 75 of the materials,
- Sergeant Fraher, writing to the superintendent in

 Cavan, encloses Ms. D's statement, some sketches and a
- referral form, and the referral appears at page 76 of
- the materials. So you will see there that the child's
- name, Ms. D, her address, her father's name and
- 25 mother's name is set out, and that she reports that she 13:24
- 26 was the victim of an inappropriate act by a male family
- friend when on a visit to the house. And that is
- dated, it would appear to be the 6th December 2006.
- 29 A. That's correct, Judge.

- 1 290 Q. And I don't know if you would be able to help me here, 2 but would those referrals be kept apart from
- z but would those referrals be kept apart from
- 3 investigation files or form part of them?
- 4 A. Well, in some stations they would be, they would be
- filed in a file of referrals, but there may well be a
- 6 copy with a file, an investigation file as well. But I
- 7 certainly was unavailable to, for the purpose of
- 8 disclosure to Mr. Guerin, I was unable to find any
- 9 referral form.
- 10 291 Q. Okay. So at that stage you had directed your mind to a 13:25
- referral form being possible, being there or being done
- in 2006/2007, looked for it and was unable to find it?
- 13 A. And unable to find it, yeah. Unable to locate it.
- 14 292 Q. And your state of mind was, it hadn't been done?
- 15 A. Well, that was my understanding. Obviously, if the
- incident had been on PULSE, then there would have been

13:26

- a provision to put the referral on PULSE as well, but
- obviously it hadn't been entered on PULSE so I wasn't
- able to check on that, that line of inquiry.
- 20 293 Q. And in relation to what you say there, "The HSE/Tusla
- 21 would therefore have no knowledge of the allegations
- 22 made by Ms. D."
- Is that quite the case, Chief Superintendent?
- A. Well, it's not the case now, obviously, because they
- 25 had the referral in 2007.
- 26 294 Q. But Superintendent Cunningham's report made reference
- to the fact of Ms. D attending with the HSE back at
- that time. You may recall that, do you?
- 29 A. I don't recall that, no.

1	295	Q.	Okay. Or if you had spoken to Superintendent	
2			Cunningham, he may have been able to assist you with	
3			regard to what had been done back in 2006/2007?	
4		Α.	Well, he may have, but I was dealing with the referral	
5			that I got in 2014, that obviously was not a correct	13:27
6			referral.	
7	296	Q.	Yes.	
8		Α.	And as I have said, my sole motive was to try and	
9			establish how that happened. And I was trying to keep	
10			with the involvement of as few people as possible in	13:27
11			dealing with it. And that's	
12	297	Q.	Okay. If we just maybe continue on, you say:	
13				
14			"In August 2013 Ms. D attended for counselling with the	
15			HSE national counselling service and disclosed the	13:27
16			alleged sexual assault on her by Sergeant McCabe. On	
17			the 2nd May 2014, Tusla, using standard notification	
18			form for use by Child and Family Agency in notifying	
19			cases to An Garda Síochána, notified superintendent	
20			Bailieboro of a case of suspected child abuse. The	13:27
21			child's name was Ms. D."	
22				
23			And you've set out her details. And that the	
24			disclosure was made to Laura Brophy. Then you say:	
25				13:28
26			"The referral made by Tusla relating to the disclosures	
27			made by Ms. D to the superintendent Bailieboro	
28			contained allegations which were not consistent with	
29			the allegations investigated by An Garda Síochána in	

1			2006/2007."	
2				
3			And you enclose that referral, is that correct?	
4		Α.	That's correct, yes.	
5	298	Q.	So that was the referral of the 2nd May 2014?	13:28
6		Α.	That's right.	
7	299	Q.	And then you say:	
8				
9			"On the 16th May 2014 Laura Brophy wrote to	
10			superintendent Bailieboro and stated as follows"	13:28
11				
12			And then you set out what Laura Brophy told you in her	
13			letter in relation to the error, isn't that correct?	
14		Α.	That's correct, yes.	
15	300	Q.	And you attached a copy of that letter to the report	13:28
16		Α.	That's correct, yeah.	
17	301	Q.	to the assistant commissioner. Then you say:	
18				
19			"The referral received from Tusla on the 16th May	
20			contains the allegations which were investigated by the	13:28
21			Gardaí in 2006/2007. The report contains the following	
22			information which was provided by Ms. D"	
23				
24			And that was in relation to there being a Garda	
25			investigation and that there was no prosecution	13:29
26			directed by the DPP?	
27		Α.	That's correct, yes.	
28	302	Q.	Then you refer to Ms. Fiona Ward's letter of the 22nd	
29			May 2014, wrote to you confirming that an	

1 administrative error had occurred in this report and 2 confirming that a corrected report had issued. 3 then you enclose that letter as well with it: 4 "To remove any ambiguity with regard to these matters, 5 6 on the 9th June 2014 I wrote to Ms. Fiona Ward seeking clarification on how this administrative error occurred 7 8 which led to the issuing of the referral dated 2nd May 2014." 9 10 13:29 11 And you say: 12 "In correspondence dated 18th June 2014 and 1st July 13 14 2014, Ms. Ward outlines that the information which was 15 reported in error in that first report you received 13:30 16 relates to a different client and a different alleged 17 perpetrator. From verbal communications with them the error occurring using cut and paste method on the 18 19 computer and obviously a failure to fully check the 20 correspondence prior to issue." 13:30 21 22 And then you conclude: 23 24 "Arising from the written and verbal communications with Ms. Ward and Tusla, it is clear that the referral 25 13:30 26 of the 16th May 2014 refers to the allegations of Ms. D 27 investigated by the Gardaí in 2006/2007. The referral 28 does not contain any new allegations. The referral of

29

the 2nd May 2014 was issued in error and is not

1			relevant to the allegations of Ms. D."	
2				
3			And then you say that Ms. D had a meeting with Micheál	
4			Martin and that it was referred to An Taoiseach, Enda	
5			Kenny. You also refer to the GSOC commission referral	13:30
6			made by Ms. D, and you have said:	
7				
8			"In relation to GSOC, they have indicated that they	
9			will not be investigating the allegation made by Ms. D	
10			against Sergeant Maurice McCabe but they will be	13:31
11			investigating the original Garda investigation of her	
12			complaint. Ms. D has not requested An Garda Síochána	
13			to reinvestigate her complaint or to review it. Tusla	
14			have requested the return of the referral which	
15			contained the incorrect information."	13:31
16		Α.	That's correct, yes.	
17	303	Q.	So did that, to your mind, resolve all outstanding	
18			matters, Chief Superintendent?	
19		Α.	Well, as far as I was concerned, that would conclude my	
20			involvement in it, yes.	13:31
21	304	Q.	Just with regard to that, you didn't, in actual fact,	
22			ever send on the corrected referral to the assistant	
23			commissioner, it appears to me, from the materials	
24			available to the Tribunal. So the assistant	
25			commissioner would have had the various correcting	13:32
26			letters from Ms. Brophy and Ms. Ward, and the incorrect	
27			Tusla notification, but they never would have, so to	
28			speak, received a corrected Tusla notification; it	
29			doesn't appear to have been forwarded to you?	

- A. Well, if that is the case, that obviously was an oversight on my part. I think it was clear in all the reports I wrote to the assistant commissioner that, as far as I was concerned, there was an error made. There
- was no new allegations against Sergeant McCabe.
- 7 A. And I think I made that clear in my reports to him.
- 8 306 Q. Well, there's no doubt that is the case, Chief
 9 Superintendent, but I suppose from tidying off the
 10 matter and putting it to bed for good, that the amended 13:32
 11 notification from Tusla should have been forwarded to
 12 the assistant commissioner's office --

13:33

13:33

13 A. I accept that.

6

305

Q.

14 307 Q. -- one would expect?

Yes.

- A. But there was certainly no reason and no ulterior
 motives on my part. It was obviously an error on my
 part not to have done it, but I put it down to human
 error in that regard. I tried to attach all of the
 documentation that I could in relation to it. If I
 missed that one, I missed it.
- 21 There were actually two amended notifications, Chief 308 Q. 22 Now, there is included with those Superintendent. 23 notifications, a page, if I can direct you to page 1825 24 of the materials, you will see that is the 2nd May notification, the incorrect one from Tusla. And if you 13:33 25 26 could just identify your handwriting for me on the 27 front of that, if you can see it?
- 28 A. Yes, that is my handwriting, yes.
- 29 309 Q. If you could read it for me, what you said?

2			It's "Withdrawn see referral of the 16th May".	
3			CHAIRMAN: You can get out the volume there. If you	
4			look at Volume 7, part 1. So that is at 1825. Have	
5			you got it? Mr. Kavanagh will help you. It may be on	13:34
6			top. So it's at 1825.	
7		Α.	Yes, that is my writing. It says:	
8				
9			"Withdrawn see referral 16/5/14."	
10	310	Q.	I	13:35
11			MS. LEADER: I suppose that was your way, Chief	
12			Superintendent, of making sure that the matter was made	
13			clear that it wasn't a correct matter?	
14		Α.	That's correct, yes.	
15	311	Q.	Okay.	13:35
16			CHAIRMAN: I wonder, do you have any idea of when you	
17			wrote that?	
18		Α.	Well, I think after I received that letter from of	
19			the 16/5, with the referral from	
20			MS. LEADER: I think that is Ms. Brophy's.	13:35
21		Α.	Yeah, from Laura Brophy, I think it would be it was	
22			certainly after that. I can't be specific on the date,	
23			but it would have been after that.	
24	312	Q.	MS. LEADER: The next relevant event would appear to be	
25			the meeting in Mullingar Garda Station on the 16th June	13:35
26			2014. Do you know when that meeting was scheduled? It	
27			had already been referred to and was supposed to have	
28			taken place in June and it was rescheduled at some	
29			stage?	

A. "Withdrawn" -- I think I might have a clearer copy.

I don't. Chairman, I don't know when it was 1 Α. 2 rescheduled, but obviously it was notify to attend in 3 Mullingar. That meeting is 16th July 2014. 4 313 Q. That's correct, yeah. 5 Α. 13:36 6 314 Now, it would appear that that meeting started at 2:30 Q. 7 and ended at 3:10, according to the minute-taker. 8 that your memory of events? Yeah, I'm not in a position to dispute that. 9 Α. 10 Present at that meeting were the Assistant 315 Q. 13:36 11 Commissioner, Mr. Kenny; you; Superintendent McGinn; 12 and Sergeant Duffy, who was there to make minutes of the meeting, is that correct? 13 14 That's correct, yeah. Α. Now, when Mr. Kenny had originally scheduled -- or 15 316 Q. 13:37 16 asked for a meeting to take place, he had asked that 17 you "be in possession of all materials/correspondence regarding this matter". So what do you think you 18 19 brought with you to that meeting? 20 The documents that have been referred to today, that Α. 13:37 21 file. 22 317 Okay. So which file was that, sorry, Chief Q. 23 Superintendent? That was relating to the 2014 matter. 24 Okay. So in relation to the investigation, what can 25 318 Q. 13:37 26 you say about documentation you brought in relation to

From memory, I don't think I brought the file with me,

the Garda investigation of 2006/2007?

the original investigation file.

27

28

29

Α.

Т	319	Q.	okay. So it would have been the documents created	
2			arising out of the notification of the 2nd May, is that	
3			correct?	
4		Α.	That's my recollection of it Chairman, yes.	
5	320	Q.	Okay. And in relation to the people present, was any	13:38
6			thought given to inviting Superintendent Cunningham	
7			along to that meeting?	
8		Α.	Well, I didn't give it any thought. Obviously I was	
9			invited to the meeting as well.	
10	321	Q.	Yes.	13:38
11		Α.	So	
12	322	Q.	Yes. Well, I suppose if I could put it this way:	
13			Superintendent McGinn to a huge extent had a limited	
14			involvement insofar as he was the person who the	
15			referral had been addressed to and had certain	13:38
16			communications with Mr. D and Laura Brophy.	
17		Α.	That's correct, yes.	
18	323	Q.	Yes. And you had dealings in your role as chief	
19			superintendent?	
20		Α.	That's correct, yeah.	13:38
21	324	Q.	And all of these dealings refer back to a file which	
22			had been investigated by the Guards in 2006/2007 by	
23			Superintendent Cunningham?	
24		Α.	Well, we weren't it's my understanding we weren't	
25			looking at the re-investigation of the matter or the	13:39
26			file, or whatever, it was the issues that had arisen,	
27			arising from the 2014 referral.	
28	325	0.	Okay. And you were happy to go ahead with the meeting	

without Superintendent Cunningham?

1		Α.	Well, Superintendent Cunningham hadn't been involved in	
2			any way in any of the inquiries that had been conducted	
3			around the erroneous referral.	
4	326	Q.	Okay. I think earlier on in your evidence you said you	
5			hadn't spoken to him in relation to	13:39
6		Α.	That's correct, absolutely.	
7	327	Q.	So you had never spoken to the person who had	
8			investigated the matter in the first place?	
9		Α.	I had never spoken to him about the erroneous referral	
10			of 2014.	13:39
11	328	Q.	Had you spoken to him about the investigation?	
12		Α.	No.	
13	329	Q.	In	
14		Α.	No.	
15	330	Q.	And this was a man who was in your own Garda station at	13:39
16			that time, in Monaghan Garda Station?	
17		Α.	That's correct, yes.	
18	331	Q.	If I can just turn to the minute of the meeting	
19			CHAIRMAN: There wasn't any bad feeling or anything	
20			like that between you, was there?	13:40
21		Α.	No. Absolutely not, no.	
22			CHAIRMAN: You'd have seen him every day, presumably?	
23		Α.	Well, maybe not every day, but I would see him on a	
24			regular basis, yeah.	
25			CHAIRMAN: Yes. And there's no particular time where	13:40
26			you'd all sit down together and have tea and chat or	
27			anything? I don't mean that as a lazy exercise, I mean	
28			that as an exercise in everybody keeping up-to-date	
29			with what everyone is doing.	

- Well, there's a canteen in the station in Monaghan, 1 Α. 2 sometimes he might be there, sometimes he mightn't. But it's not -- we certainly never sat 3 Vice versa. down and had a conversation about these matters. 4 CHAIRMAN: And there's no team meeting once a week or 5 13:40 6 anything like that? 7 Would I have, I would have management meetings in Α. 8 relation to what's current, the current happenings in the division, be they crime or whatever else. But 9 10 certainly nothing that would go back to matters that 13:40 11 happened long before I came into the division --12 MS. LEADER: So the minute of the meeting I think it's 332 Q. 1835, it should be in front of you, the first page. 13 14 Assistant Commissioner Kenny seems to -- you have read 15 these notes since, chief superintendent? 13:41 Well, the first time I seen them was in the disclosure 16 Α. 17 for this Tribunal. Okay. They weren't circulated to you after the 18 333 Q. 19 meeting? 20 No, no. Α. 13:41 21 Is that usual or unusual? 334 Q. 22 Well, we wouldn't have had very many meetings, I don't Α. 23 think, that I can recall where it was minuted or 24 whatever --
- 25 335 Q. Okay.

A. -- and they were circulated. Off the top of my head, I

- 27 certainly can't remember any anyway.
- 28 336 Q. Any meetings that were minuted?
- 29 A. Yeah. Well, certainly any that minutes were

- 1 circulated.
- 2 337 Q. Okay. So, have you been at meetings that were minuted,
- 3 chief superintendent, do you think?
- 4 A. Well, I don't -- I have had none that were circulated

13:42

13:42

- to me, that I can recall anyway.
- 6 338 Q. All right. So, assistant commissioner, when you did
- 7 review them, do you think they were fairly accurate?
- 8 A. Well like, they don't put -- I'm not disputing anything
- 9 that is in them, but they don't put certain things in
- 10 context, or whatever. And like, some things may have
- 11 arisen from questions that were asked or whatever, or
- something that was suggested or whatever like that, so
- they don't, they don't cover that aspect of it.
- 14 339 Q. Yes.
- 15 A. But I'm not disputing what's in them.
- 16 340 Q. I suppose the Tribunal appreciates that it isn't a
- 17 stenographer's account of the meeting or a verbatim
- 18 account of the meeting, is that what you are trying to
- convey, chief superintendent?
- 20 A. Absolutely, yes.
- 21 341 Q. So this would have been the themes discussed, is
- 22 that --
- 23 A. That would be --
- 24 342 Q. You're happy that that is an accurate --
- 25 A. Yes. You know, there were many things discussed around 13:42
- 26 what we were there to discuss and in a general type way
- and whatever, and there were questions and suggestions
- or whatever, but --
- 29 343 Q. Was the only item on the agenda the referrals from

1			Tusla?	
2		Α.	Yeah.	
3	344	Q.	So Assistant Commissioner Kenny started the meeting,	
4			and he said:	
5				13:43
6			"Outlined that we need to deal with this matter, given	
7			the people involved. He said it was unbelievable that	
8			the HSE completed the referral via copy and paste. He	
9			outlined that he doesn't accept that the referral	
10			passed through three different people in the HSE and it	13:43
11			was not noticed."	
12				
13			Now, what's your understanding of Assistant	
14			Commissioner Kenny saying he needed to deal with the	
15			matter given the people involved? I will just ask in	13:43
16			relation to the people involved, what do you think from	
17			that, chief superintendent, keeping in mind that you	
18			were actually at the meeting?	
19		Α.	Well, that he needed to, I suppose, update himself in	
20			relation to all the matters around it.	13:43
21	345	Q.	Okay. Let me put it to you this way, chief	
22			superintendent: Was it especially important to deal	
23			with the matter given that Maurice McCabe was involved?	
24		Α.	I'd say that was a factor, absolutely, yes.	
25	346	Q.	Yes. And maybe given the fact that Ms. D had referred	13:44
26			the matter to Micheál Martin which was being referred	
27			on to the Taoiseach and you had said that a number of	
28			times in your correspondence to him?	
29		Α.	That's correct, yes. It's possible. Obviously	

1			Assistant Commissioner Kenny would be able to outline	
2			what was in his mind in relation to all of that, but	
3			that is I'm sure they were factors in it, yes.	
4	347	Q.	Okay. And then there is a paragraph:	
5				13:44
6			"Chief Superintendent Sheridan outlined that the	
7			counsellor completed the referral and that the names	
8			were only changed by the HSE and the details of the	
9			incident were forgotten/overlooked and it had passed	
10			through a few hands before it was picked up."	13:44
11				
12			Do you think that is what you said?	
13		Α.	well, I doubt that is what I said, but it is I suppose	
14			really encapsulates what I said to an extent.	
15			Obviously I would presume that was a referral to the	13:45
16			cut and paste procedure that had been explained by the	
17			HSE.	
18	348	Q.	Okay. And in relation to the names only being changed,	
19			what do you think that was a reference to?	
20		Α.	well, that's a reference that they may have used some	13:45
21			other template and that that's how the erroneous	
22			information was left in the referral.	
23	349	Q.	Okay. And then Assistant Commissioner Kenny's	
24			contribution is recorded, that:	
25				13:45
26			"No correspondence will be destroyed and nothing will	
27			be retracted. He accepts that the HSE have made a	
28			mistake and they have amended it. That he was aware	
29			that GSOC were carrying out an investigation into the	

Т			original investigation file and now the matter was	
2			investigated. He said there were a few issues, Chief	
3			Superintendent Rooney appointed Superintendent	
4			Cunningham to investigate the matter. Superintendent	
5			Cunningham informed Chief Superintendent Rooney that he	13:46
6			was of the view that the matters should be investigated	
7			by members outside Cavan-Monaghan. However, Chief	
8			Superintendent Rooney directed Superintendent	
9			Cunningham to complete the investigation. The incident	
10			was not recorded on the PULSE system and the matter was	13:46
11			not referred to the HSE."	
12				
13			Was that news to you, chief superintendent, at that	
14			stage? Or any of it news to you?	
15		Α.	Well, obviously I had advised that no referral be made	13:46
16			to the HSE.	
17	350	Q.	Yes.	
18		Α.	The other parts of it, I wasn't familiar with.	
19	351	Q.	Okay. So when you say you weren't familiar?	
20		Α.	I wasn't aware of them.	13:46
21	352	Q.	And that was the first you'd heard of them?	
22		Α.	Yeah.	
23	353	Q.	Okay. And then:	
24				
25			"The file was completed and submitted to the DPP who	13:46
26			directed no prosecution. Assistant Commissioner Kenny	
27			outlined that he was of the view that the two issues	
28			arising are that the incident was not recorded on PULSE	
29			and there was no referral made to the HSE. What we, An	

1			Garda Síochána, now have is a referral from the HSE."	
2				
3			So what did you take from that, chief superintendent?	
4			Were they problems for the Guards at that stage?	
5		Α.	well, they had the potential to be problems, yeah.	13:47
6	354	Q.	Okay. And was this meeting an effort to, maybe I could	
7			suggest to you, identify potential problems and see how	
8			to deal with them?	
9		Α.	Yeah, it was a discussion around the whole matter	
10			really, that's what it was.	13:47
11	355	Q.	Okay. And then the minutes go on to record that you	
12			outlined that:	
13				
14			"The injured party went for counselling in August 2013	
15			at which stage she was an adult. He outlined that no	13:47
16			referral was made to the HSE in 2006/2007, nor did any	
17			meeting take place with the HSE in 2006/2007. If there	
18			had been a referral made on the matter in 2006/2007 we	
19			would not be getting the referral now. Chief	
20			Superintendent Sheridan raised the issue of do we need	13:48
21			to have a meeting with the HSE now."	
22				
23			Is that accurate, chief superintendent?	
24		Α.	Yeah. You know, that was when I was still under the	
25			impression that no referral had been made in 2007, when	13:48
26			obviously now I know that's not the case. And	
27			obviously from the disclosures I know now that the HSE	
28			did hold a meeting, but it doesn't appear well, from	
29			the documents that I have seen, and I haven't examined	

_			them in forensic detail, that there was no guard at the	
2			meeting.	
3	356	Q.	All right. Okay. I suppose one way of looking at	
4			this, superintendent, is that through error or just	
5			through the inquiries you'd made not showing something	13:48
6			up, that incorrect information was discussed at that	
7			meeting, and it may very well have been if	
8			Superintendent Cunningham had been party to the meeting	
9			he would have been able to put everybody right in	
10			relation to the dealings with the HSE back in	13:49
11			2006/2007, do you understand what I am saying?	
12		Α.	I understand.	
13	357	Q.	Him being the investigating guard?	
14		Α.	Yeah, I understand what you are saying but we weren't	
15			re-opening the 2006/2007 investigation or in relation	13:49
16			to that. But he wasn't there, he may have been in a	
17			position to clarify it.	
18	358	Q.	But, chief superintendent, surely you were looking at	
19			was the investigation in 2006/2007 conducted in a	
20			proper way and correctly?	13:49
21		Α.	Well, I was satisfied when I read the file prior to	
22			disclosure to Mr. Guerin that the file, that the	
23			investigation was conducted properly and there was no	
24			need for review of it. And I was totally satisfied in	
25			relation to that, in that regard.	13:49
26	359	Q.	But by the time you got to this meeting in July 2014,	
27			which was just a few months later to the disclosure	
28			process to Mr. Guerin, you had identified at least one	
29			shortcoming in your eyes, that being that the HSF	

1			hadn't been notified back in 2006/2007?	
2		Α.	Well, that wasn't a shortcoming in the investigation,	
3			it was a shortcoming in the reporting procedures	
4			between the Guards and the HSE. But obviously I was	
5			wrong in that regard, in that the referral had been	13:50
6			made.	
7	360	Q.	I suppose what I am suggesting to you, chief	
8			superintendent, it would have been a very easy thing to	
9			sort this particular point out this which was causing	
10			anxiousness or worry in July 2014 just by speaking to	13:50
11			Superintendent Cunningham in relation to the matter or	
12			indeed gaining access to the file which he had in his	
13			locker in Monaghan Garda Station?	
14		Α.	Yeah, I accept it may have been. Yes, I accept it may	
15			have been, but	13:50
16	361	Q.	Then:	
17				
18			"Assistant Commissioner Kenny outlined at the meeting	
19			that he had concerns that the injured party went for	
20			counselling and a referral was made to the HSE and a	13:51
21			referral was made to the Garda Síochána. He outlined	
22			that he was of the view that this referral should be	
23			dealt with as a new referral, "that we can't just take	
24			it at the same incident"."	
25				13:51
26			Now obviously the assistant commissioner will have to	
27			answer to that, but you then are recorded as saying:	
28				
29			"Chief Superintendent Sheridan outlined that the	

Τ			referral does state that the matter was investigated	
2			and that there was no prosecution. He raised the issue	
3			that if An Garda Síochána meets with the HSE social	
4			services and the suspect's family need to be informed	
5			as he has children."	13:51
6				
7			Do you think that was the first mention of Sergeant	
8			McCabe being informed in relation to the matter?	
9		Α.	From recollection it probably was, yes.	
10	362	Q.	Yes.	13:51
11		Α.	Now, in relation to the referral of the erroneous	
12			referral.	
13	363	Q.	Yes.	
14		Α.	When I was considering that the matter, you know, I did	
15			consider whether Sergeant McCabe should be advised of	13:52
16			that error. But I came to the conclusion in relation	
17			to that, that this was it wasn't an allegation as	
18			such, nobody had made it, it was included in the	
19			referral, but it was included by way of an error by	
20			somebody from the HSE. So in my view that was a matter	13:52
21			for the HSE to address. And I would have thought a	
22			matter for the HSE to inform Sergeant McCabe.	
23	364	Q.	I suppose now you know the HSE did contact Sergeant	
24			McCabe in December 2015 along the lines of the wrong	
25			referral, the digital	13:52
26		Α.	Well, yes, it's the wrong referral I'm talking about.	
27	365	Q.	Yes.	
28		Α.	But I would have thought that they should have informed	
29			him of it, and indeed Ms. D, long, long before that.	

1	366	Q.	Okay. So are you saying it was none of the Guards'	
2			business to inform Sergeant McCabe of the HSE's	
3			referral? That is the conclusion after the	
4			consideration you gave the matter.	
5		Α.	That is the erroneous referral?	13:5
6	367	Q.	Yes.	
7		Α.	It certainly was my opinion that it was a matter for	
8			the HSE to address. There may have been data issues in	
9			relation to that. And the other way I look at it: If	
10			I had gone or somebody from the Guards had gone to	13:5
11			Sergeant McCabe to tell him about it, we may not have	
12			been in a position to answer all of his questions in	
13			relation to what happened, as well. Because we had	
14			only the information that was provided to us by the \ensuremath{HSE}	
15			and how this happened. And as far as I was concerned	13:5
16			that was a matter for the HSE.	
17	368	Q.	There was some discussion about risk to children and	
18			Assistant Commissioner Kenny agreeing that the matter	
19			had to be dealt with properly. Essentially a decision	
20			was reached that legal opinion and advice would be	13:5
21			necessary, is that fair enough, chief superintendent?	
22		Α.	That's correct. Yeah.	
23	369	Q.	Then you seem at that stage have come in, in the	
24			meeting and said:	
25				13:5
26			"Chief Superintendent Sheridan outlined that he agreed	

27

28

29

that advice should be sought from Mr. Ruane, Head of

Legal Affairs of An Garda Síochána. He outlined that

the big issue is the referral not being completed at

Т			the time of the alleged incluent and GSOC might request	
2			that the matter is re-investigated. He also outlined	
3			that he feels the bigger issue is that no referral was	
4			made and that we need to get advice on this matter."	
5				13:54
6		Α.	That's correct, Judge.	
7	370	Q.	So again, it seemed to be a matter of fairly high	
8			concern that there was no referral which there actually	
9			had been at that stage, is that the case?	
10		Α.	That's correct, Judge.	13:55
11	371	Q.	Everybody was proceeding in a false assumption?	
12		Α.	Yes, that's correct.	
13	372	Q.	And then:	
14				
15			"Assistant Commissioner Kenny raised the issue of the	13:55
16			possibility of the need to liaise with the injured	
17			party to establish if the referral is the same as her	
18			complaint in 2006/2007."	
19				
20			Did you at that stage tell the meeting that	13:55
21			Superintendent McGinn had been speaking to Ms. D's	
22			father?	
23		Α.	I don't know, I certainly wasn't wouldn't be in	
24			favour of I had made my position clear in my report,	
25			that as far as I was concerned the Garda involvement in	13:55
26			the matter was completed.	
27	373	Q.	Okay. Then you set out, it's recorded that you set	
28			out:	

1			"The referral received is the same as her statement	
2			made in 2006/2007 and the referral states that a file	
3			was completed. The referral and the risk posed is a	
4			problem. He suggested that we liaise with the HSE to	
5			establish what their intentions regarding this	13:56
6			referral."	
7				
8			Is that accurate, do you think, chief superintendent?	
9		Α.	Well, I'm not in a position to dispute it. But	
10			obviously when a referral is made there would be a	13:56
11			strategy meeting which would usually involve a liaison	
12			guard and the relevant personnel from the HSE. And	
13			when that strategy meeting takes place, decisions are	
14			made. Sometimes cases are closed off and it may be	
15			that the Guards have no further involvement and the HSE	13:56
16			have other matters to attend to arising out of it.	
17	374	Q.	So, was it your thinking at that meeting that the	
18			matter would be left with Tusla, to take whatever	
19			actions they thought appropriate in relation to the	
20			matter?	13:56
21		Α.	Yeah.	
22	375	Q.	Is that fair?	
23		Α.	That's my that's a fair comment. Because as far as	
24			I was concerned we had finished our involvement in it.	
25	376	Q.	Then:	13:57
26				
27			"Assistant Commissioner Kenny raised the question: What	
28			would we do if this was a new referral? And	
29			Superintendent McGinn said a criminal investigation	

Т			would commence and An Garda Stochana would meet with	
2			the HSE. And then Assistant Commissioner Kenny said	
3			that the notification of the matter is the concern.	
4			Then Superintendent McGinn raised the issue about the	
5			fact that Sergeant McCabe wasn't arrested at that time	13:57
6			and then the meeting with Ken Ruane was suggested	
7			again."	
8				
9			Which you agreed with, and Ken Ruane an being the legal	
10			adviser to the Guards at that stage.	13:57
11		Α.	That is correct.	
12	377	Q.	Then it would seem to me that you were tasked with	
13			liaising with the HSE to establish what their	
14			intention/strategy was, is that correct?	
15		Α.	That's correct, yes.	13:57
16	378	Q.	And was that your mindset coming out of that meeting;	
17			that you had a task to completing liaising with the	
18			HSE?	
19		Α.	Well, it was to establish with the HSE what what	
20			their strategy was in relation to it.	13:57
21	379	Q.	And again Assistant Commissioner Kenny outlines that	
22			the matter needed to be dealt with correctly and the	
23			reference to the matter being published in the	
24			newspapers was mentioned, and you again outline that	
25			the "injured party reported the matter to GSOC so that	13:58
26			the matter would be re-investigated and the suspected	
27			offender may be exposed". Now if I can just ask you to	
28			clarify there, chief superintendent, do you think that	
29			reference was hinting at Sergeant McCabe being exposed	

- as somebody who interferes with children? 1 2 Well, obviously --Α. 3 And leaving the potential there down the line? 380 Q. Obviously the Guards were not going to re-investigate 4 Α. this matter. Ms. D had gone to GSOC and obviously I 5 13:58 6 didn't know what approach they were going to take to 7 the matter. And obviously any further investigations 8 into these, into these matters, had the potential to 9 expose Sergeant McCabe. 10 Okay. 381 Q. 13:59 11 That's the point, I suppose. CHAIRMAN: Sorry, I beg 12 your pardon, I was just thinking. MS. LEADER: And in relation to -- Superintendent 13 382 Q. 14 McGinn refers to the meeting with Micheál Martin, and 15 Assistant Commissioner Kenny was to make contact with 13:59 16 Ken Ruane and you were to approach the HSE in order to 17 establish what their intention/strategy was, is that 18 correct? 19 That's correct, yes. Α. So the matter was left live at that stage as far as 20 383 0. 13:59 21 Garda management were concerned and that was in July 22 2014?
- 23 A. That's correct, yes.
- 24 384 Q. Now it turns out that you had no further dealings with 25 the HSE, is that correct? You asked Inspector

- O'Connell to do some tasks on your behalf?
- 27 A. To find out what --
- 28 385 Q. Yes.
- 29 A. Yeah.

- 1 386 Q. And did anything come of those?
- 2 A. Well, there was some confusion over an email but an
- 3 email did eventually come, which said that Eileen Arque
- 4 I think had been appointed as the social worker to deal

14:00

14:01

- with the case. But I hadn't seen that email.
- 6 387 Q. And did you in actual fact establish with the HSE what
- 7 their intention/strategy was to be?
- 8 A. No, in the end I wouldn't have. But obviously that was
- 9 a matter for the HSE then to take whatever course of
- 10 action they deemed necessary.
- 11 388 Q. But surely, chief superintendent, it was a matter for
- 12 you to advise your superiors what the HSE intended on
- doing, arising out of that meeting, in July 2014.
- 14 A. Well, I don't believe it was. I think it was a matter
- for the HSE if they wanted to take whatever action they 14:00
- 16 wanted to take, then we're not there to advise the HSE
- on how to do it. We look after what we had to look
- 18 after. As far as I was concerned we had concluded our
- inquiries into the erroneous referral and that's where
- it stood as far as I was concerned.
- 21 389 Q. Okay. Well, what I don't understand, chief
- superintendent, is: It appears to me, reading the
- 23 minutes, that you were to liaise with the HSE to
- 24 establish what their intention/strategy was and report
- 25 back?
- 26 A. Well --
- 27 390 Q. Yes.
- 28 A. -- that may be so, I didn't report back. But I did
- 29 have the email sent to establish what they were doing.

They said they had appointed Eileen Argue as the social 1 2 worker to deal with the case. I wasn't aware of that. But you didn't -- exactly --3 391 Q. 4 Yeah, absolutely. Α. -- you didn't know that. 5 392 Q. 14:01 6 Yeah. Α. 7 So you never established what the HSE 393 0. 8 strategy/intentions were in your own mind? That's correct, yes. And we had no further 9 Α. communication from the HSE in relation to it. 10 14:01 11 So you left one thread of what was to be done undone? 394 Q. Well, it wasn't a Garda matter --12 Α. 13 395 Yes. 0. 14 -- as such. As far as I was concerned, in relation to Α. this matter, my report in relation to the Garda 15 14:02 inquiries into it concluded on the 3rd July when I 16 17 submitted that report. And I did not report further in relation to what the HSE were going to do about it. 18 19 Yes. Well, we know that, chief superintendent, that 396 Q. 20 you did not, but what I am saying to you is: You 14:02 21 didn't do something which you were supposed to do on a 22 reading of the minutes of this meeting? 23 well, I accept I didn't send a report --Α. 24 Yes. 397 Q. -- back in relation to the matter. I accept that. 25 Α. 14:02 26 Yes. And you didn't actually know that Eileen Argue 398 Ο.

-- concerned?

had been dealing with the matter in the HSE, because

that was never communicated as far as you, isn't that

27

28

- 1 A. That's correct, yes.
- 2 399 Q. So the matter was left in abeyance as far as you were
- 3 concerned with regard to what the HSE's intentions
- 4 were?
- 5 A. That's correct, Judge.
- 6 400 Q. Okay. Do you now -- looking back on matters, would you

14:03

14:03

14:03

- 7 have done things differently if you knew how things
- 8 were going to turn out in relation to it?
- 9 A. Well, the only thing I would have done differently is I
- 10 would have sent a report to say that Eileen Argue had
- been appointed as the HSE, the social worker in charge
- of the case from the HSE perspective.
- 13 401 Q. Okay. Do you think at any point you would have sat
- down with the HSE to look at how matters had gotten to
- where they had gotten?
- 16 A. Well, that's not something that I considered. We --
- 17 the matters of 2007 had been investigated fully.
- 18 402 Q. Yes.
- 19 A. We had bottomed out how the error occurred in relation
- to the erroneous referral. And any other matters were
- a matter for the HSE in relation to if there were
- 22 outstanding issues.
- 23 403 Q. Well, I find that difficult to understand, chief
- superintendent, in circumstances where it seemed to be
- a problem that the HSE had never been notified, as you
- thought they hadn't been, in 2006/2007. There were
- issues with regard to child protection raised at that
- 28 meeting, or a further investigation also, and at a time
- 29 when Sergeant McCabe had a very considerable media

1 profile and that you were satisfied to leave matters as 2 they were, coming out of that meeting in July 2014, not 3 checking up on matters with the HSE or carrying out duties that had been assigned to you? 4 well, for me, I think it would have been inappropriate 5 Α. 6 at that stage to be pursuing the matter in relation to 7 something that had been investigated in 2007. And 8 obviously Ms. D had gone to the HSE or gone to --9 404 Yes. Q. -- a counselling service, and obviously the HSE were 10 Α. 14:04 managing that aspect of it. There were no other issues 11 12 that I was aware of in relation to -- that needed to be dealt with. 13 14 405 Q. Okay. And I think we now know from the materials 15 available to us, and this will be something for the 14:05 16 assistant commissioner to deal with, that legal advice 17 wouldn't appear to have been pursued in relation to the 18 matter? 19 That is my understanding, yes. Α. 20 So the two things that came out of the meeting in July 406 0. 21 2014 weren't actually ever attended to, and one of them 22 you're answerable for and the other is Assistant 23 Commissioner Kenny? Well, I except I communicated -- I had communication 24 Α. with the HSE in relation to it. I wasn't aware of what 14:05 25 26 the outcome of that was, but as far as -- as I said,

3rd July when I wrote my report.

from my perspective in relation to these matters I had

no further -- from a Garda perspective, we're finished

27

28

1	407	Q.	Yes. You see, Chief Superintendent Sheridan, a	
2			suggestion could be made that this was done on purpose	
3			to keep the allegations alive in some way, that they	
4			weren't tidied up at that stage with the HSE, with	
5			Garda management, I don't know if you have anything to	14:06
6			say in relation to that?	
7		Α.	Absolutely not. Absolutely not. And indeed from my	
8			perspective, the fact that a referral had been made in	
9			2007, as I said, I don't think the HSE should have made	
10			any referral in 2014. They already had a referral and	14:06
11			whatever actions had to follow from that in 2007 should	
12			have followed from 2007.	
13	408	Q.	Okay. And I think you retired from the Guards in 2015	
14			and had no further involvement	
15		Α.	That's correct.	14:06
16	409	Q.	with this aspect of the matter?	
17		Α.	That's correct.	
18	410	Q.	Okay. If you would answer any questions anybody else	
19			would have.	
20			CHAIRMAN: It is eight minutes past, we have to take a	14:06
21			break, if that is all right. We will take a break for	
22			half an hour, is that all right?	
23				
24			THE HEARING THEN ADJOURNED FOR LUNCH	
25				
26				
27				
28				
29				

1			THE HEARING CONTINUED AFTER LUNCH AS FOLLOWS:	
2				
3			CHIEF SUPERINTENDENT SHERIDAN WAS CROSS-EXAMINED BY	
4			MR. McDOWELL	
5	411	Q.	MR. McDOWELL: Good afternoon, superintendent Chief	14:42
6			Superintendent Sheridan. Could I introduce myself?	
7			Michael McDowell is my name, I am one of the barristers	
8			representing Sergeant McCabe. You were made the Chief	
9			Superintendent of the Cavan-Monaghan division exactly	
10			when?	14:43
11		Α.	Well, I went there in December 2011	
12	412	Q.	Yes.	
13		Α.	while I still had responsibility for Sligo-Leitrim	
14			division but I was permanently appointed there in	
15			February 2012.	14:43
16	413	Q.	Yes. And at that time, were you aware that Sergeant	
17			McCabe was suffering some hostility and negativity from	
18			fellow members of An Garda Síochána?	
19		Α.	Back then, I would have some I would have some	
20			knowledge of it, yeah. I wouldn't have intimate	14:43
21			knowledge of it from my own dealings but I would have	
22			some knowledge of it, yes.	
23	414	Q.	Well, do you remember, for instance, visiting him at	
24			his home in Mountnugent in connection with a complaint	
25			from Sergeant McCabe that he felt that there had been a	14:43
26			threat to him from	
27		Α.	Yeah, I remember that.	
28	415	Q.	Gardaí.	
29		Α.	Yeah.	

- 1 416 Q. Can you put an approximate date on that?
- 2 A. It probably is 2010/2011, maybe.
- 3 417 Q. Yes. So it's fair to say that you would have been
- 4 aware that there was hostility towards him and you were
- 5 dealing with it in your capacity as district officer,

14:45

14:45

- 6 is that right?
- 7 A. I was the divisional officer in Sligo-Leitrim at that
- 8 time and I was aware obviously of that incident and
- 9 Sergeant McCabe I think was off sick at that time.
- 10 418 Q. Yes. And is it fair to say that that hostility was not 14:44
- just confined to that one incident, that there were
- other matters of which he was complaining, such as
- abuse in the media -- in the social media and the rest
- 14 from fellow Gardaí?
- 15 A. Yeah, that would be correct, yes.
- 16 419 Q. I see. And that arose from what? Was it from this
- 17 allegation in the Ms. D case or was it from the
- complaints he had made that were the subject of the
- 19 Byrne/McGinn report?
- 20 A. Well, it's my understanding that it would be arising
- 21 from the Byrne-McGinn, but I am open to correction on
- that because I wouldn't have detailed knowledge of that
- 23 going back to then.
- 24 420 Q. In part of the social media commentary on him he was
- referred to as a rat, isn't that right?
- 26 A. That's right, I recall an incident of that nature,
- 27 yeah.
- 28 421 Q. I see. Now, when you visited him in Mountnugent, you
- visited him at his home, isn't that right?

- 1 A. That's correct, yes.
- 2 422 Q. And you knew that he lived in Mountnugent, isn't that
- 3 right?
- 4 A. That's correct, yes.
- 5 423 Q. So coming to the referral that was made in 2013 by

- 6 Tusla, are we agreed that that referral was made to
- 7 Bailieboro in complete mistake?
- 8 A. Well, he would be in Cavan district, Mountnugent would
- 9 be in Cavan district. And the referral of 2014 should
- 10 have gone to Cavan, absolutely.
- 11 424 Q. Yes.
- 12 A. Yeah.
- 13 425 Q. Because the original investigation was conducted -- was
- directed by the area officer in Cavan, isn't that
- 15 right? 14:46
- 16 A. That's correct, yes, yeah.
- 17 426 Q. And the personnel involved in the investigation were
- from the Cavan district, isn't that right?
- 19 A. Yeah, the initial -- well, I'm not sure where Sergeant
- 20 Denise Flynn -- but Sergeant Jim Fraher would have been 14:46
- 21 stationed in Cavan, yes.
- 22 427 Q. Yes. And Bailieboro was therefore the wrong place to
- 23 send that notification?
- 24 A. That's correct, yes.
- 25 428 Q. And it follows, does it not, that Superintendent McGinn 14:46
- had no proper involvement in this matter at all?
- 27 A. That would be correct, but the referral did land on his
- desk. Other than that -- but it should have gone to
- 29 Cavan.

1	429	Q.	Yes. And am I right in, or wrong in, saying that it's	
2			mystifying that nobody seems to have queried why he was	
3			involved and remained involved in this matter?	
4		Α.	Well, I didn't query on that, I had no reason to query	
5			it.	14:47
6	430	Q.	But we know from his evidence here yesterday and from	
7			the documentary record that almost as soon as he saw	
8			the Garda referral of the 2nd of May, which he received	
9			on the 7th, I think, of May, he wrote to you a	
10			recommendation that the original investigation should	14:47
11			be reviewed?	
12		Α.	That's correct, yes.	
13	431	Q.	And I am suggesting to you that that was not merely	
14			something which was trigger-happy, but it was also	
15			something which was it was a matter in which he had	14:48
16			no proper function?	
17		Α.	Well, I'm not in a position to refute that, Judge, one	
18			way or the other. The documentation arrived on his	
19			desk and he forwarded it on to me.	
20	432	Q.	Yes. And he made a statement saying that he and he	14:48
21			has given evidence, that he gave it to the he gave a	
22			copy of the matter to Mr. D, the referral notice to	
23			Mr. D, in his capacity as sergeant in charge of the	
24			station. Do you think that was appropriate, in the	
25			circumstances?	14:48
26		Α.	Well, in the normal course of events I'd say it wasn't	
27			appropriate, but I think in fairness to him he was	
28			trying to establish whether Ms. D had made the	

allegation or not.

- So you think it was justified in this 1 433 Q. I see. 2
- particular circumstance because he wanted to check out
- 3 was that her allegation or was it -- or did it come
- from somewhere else? 4
- That's -- that's my view of why he did it. 5 Α.
- 6 434 Q. Yes. And can you think of any reason why it wouldn't

14:49

14:50

14:50

- have gone to the HSE liaison officer to be filed with 7
- 8 all the other Garda referrals?
- I can't, to be honest. 9 Α.
- And as I understand your statement of evidence, the 10 435 Q.
- 11 first you heard of this was an oral discussion of it
- 12 with Superintendent McGinn shortly after he received
- the referral, is that right? 13
- 14 That's correct, yes. Α.
- And did he discuss its content with you? 15 436 Q.
- 16 Α. No.
- 17 He didn't refer to it being a rape allegation at the 437 Q.
- 18 time?
- 19 He said he had the referral, and he was sending it on Α.
- 20 to me.
- 21 And the sensitivity of it, of course, in May of 438 I see. Q.
- 2014, was fairly obvious, wasn't it? 22
- 23 That's correct, yes. Α.
- 24 And you awaited it and it was only when you saw it that 439 Q.
- 25 you realised that there was a mistake in it, is that
- 26 what you are saying?
- 27 Well, what I'm -- that's when I realised, when I read Α.
- 28 it, it wasn't what was in the original file, the
- 29 investigation file of the 2007 incident.

- 1 440 Q. And when did Superintendent McGinn tell you that he was 2 aware that this 2nd May referral form contained a major 3 mistake?
- A. Well, I have no recollection of him telling me that but

 he did communicate to me that Mr. D had informed him

 that Ms. D did not -- had not made the allegation.
- 7 441 Q. Yes. And that was his information?
- 8 A. That's --
- And of course there were two possibilities: Either she 9 442 Q. had made this allegation, which would have been 10 14:51 11 completely at variance with what she had done before, 12 and would amount to ramping up the allegation, that is one possibility; and the other was that a catastrophic 13 mistake had been made innocently in which, in which 14 15 this allegation had been misattributed to her, isn't 14:51 16 that right?
- 17 A. That's correct, yes.
- 18 443 Q. And just dealing with the first scenario, you'd want to
 19 be -- I mean, it would be a very serious matter to
 20 make, to alter an allegation to include a rape account, 14:51
 21 isn't that right?

- 22 A. Absolutely, yeah.
- 23 444 Q. It would be a criminal offence, in fact, to do it, 24 isn't that right?
- 25 A. Absolutely.
- 26 445 Q. So when you received it by post, you must have been of 27 the view that either she had changed her allegation or, 28 alternatively, that there had been some disastrous 29 mistake, is that right?

1		Α.	That's correct, yes.	
2	446	Q.	And which opinion did you form immediately you saw it?	
3		Α.	Well, I have to say I thought it would be very unusual	
4			that she would have changed it.	
5	447	Q.	Yes. So you thought it was more probable that some	14:52
6			horrific mistake had been made?	
7		Α.	Well, that's that was my impression, that something	
8			untoward had happened in it.	
9	448	Q.	Well, now, can I ask you then in that context, can I	
10			ask you, when you wrote on the 24th May, and this is at	14:52
11			document 1723, to your superiors to Commissioner	
12			Kenny, you wrote saying:	
13				
14			"Reference above and further to previous correspondence	
15			of this office dated 14th inst."	14:53
16				
17			Sorry, on 14th of May, it's page 1722, I am looking at	
18			the wrong version. On 14th you said:	
19				
20			"I refer to the above"	14:53
21				
22			And that is a Tusla referral Ms. D.	
23				
24			" and attach correspondence from the district office	
25			Bailieboro dated 8th May 2014."	14:53
26				
27			The next sentence reads:	
28				
29			"The allegations contained in the attached referral	

1			have been the subject of a previous Garda investigation	
2			which resulted in the Director of Public Prosecutions	
3			directing no prosecution against the alleged offender,	
4			Mr. McCabe."	
5		Α.	That's correct.	14:54
6	449	Q.	"It's my understanding that Ms. D has made a complaint	
7			based on the allegations set out in the attached	
8			referral form to the following parties: Mr. Micheál	
9			Martin, and that he has subsequently referred the	
10			matter to An Taoiseach, Enda Kenny, and An Garda	14:54
11			Síochána Ombudsman Commission."	
12				
13			And you say:	
14				
15			"In the circumstances I recommend that we await further	14:54
16			communication from the parties listed above prior to	
17			commencing a review of this investigation. A full copy	
18			of the Garda investigation file is available at this	
19			office."	
20				14:54
21			Now, you had by this stage received a recommendation	
22			from Superintendent McGinn that there should be a	
23			review of the investigation, isn't that right?	
24		Α.	That's correct, yes.	
25	450	Q.	And in this letter, you are saying "we should await	14:55
26			further communication from the parties listed above	
27			prior to commencing a review of this investigation."	
28			Who had you in mind might be in touch with you?	
29		Α.	Well, either somebody from depending on what arose	

Т			out of either the meeting with Micheal Martin or from	
2			GSOC.	
3	451	Q.	I see. But in the meantime, Superintendent Kenny was	
4			being given that letter, which is document 1722, and	
5			the referral form of the 2nd May 2014, isn't that	14:55
6			right? That is what you were sending?	
7		Α.	That's correct, yes.	
8	452	Q.	And I have to suggest to you, chief superintendent,	
9			that the ordinary and natural meaning of that letter	
10			was only to one effect, and that was: That the	14:55
11			allegations contained in the attached referral, which	
12			included allegations of digital rape, had been the	
13			subject of a previous Garda investigation and that the	
14			DPP had directed no prosecution.	
15		Α.	Well, that's not what it was meant to refer, but I	14:56
16			accept now I should have clarified that matter.	
17	453	Q.	Well, if you knew nothing about it and you received	
18			that letter and the Garda referral form, was there	
19			was the only meaning of it that an allegation of rape	
20			had been investigated by the Guards and that the DPP	14:56
21			had directed no prosecution?	
22		Α.	I can see how that meaning would be taken out of it,	
23			yes.	
24	454	Q.	Well, sorry, could any other meaning be taken out of	
25			it?	14:56
26		Α.	Probably not in the circumstances.	
27	455	Q.	If you had a mind like a blank sheet that was the only	
28			meaning the only inference you could draw from the	
29			letter, isn't that right?	

1 .	Α. ΄	That':	s (correct	Ξ. \	veah.

- 2 456 Q. And yet, on that day, you knew, when you sent that, 3 that these allegations were false, the rape allegation 4 was false?
- 5 A. Well, this wasn't something that I did purposely.

available in your office?

- 6 457 Q. I know. I am just asking you, you knew it was false?
- 7 A. I knew that, yes.
- 8 458 Q. And your letter would have left the recipient under the
 9 exact opposite impression, that this allegation had
 10 been investigated, that the file contained -- the
 11 allegations had been the subject of investigation,
 12 isn't that right, and that a full copy of that file was

14:57

14 A. That's correct, yes.

- 15 459 Q. So, Commissioner Kenny could only have drawn the

 inference at that point that a rape offence had been

 investigated and that Sergeant McCabe had been

 exonerated -- or sorry, that the DPP had directed no

 prosecution, isn't that right?
- 20 A. I accept that, and I accept that I should have 14:58 clarified that matter.
- 22 460 Q. Would you agree with me that that was a matter of
 23 utmost gravity to somebody reading your letter; that
 24 this man who was causing so much public furore had been
 25 acquitted -- or sorry, had been the subject of a full
 26 Garda investigation for a rape offence and that the DPP
 27 had directed no prosecution?
- A. I accept that it certainly should have been made clear that that was not the case, and I accept that what this

1			document says might it might be interpreted as that,	
2			yes.	
3	461	Q.	It couldn't be interpreted any other way, could it?	
4		Α.	I accept that, Judge.	
5	462	Q.	Well, on the 24th of May, you sent the same	14:58
6			commissioner a letter, which is at 1723, saying:	
7				
8			"The previous referral contained incorrect information	
9			and should therefore be withdrawn and replaced with the	
10			attached."	14:59
11				
12			And:	
13				
14			"This is a referral made by Tusla relating to an	
15			incident which was reported to and investigated by An	14:59
16			Garda Síochána in 2006/07. The DPP directed that there	
17			should not be a prosecution in the case. The attached	
18			referral does not disclose any new information/evidence	
19			in relation to the matters and, therefore, at this time	
20			does not require any further action by An Garda	14:59
21			Síochána."	
22				
23			Now, at that point what you were sending him was Laura	
24			Brophy's revised referral form, is that right?	
25		Α.	That's correct, yes.	15:00
26	463	Q.	Was it the revised referral form or her letter?	
27		Α.	Both.	
28	464	Q.	Both. Now, you then sought from Fiona Ward information	
29			in order to progress your request which had been made	

1			to you:	
2				
3			"Does the referral in question refer to a previous	
4			disclosure which was investigated by An Garda Síochána	
5			in 2006 that subsequently resulted in a submission of a	15:00
6			file to the DPP or does it refer to a new further	
7			disclosure which requires investigation by An Garda	
8			Síochána?"	
9				
10			And you sent that message on the 9th of June.	15:01
11		Α.	That's correct, yes.	
12	465	Q.	So, were you in doubt at this point?	
13		Α.	No, I wasn't in doubt, but I was looking for	
14			confirmation.	
15	466	Q.	But you were asking her to state whether it's the same	15:01
16			story from 2006/2007 or a new, or amplified material,	
17			isn't that right?	
18		Α.	well, I am looking for clarification. I had no doubt	
19			that the incident of 2006/7 had been investigated.	
20	467	Q.	But you knew at the time, because you'd told	15:01
21		Α.	Yes, I knew at the time, yeah.	
22	468	Q.	you had told your superiors that you knew the answer	
23			to that question?	
24		Α.	That's correct, yes.	
25	469	Q.	But nonetheless, you asked her to you put that query	15:01
26			to her, isn't that right?	
27		Α.	That's correct, yes.	
28	470	Q.	And not merely did you know when you received the	
29			amended document from Ms. Brophy but you knew before	

_			that, that a catastrophic error had occurred in some	
2			manner?	
3		Α.	That's correct, yes.	
4	471	Q.	Now, why did you not inform the Commissioner of the	
5			fact that Superintendent McGinn had been inquiring into	15:02
6			the matter and that you yourself were inquiring into	
7			the matter and you were satisfied that the original	
8			complaint could be wholly discounted, the original	
9			referral?	
10		Α.	Well, in my report of 22nd of May I had said that	15:03
11			the that it requires no further action from An Garda	
12			Síochána.	
13	472	Q.	I see. And in the intervening period, there is	
14			there is an exchange of or sorry, you are made aware	
15			that superintendent Superintendent McGinn had	15:03
16			interacted with the HSE, isn't that right?	
17		Α.	That's correct, yes.	
18	473	Q.	And then you are summoned to a meeting, which is	
19			cancelled, in Sligo, and it eventually takes place in	
20			the station that sergeant McCabe was working in, in	15:03
21			Mullingar on 16th of July 2014?	
22		Α.	That's correct, yes.	
23	474	Q.	And before that meeting took place, you had decided, in	
24			response to the letter you'd received on 10th July from	
25			the Commissioner, that you would make out a full report	15:04
26			on the matter so that he would be apprised in writing	
27			of the situation before	
28		Α.	Well, I carried out further inquiries in my efforts to	

establish how the error occurred --

- 1 475 Q. Yes.
- 2 A. -- and I got the final reply to that on 1st July 2014,
- and I did my report out two days later on 3rd July, and

15:05

15:05

15:05

- 4 I forwarded it on to him.
- 5 476 Q. I see. Sorry, it was 10th of June I think you were
- 6 written to, was the last letter you had received from
- 7 him.
- 8 A. That could be right, yeah.
- 9 477 Q. And you were the district officer for Cavan-Monaghan at
- this stage, is that right?
- 11 A. Divisional officer.
- 12 478 Q. Regional officer?
- 13 A. Divisional officer.
- 14 479 Q. Divisional officer. And in the same building as you is
- 15 Superintendent Noel Cunningham?
- 16 A. That's correct.
- 17 480 Q. And you knew from looking at the Garda file that he was
- 18 the investigating officer?
- 19 A. That's correct, yes.
- 20 481 Q. Was there some reason why you wouldn't, when you were
- compiling that report go and check your facts with him?
- 22 A. No, there was no reason. He wasn't involved in any of
- the original inquiries I had conducted and I wasn't
- involving him in what I was at.
- 25 482 Q. Sorry, let's be clear about it. You were preparing a
- 26 comprehensive report which had extracts from the
- 27 original prosecution file?
- 28 A. That's correct, yes.
- 29 483 Q. And I'm asking you was there some reason why you

_			wouldn't go to superintendent cummigham and ask in mile to	
2			assist you with any issues which you had in respect of	
3			the original prosecution and whether an error had	
4			happened here?	
5		Α.	There was no reason, no. But I didn't do it. My sole	15:06
6			motivation in relation to the referral I had got on 2nd	
7			of that was dated 2nd of May, was to try to	
8			establish how the error occurred.	
9	484	Q.	But in the course of the report that you put together,	
10			you completely misconstrued what had happened in 2007	15:06
11			because you, for some reason, came to the conclusion	
12			that Tusla had never been informed of the matter when	
13			the Guards carried out their original criminal	
14			investigation?	
15		Α.	That's correct, yes.	15:07
16	485	Q.	And on what basis did you draw that conclusion?	
17		Α.	Because I was unable to when I was doing the	
18			discovery for Mr. Guerin, I could not find any	
19			referral.	
20	486	Q.	And did you speak to Sergeant Fraher?	15:07
21		Α.	Well, I didn't speak to him myself but obviously I had	
22			other people working to me in relation to, we send out	
23			queries in relation to, and I don't know whether one	
24			went to Cavan or not but I didn't get the referral.	
25	487	Q.	Well, as we know, he had no difficulty in unearthing	15:07
26			the notification of which was received in January	
27			2007 and handing it over to GSOC when he was asked for	
28			a statement, isn't that right?	
29		Α.	So I believe, yes.	

1	488	Q.	And you didn't you came to the conclusion that no	
2			such documentation existed and you never checked out	
3			with Sergeant Fraher or with Noel Cunningham, both of	
4			whom would have told you that that was a mistake?	
5		Α.	I didn't check with either of the two, no.	15:08
6	489	Q.	And when we come to the meeting which takes place in	
7			July, you were asked by Ms. Leader did it not strike	
8			you as strange that or words to the effect, did it	
9			not strike you as strange that Noel Cunningham was not	
10			invited along, especially since he was the man who knew	15:08
11			most about the file. Did it not strike you as strange	
12			that Commissioner Kenny and yourself would not have	
13			been present at a meeting?	
14		Α.	Well, he wasn't involved in any of the inquiries that	
15			had been conducted in the 2014 inquiries around the	15:09
16			erroneous referral.	
17	490	Q.	But he was involved. If we go to page 1805, which is	
18			your report of the 3rd of July, he was involved in all	
19			of the matter that is set out on the first page and	
20			most of the matter set out on the second page?	15:09
21		Α.	That is in relation to the 2007 investigation, yes.	
22	491	Q.	Yes. And still you were content to say:	
23			"The incident was not recorded at the time it was	
24			reported and it has not been recorded on PULSE to date	
25			and also that it appears that no referral was made to	15:10
26			the Health Service Executive at the time of its report	
27			to the Gardaí."	
28		Α.	That was my understanding at the time, but obviously I	

was wrong.

- 1 492 Q. You see, the strange about that is, that that would
 2 have been, by necessary inference, a heavy criticism of
 3 Superintendent Cunningham and Sergeant Fraher, that
 4 they conducted an inquiry and for some reason decided
 5 not to let the HSE know about it, contrary to the
 15:10
- not to let the HSE know about it, contrary to the established practice?
- A. Well, it may be a criticism, I don't think it -- it would be up to whoever it is reported to, to make the referral. I think that's what the policy states.
- 10 493 Q. But the point, chief superintendent, is this: This was 15:10

 11 known -- to report, as you did, that it was not

 12 referred, was, by implication, to say that this was

 13 unusually kept within An Garda Síochána at the time,

 14 when that was not the case, isn't that right?
- A. Well, that is not what -- that is not what was implied, 15:11

 my understanding was it hadn't been referred, that

 was -- there were no other motives for me saying that.

 That was my understanding.
- 19 494 Q. Well, you knew it was mandatory to report these kind of
 20 allegations, to the HSE?

- A. Well, what I would say is, if it had been on PULSE then
 we would have found it on PULSE, and the referral
 should be on PULSE as well.
- 24 495 Q. No, I am talking about the HSE. You knew it was mandatory to do that?
- 26 A. Yes.
- 27 496 Q. Yes.
- 28 A. But I did not find --
- 29 497 Q. A phone call to Sergeant Fraher would have found out

Т			that he had decided not to put it on PULSE due to	
2			sensitivity matters, isn't that right?	
3		Α.	So I understand, but it was it was not my intention	
4			to go inquiring into the 2007 investigation.	
5	498	Q.	No, but when you had this meeting in July, you knew	15:12
6			that GSOC were commencing an investigation?	
7		Α.	Yes.	
8	499	Q.	And you were leading the area commissioner to believe	
9			that, unusually, and against the mandatory requirements	
10			in such cases, this case had not been reported to the	15:12
11			HSE at the time?	
12		Α.	That was my understanding at the time, genuinely held	
13			belief.	
14	500	Q.	And would you mind telling me now, how you developed	
15			that belief?	15:12
16		Α.	Well, I had done inquiries in relation to the	
17			discovery, I couldn't in relation to Guerin and I	
18			could not find it.	
19	501	Q.	Well	
20		Α.	I didn't ask Sergeant Fraher, I accept that.	15:12
21	502	Q.	What kind of inquiries could you have done which didn't	
22			involve asking Superintendent Cunningham that question	
23			or Sergeant Fraher that question?	
24		Α.	I didn't ask them, that's the reality.	
25	503	Q.	Well who did you inquire of?	15:13
26		Α.	I would have sent documentation to a number of offices	
27			in relation to it, looking for disclosure of any	
28			documents they might hold in relation to it. I don't	
29			know whether it went to Cavan, it may not have.	

1	504	Q.	You see, if you had lifted the phone to Superintendent	
2			Cunningham he would have said not only did we	
3			investigate did we notify them of this, I actually	
4			investigated all their files and look at all their	
5			psychiatric reports and interviews.	15:13
6		Α.	I didn't make that phone call.	
7	505	Q.	I see. But the consequence of you not making that	
8			phone call was that the meeting on the 16th July	
9			proceeded on an entirely false basis, that you had a	
10			very embarrassing situation on your hand, that this	15:13
11			allegation had been dealt with in an unusual manner?	
12		Α.	Well, obviously I said at the meeting that I didn't	
13			believe a referral had been made and that's the view	
14			that I held at the time. I know now that a referral	
15			had been made.	15:14
16	506	Q.	Can we go to page 1835, which is the note of the	
17			minute or the note of the meeting made by sergeant	
18			Duffy. And halfway down the third paragraph, we'll	
19			see sorry, the third paragraph says:	
20				15:14
21			"Assistant Commissioner Kenny outlined that no	
22			correspondence will be destroyed and nothing will be	
23			retracted. He outlined that he accepted the HSE made a	
24			mistake and that they have amended it. He outlined	
25			that he was aware that GSOC was now carrying out an	15:15
26			investigation into the original investigation file and	
27			how the matter was investigated."	
28				
29			Now, I stop there to say, the man who could assist him	

Τ			in relation to any of these matters was in the same	
2			building as you worked from, Noel Cunningham. He was	
3			the man who could assist to the greatest possible	
4			extent with how the original file was how the	
5			original investigation was carried out and tell you	15:15
6			about the original file and all the rest of it, isn't	
7			that right	
8		Α.	Well, maybe he could but it was not our the meeting	
9			was the three people that were involved in what	
10			happened in 2014.	15:15
11	507	Q.	Yes. But I mean, but the point is that you were facing	
12			down the barrel of a GSOC investigation and, for some	
13			reason, the person who knew most about the issue wasn't	
14			invited to the meeting?	
15		Α.	Well, he wasn't at the meeting.	15:16
16	508	Q.	Could I bring you to the next there are a few	
17			issues.	
18				
19			"Chief superintendent Rooney, Cavan-Monaghan, appointed	
20			Superintendent Cunningham to investigate the matter.	15:16
21			Superintendent Cunningham informed Chief Superintendent	
22			Rooney that he was of the view that the matter should	
23			not be investigated by members or should be	
24			investigated by members outside the Cavan-Monaghan	
25			division. However, Chief Superintendent Rooney	15:16
26			directed Superintendent Cunningham to complete the	
27			investigation."	
28				

29

Now let's stop there. Did you know that before you

- went into the meeting?
- 2 A. No.
- 3 509 Q. Superintendent McGinn says he didn't know that when he
- 4 went into the meeting. So, are we to take it that it
- 5 was Assistant Commissioner Kenny was the source of that 15:17
- 6 information?
- 7 A. It would appear so, yeah.
- 8 510 Q. And can you tell me, did he indicate how he had come on
- 9 that information?
- 10 A. Not that I can recall, no.
- 11 511 Q. Because it can only have been -- there was no record of

15:17

15:17

- that -- of that reluctance, written record of that
- 13 reluctance, was there?
- 14 A. I don't -- I haven't seen it.
- 15 512 Q. Yeah. It can only have been on the basis of a
- 16 conversation with Superintendent Cunningham, isn't that
- 17 right?
- 18 A. I don't know that.
- 19 513 Q. Well, the clerk to whom Superintendent Cunningham said
- 20 he expressed his misgivings about being the man
- involved had retired long from An Garda Síochána, isn't
- 22 that right?
- 23 A. That would be correct, yes.
- 24 514 Q. So if superintendent -- if Assistant Commissioner Kenny
- was informing the meeting of Superintendent
- 26 Cunningham's reluctance to become involved, it can only
- 27 have been on the basis of a conversation with
- 28 Superintendent Cunningham?
- 29 A. I don't know that.

Can you think of any other way that he could have come 1 515 Q. 2 to that conclusion? I don't -- I don't know, Chairman. 3 Α. Did he tell you how he had arrived --4 516 Q. No, he didn't. 5 Α. 15:18 -- at that conclusion? 6 517 Q. 7 No. he didn't. Α. 8 Did he say 'Noel Cunningham tells me he was very 518 0. 9 reluctant to act in this' or did he say, did he just announce it ex cathedra as a fact? 10 15:18 11 I have no recollection of anything like that, Chairman. Α. Because it looked like a point of vulnerability in 12 519 Q. respect of any GSOC investigation, isn't that right? 13 14 Α. well, I'd looked at the file, I certainly didn't see anything wrong with it. 15 15:19 16 CHAIRMAN: The two points of complaint to GSOC were, 17 number one, it wasn't on PULSE and, number two, that there should have been independent investigating. 18 19 MR. McDOWELL: From outside the area, yes. 20 There wasn't any complaint to GSOC about it CHAIRMAN: 21 not being referred to HSE, because I presume --22 MR. McDOWELL: Sorry? 23 There wasn't any point of complaint from CHAIRMAN: Ms. D to GSOC that it hadn't been referred in 2006/7 to 24 I suppose she couldn't make the complaint 25 the HSE. 15:19 26 because she new perfectly well --27 MR. McDOWELL: That hadn't specifically been the

subject of complaint.

No.

CHAIRMAN:

28

1	520	Q.	MR. McDOWELL: But it was the subject of newspaper	
2			coverage and criticism that it had been investigated	
3			within the district, isn't that right?	
4		Α.	To be honest, I can't recall whether it was in the	
5			newspapers or not.	15:19
6	521	Q.	And you heard Superintendent McGinn say it was a	
7			current criticism within Bailieboro that	
8		Α.	I heard him saying that yesterday but I wasn't aware of	
9			it.	
10	522	Q.	You never heard of that suggestion?	15:20
11		Α.	Not at this time, I didn't, no.	
12	523	Q.	So let's be clear about this. When you went to that	
13			meeting in July, this was the first time that the issue	
14			of Noel Cunningham being the investigating officer	
15			causing a problem had been discussed in your presence,	15:20
16			is that right?	
17		Α.	I had no knowledge of it, I have to say.	
18	524	Q.	But before this, had it ever occurred to you that the	
19			fact that it was investigated by an inspector from the	
20			division, was a problem in relation to this	15:20
21			investigation?	
22		Α.	Well, I wasn't aware it was a problem. If I was making	
23			the appointment I wouldn't have appointed somebody from	
24			within the division to do it. If I was making the	
25			appointment.	15:20
26	525	Q.	Yes. But I mean, were you aware going into that	
27			meeting that there was an issue in relation to that?	

526 Q. But the assistant commissioner was aware?

A. No, I wasn't.

28

- 1 A. I can't speak for the assistant commissioner.
- 2 527 Q. And there were three of you there and he had elicited,
- apparently, from Noel Cunningham that not merely had he
- 4 carried out the investigation, but he had attempted to
- 5 be relieved of the obligation on the basis that he knew 15:21

15:21

15:22

- 6 the parties involved.
- 7 A. I was not aware of that.
- 8 528 Q. I see. I mean, are we agreed that this didn't come
- 9 from sergeant Duffy, it didn't come --
- 10 A. Absolutely.
- 11 529 Q. It didn't come from Superintendent McGinn --
- 12 A. Yes.
- 13 530 Q. -- and it didn't come from you?
- 14 A. That's correct.
- 15 531 Q. So it did come from the commissioner, is that right?
- 16 A. Yeah.
- 17 532 Q. Now, what did you think was the purpose of this
- 18 meeting?
- 19 A. Well, it was, what I would say was a -- whether the
- assistant commissioner wanted an opportunity to have a
- look and to hear a verbal account of what the issues
- were relating to 2014.
- 23 533 Q. Well, you are quoted as saying words to the effect, on
- page 2 of the document, that "the referral does state
- 25 that the matter was investigated and that there was no
- 26 prosecution", and you raised the issue that "If An
- 27 Garda Síochána meets with the HSE would social services
- 28 and the suspect's family -- " And okay, the word suspect
- 29 may not have been used by you, but Sergeant McCabe's

- family is what we are talking about, isn't that right?
- 2 A. Absolutely, yeah.
- 3 534 Q. "-- need to be informed as he has children."
- 4 A. Well, it was a discussion around all of these issues
- 5 that emanate from -- it was an open meeting where we
- 6 talked about many things. There was some of them where

15:23

15:23

- 7 there were questions asked or there might be comments
- 8 made or whatever, but it wasn't a meeting where there
- 9 was a number of questions and there was answers to
- them. It was a discussion, as such, around the whole
- 11 matter.
- 12 535 Q. Yes.
- 13 A. And --
- 14 536 Q. And the Commissioner said that "Safety issues don't
- appear to be on the HSE's radar or agenda", did he
- amplify on why he thought that?
- 17 A. Not that I can recall. But again it was an open
- 18 conversation that we had amongst the three of us and --
- 19 537 Q. But if they didn't know about it until 2014, which was
- 20 what you were assuming -- wasn't that right?
- 21 A. That's correct, yes.
- 22 538 Q. -- how could you come to a judgement that safety issues
- 23 weren't on their agenda?
- 24 A. Well, like, we had a discussion -- it wasn't, as I
- said, an exact scientific meeting. It was a discussion 15:24
- 26 between the three of us, in which a whole --
- 27 539 Q. But it was a highly important meeting, wasn't it?
- A. Well, as far as I was concerned, when I had done my
- report on 3rd July, that was me finished with the

1			matter. I had closed I had got to the bottom of how	
2			the referral had come to happen and I had reported on	
3			it.	
4	540	Q.	But this wasn't a casual chat, the sergeant was brought	
5			along to take a note, isn't that right?	15:24
6		Α.	Yes, the sergeant was there to take a note.	
7	541	Q.	And Superintendent McGinn was sorry, you are	
8			recorded as saying that "if there are safety issues An	
9			Garda Síochána didn't do anything for the last six or	
10			seven years", could you have said something like that?	15:24
11		Α.	Yeah, absolutely. If I was under the impression that	
12			no referral had been made, then I would have. And	
13			obviously I know now that there was a referral, a	
14			meeting did take place, but it would appear there were	
15			no guards present at it, back in 2007.	15:25
16	542	Q.	And the implication being the Guards saw no welfare or	
17			safety issue at the time, and you are saying we have	
18			done nothing for six or seven years about it?	
19		Α.	You know, this, again, was not it was a discussion	
20			we were having and it wasn't a meeting where we were	15:25
21			focusing in on one particular issue or whatever. It	
22			was a discussion around everything that had taken place	
23			and what issues are and what issues arise and these	
24			type of things in a general type way a lot of the time.	
25	543	Q.	And Superintendent McGinn is recorded as throwing in	15:25
26			the idea that Sergeant McCabe has access to kids in	
27			relation to his jobs and asking is there a risk, did	
28			that surprise you as	
29		Α.	Yeah. Well again, all of these things, it was a	

1			meeting where all things were thrown out into the open	
2			and a discussion was had around them in a general type	
3			way, and in that context that some of these things were	
4			said.	
5	544	Q.	But was the issue of Sergeant McCabe being a potential	15:26
6			risk to children up for discussion there?	
7		Α.	Absolutely not.	
8	545	Q.	Well, then why were you all making these points?	
9		Α.	Well, it was like, it was a general discussion	
10			around all of these things and the issues that arise	15:26
11			from referrals and similar type incidents and whatever	
12			else.	
13	546	Q.	And Superintendent Sheridan is then recorded as saying	
14			that "he agreed with the commissioner that legal advice	
15			would be necessary and that the big issue is the	15:27
16			referral not being completed at the time of the alleged	
17			incident and GSOC might request that the matter would	
18			be reinvestigated."	
19		Α.	Again, these were issues that were we discussed and	
20			we talked about and people offer their opinion on them.	15:27
21	547	Q.	But let's be clear: What you actually thought might	
22			happen is, that as a result of there being no referral	
23			to the HSE back in 2007, that GSOC might direct that	
24			the original allegation should be reinvestigated?	
25		Α.	Well, to be honest, from looking at the file that I had	15:27
26			looked at, the investigation file, I couldn't see how	
27			anybody would want to reinvestigate it. That was	
28			always my line in relation to it and that's still my	

view on it.

1	548	Q.	And he said:	
2				
3			"He also outlined that he feels the bigger issue is	
4			that no referral was made and we need to get advice on	
5			this matter."	15:28
6				
7			And then the commissioner is recorded as saying:	
8				
9			"He raised the issue of the possibility of the need to	
10			liaise with the injured party."	15:28
11				
12			I take it, that is Ms. D, is it?	
13		Α.	She would be the injured party.	
14	549	Q.	She is being referred to as the injured party?	
15		Α.	Well, again, like, it wasn't a case where it was as	15:28
16			I have said, it was a conversation that took place, I	
17			am sure you have had them yourself over the years in	
18			and we were three adults in there discussing the whole	
19			matters that arise and whatever, and, you know,	
20			sometimes in police language terminology is used that	15:28
21			is not appropriate in the circumstances. But old	
22			habits die hard.	
23	550	Q.	" to establish if the referral is the same as her	
24			complaint in 2006/2007." You told him it was?	
25		Α.	Absolutely, yes.	15:29
26	551	Q.	So why was he raising the issue of going back to her to	
27			check that out?	
28		Α.	Again, I don't know I presume he was just raising	
29			the issue to assure himself that and to have the	

1			conversation around it.	
2	552	Q.	And you then said it is the same as her statement made	
3			in 2006/2007 and the referral states that a file was	
4			completed.	
5		Α.	But everything that was said at the meeting is not in	15:29
6			these notes.	
7	553	Q.	And you are recorded as saying, suggesting that:	
8				
9			"The people present should liaise with the HSE to	
10			establish what their intentions are regarding this	15:29
11			referral."	
12				
13			Do you think you said that?	
14		Α.	Obviously there is a strategy there in relation to	
15			referrals and whatever, and that's in that context.	15:29
16	554	Q.	And you were here for Superintendent McGinn's evidence	
17			yesterday about where he raised the question that	
18			Sergeant McCabe hadn't been arrested at the time?	
19		Α.	Well, there was never a possibility that that would	
20			happen.	15:30
21	555	Q.	But he linked that to the fact that the matter was	
22			investigated by members with the within the	
23			Cavan-Monaghan division.	
24		Α.	As I say, I look at the file at the time, there was	
25			nothing wrong with the investigation and I was	15:30
26			completely satisfied in relation to that. As I said,	
27			if I was appointing somebody to investigate it, I think	
28			in fairness to everybody, I would have appointed	
29			somebody from outside or asked that somebody from	

outside of the division be appointed to investigate it.

15:31

15:31

- 2 556 Q. Well, two tasks were set at the meeting: One for you
- and one for the commissioner, isn't that right?
- 4 A. That's correct, yes.
- 5 557 Q. He was to get legal advice?
- 6 A. That's correct, yes.
- 7 558 Q. Which we understand he never attempted to do?
- 8 A. That's correct, yes.
- 9 559 Q. And the second is that you were to liaise with the HSE
- to see what their intentions were?
- 11 A. That's correct, yeah.
- 12 560 Q. And am I right in thinking that your liaison with the
- 13 HSE was to contact the counselling service but not the
- 14 HSE itself?
- 15 A. An email was sent looking to see what their strategy or 15:31
- 16 what their intentions were.
- 17 561 Q. Yeah. But I mean we know that Inspector O'Connell made
- 18 contact with the counselling service?
- 19 A. That's correct, yes.
- 20 562 Q. But they were not child welfare people, isn't that
- 21 right?
- 22 A. That's correct, to an extent.
- 23 563 Q. So your task, which was to find out what did the HSE
- propose to do, seems to have run into a cul-de-sac
- 25 immediately. You never in fact asked the HSE were they 15:32
- 26 progressing a child welfare/risk inquiry of any kind?
- A. Well, it wasn't bottomed out but it was a matter then
- 28 for the HSE.
- 29 564 Q. Well, it wasn't a matter just of it not bottoming out,

1 it was a matter that went nowhere at all. You never 2 spoke to the HSE and asked a simple question: What are 3 your intentions in respect of this file? That is correct. But it was up to the HSE to make 4 Α. whatever decisions they wanted around what strategy 5 15:32 6 they wanted to take it, in relation to it. 7 obviously, as I said earlier, that the HSE in my view 8 should not have made any referral in 2014 because they had now, as we know, the referral from the Guards in 9 2007. 10 15:32 11 And I understood your evidence before our break to be 565 Q. 12 to the effect that, really, it was a matter for them and wasn't a matter for the Guards at all? 13 14 Sorry? Α. That what the HSE did was a matter for them and not a 15 566 Q. 15:33 16 matter for An Garda Síochána at all? 17 In relation to? Α. In relation to following up on child welfare risk 18 567 Q. 19 issues? 20 Well, it was a matter -- they had the referral, they Α. 15:33 21 had sent us the referral in 2014, they had got one from 22 the Guards in 2007, and in my view a strategy meeting should have taken place in 2007. 23 Yes. And but I mean -- but you had specifically agreed 24 568 Q. at the end of the meeting that you would follow up with 15:33 25 26 the HSE to find out what their intentions were? 27 That's correct. Α.

And you didn't?

I accept that.

28

29

569

Q.

Α.

1	570	Q.	Now, I think you also said:	
2				
3			"Chief Superintendent Sheridan outlined that the	
4			injured party reported the matter to GSOC so that the	
5			matter would be reinvestigated and that Sergeant McCabe	15:34
6			we'll say may be exposed."	
7				
8			Is that right?	
9		Α.	Well, I don't know what context I said that, I	
10			obviously said it.	15:34
11	571	Q.	It looks as if you were talking about her motivation?	
12		Α.	Well, obviously I was talking that the Guards were not	
13			going to reinvestigate it, so that she went to GSOC in	
14			the hope that they may do and the possibility about all	
15			of that was they would expose Sergeant McCabe.	15:34
16	572	Q.	Yes. And that's what you considered was a likely	
17			motive on her part?	
18		Α.	Well, it was something that could happen arising out of	
19			an allegation she would make, if it was if somebody	
20			was to reinvestigate it.	15:34
21	573	Q.	Tell me, did you have any access to the to the media	
22			at the time, to Mr. Williams' articles indicating what	
23			was happening?	
24		Α.	Other than what was in the paper and to be honest, I	
25			don't even recall the article.	15:34
26	574	Q.	You had, as divisional officer, been the person	
27			responsible for a disciplinary inquiry in its latter	
28			stages against Sergeant McCabe in respect of the loss	
29			of a computer by An Garda Siochána is that right?	

- A. Well, when I came into the division, that disciplinary appointment had already been made --
- 3 575 Q. Yes.
- A. -- and obviously I made a reappointment, and these were matters that were the subject of the O'Higgins
- 6 Commission.
- 7 576 Q. Yes. In the end, it was in July 2013 that a decision 8 was made to drop the charge against, the disciplinary 9 process against Sergeant McCabe, isn't that right?
- 10 A. I will take -- if that is what you say, I will take 15:35
 11 that, yes.
- 12 577 Q. And I think that you were aware that his lawyers were 13 in correspondence with An Garda Síochána about this 14 inquiry, isn't that right?
- 15 A. Yeah, I would have been, but off the top of my head I 15:36

 16 can't recall what it was or --

- And you know now, don't you, that it emerged in the course of that inquiry that falsified documentation was used to try and pin Sergeant McCabe with responsibility for the computer, falsified statement, falsified
- 21 exhibits chart?
- A. Well, I am not sure what the findings of the O'Higgins
 Commission were in relation to that, to be honest, I
 can't call --
- 25 579 Q. Surely you do know.
- 26 A. I don't, to be honest. I can't recall.
- 27 580 Q. Surely you do know that your own investigating -- or 28 the person who was carrying out the inquiry, found that 29 a statement had been altered to implicate Sergeant

- 1 McCabe?
- 2 A. I am aware there is an issue over a statement.
- 3 581 Q. Yes.
- 4 A. I am not -- it's not my recollection that there was any

- 5 proof that things were altered.
- 6 582 Q. And you are aware, I think, that an exhibits chart
- 7 which purported to show Sergeant McCabe in possession
- 8 of the computer, was found to have been falsified as
- 9 well in the O'Higgins Commission, isn't that right?
- 10 A. I am aware there was, I think, two charts.
- 11 583 O. One version which showed him as the man who had
- 12 possession of --
- 13 A. Yeah, I accept that, I accept that there were.
- 14 584 Q. And you were the divisional officer at the time with
- responsibility for this matter, for this investigation? 15:37
- 16 A. Well, the investigation had started before I came in
- 17 there, but yes, when it terminated I was the divisional
- 18 officer.
- 19 585 Q. And when this falsified documentation came to light,
- did you take any steps to investigate or discipline the 15:38
- 21 persons who had falsified that documentation?
- 22 A. No, I didn't. And again these were matters that were
- 23 discussed at the O'Higgins Commission.
- 24 586 Q. Yes. But I am just asking you now, Sergeant McCabe was
- being accused in the wrong of the loss of a computer in 15:38
- a highly sensitive child abuse case, isn't that right?
- 27 A. That is so, yeah.
- 28 587 Q. Yes.
- 29 A. That is so.

And it transpired that documentary material was used to 1 588 Q. 2 implicate him with responsibility for the custody of 3 the computer, which was altered, isn't that right? 4 I know there was an issue over it, I can't recall Α. clearly. 5 15:38 6 589 I have got to suggest to you --Q. 7 MR. O'HIGGINS: I wonder, Chairman, could I -- I mean 8 this is --MR. McDOWELL: No, could I just finish, please? 9 MR. O'HIGGINS: Well, could I just -- if I made my 10 15:38 11 point first of all. 12 **CHAIRMAN:** No, we have to listen to counsel, 13 Mr. McDowell. It may be reasonable or not, let's hear. 14 MR. O'HIGGINS: The point I am simply asking to note, I had understood the matters pertaining to 15 Chairman: 15:39 the O'Higgins Commission in any substantive way were 16 17 matters to be held to another module, not for this module. That is my understanding of matters. 18 19 MR. McDOWELL: Well, the witness will be coming back, 20 presumably. 15:39 21 CHAIRMAN: Maybe not. 22 Maybe not. MR. McDOWELL: 23 CHAIRMAN: Well, I hope not. I am sure he hopes not, 24 Sorry, just to deal with the objection. 25 legitimate line is being pursued, I am not taking 15:39 anything from it one way or the other at the present 26 27 I understand that what is being pursued is the 28 question of attitude as opposed to was it right or was 29 it wrong for the O'Higgins Commission to conclude that

1	in relation to the computer in the Molloy case, the	
2	Father Molloy case in relation to child sexual abuse,	
3	that Sergeant McCabe was not the exhibits officer, and	
4	that somebody else was the exhibits officer in his	
5	place. Now, we are not actually going into that. It	15:40
6	seems to me that what we are going into is related to	
7	that, which is whether or not there was an attitude by	
8	this witness towards Sergeant McCabe. And that seems	
9	legitimate to me, at the moment it does anyway.	
LO	MR. O'HIGGINS: Chairman, could I say this: The line	15:40
11	of questioning that is being put is premised upon	
L2	certain things being the case arising from O'Higgins,	
L3	and I say it is unfair to put questions that are	
L4	premised on those matters that are for another module.	
L5	It is unfair and premature to do that.	15:40
L6	CHAIRMAN: I am not sure it's another module, Mr	
L7	and besides, I hate the word module, forgive me. We	
L8	are doing this section as it is, and it's the whole	
L9	Tribunal. Really the only division is in relation to	
20	Garda Keith Harrison. But the point you are making is	15:41
21	O'Higgins, are we going into O'Higgins? Well, no, we	
22	are not. I don't want to. And I don't think it's	
23	within my terms of reference. But the question is:	
24	What was the Chief Superintendent directly involved in	
25	and was it to do with the Molloy computer? That is	15:41
26	what I understand. And what inference can be drawn	
27	from that. At the end of all of this, I am going to	
28	ask Mr. McDowell to put what he says the inference is	
00	that the Tribunal aught to draw so the witness can	

1			have a chance to answer that as opposed to a specific	
2			element.	
3			MR. McDOWELL: I think I will put it in context.	
4			CHAIRMAN: I know you will in due course. No, I think	
5			it's proper, Mr. O'Higgins, but I understand what you	15:41
6			are saying and I will note it.	
7	590	Q.	MR. McDOWELL: I'm suggesting to you that it was a	
8			strange result for Sergeant McCabe that he was accused	
9			in the wrong of a loss of a computer in a sex abuse	
10			case and that it appeared that documentation was	15:42
11			falsified to implicate him in that, in that loss, and	
12			that no disciplinary action or investigation seems to	
13			have followed in respect of who was responsible for the	
14			loss who was responsible for the alteration of the	
15			documentation and that that was your personal	15:42
16			responsibility?	
17		Α.	Well, I did not make any other appointments in any	
18			other disciplinary matters arising from that.	
19	591	Q.	You see, evidence has been given here by a number of	
20			serving members that Sergeant McCabe was virtually	15:42
21			never discussed in An Garda Síochána and/or that the	
22			witnesses were never party to any discussion concerning	
23			him at all at the time, and I have got to suggest to	
24			you that he most certainly was the discussion sorry,	
25			the subject of very active discussion and a good deal	15:43
26			of hostility and enmity in certain sources, in certain	
27			quarters in the Cavan-Monaghan division at the time?	
28		Α.	Well, I have that is not so, as far as I am	
29			concerned. I had no personal animosity towards	

1			Sergeant McCabe, and I have never been involved in	
2			discussing him or in any way undermining him in any	
3			way. And that is my position, was my position and	
4			remains my position.	
5	592	Q.	Well, going back to the time that you visited his	15:43
6			house, you knew he was protesting about the bullying	
7			and threats that he was receiving?	
8		Α.	Yeah, that's true, yeah. But I wasn't in the	
9			division	
10	593	Q.	Is it the case that no officer	15:44
11		Α.	I wasn't in the division at that time.	
12	594	Q.	I know. Well, sorry, yeah, but you knew that that was	
13			going on?	
14		Α.	Well, Sergeant McCabe outlined it to me at that time	
15			and obviously some of the issues arose from one of	15:44
16			the incidents arose, involved members from	
17			Cavan-Monaghan division.	
18	595	Q.	Yes. And I have got to suggest to you that far from	
19			the Tribunal, this is a public tribunal, the Tribunal	
20			has heard from a good number of witnesses who have all	15:44
21			said that they never were party to any discussions	
22			about Sergeant McCabe. I have got to suggest to you	
23			that he was the subject of widespread discussion within	
24			the division at the time?	
25		Α.	well, I have no evidence to support that. And I	15:44
26			certainly wasn't discussing him with anybody.	
27			CHAIRMAN: Just as regards the Molloy case, just in	
28			terms of the dates, the formal disciplinary proceeding	
29			began on 21st June 2013, and I don't know were you	

1		district officer then or did you come into it?	
2	Α.	well, there had been an appointment prior to me coming	
3		into	
4		CHAIRMAN: All right. And then as I understand it, it	
5		was 6th of August 2013 that disciplinary proceedings	15:45
6		were officially terminated on a finding that it would	
7		be unsafe to find Sergeant McCabe in breach of	
8		discipline for a missing computer in respect of which	
9		there was an inconsistency with a Garda K and evidence	
10		in that regard as to whether he or another person was	15:45
11		the exhibits officer. So it was a three-month thing,	
12		and you seem to have	
13	Α.	But there had been an appointment prior to I coming	
14		into the division.	
15		CHAIRMAN: Well, I am sorry for interrupting you,	15:45
16		Mr. McDowell, but those are the dates, but I am just	
17		wondering: What involvement did the chief	
18		superintendent have?	
19		MR. MCDOWELL: I think that the entire disciplinary	
20		process had taken more than a year, Judge. It was in	15:45
21		February 2012 and ended up in	
22		CHAIRMAN: Yes, I am sorry, I should have said it was	
23		the formal disciplinary interview which took place on	
24		21st June 2013. Yes, it had been opened earlier on.	
25		So that would seem to coincide with the chief	15:46
26		superintendent's time as divisional officer, no? Am I	
27		wrong? Maybe you would fill me in. Just a date, were	
28		you	
29		MR. McDOWELL: I think in fairness to the chief	

Τ			superintendent, his predecessor, Chief Superintendent	
2			Rooney, started this process	
3		Α.	That's correct.	
4			MR. McDOWELL: but it carried on until July of 2013,	
5			under this witness's direction.	15:46
6			CHAIRMAN: August 2013, I believe, was the I'm sorry	
7			for missing the point, Mr. McDowell. I am really	
8			sorry, I don't get where this I know about the	
9			Molloy case, I know about the computer, I know about	
10			the conflict in relation to who was the exhibits	15:46
11			officer because ultimately the computer, which I think	
12			was a valuable enough computer, disappeared out of	
13			Garda custody, so the issue was: Who was the exhibits	
14			officer? Now, I am not sure how this links in with	
15			this witness.	15:47
16			MR. McDOWELL: No, the issue is this: That, as the	
17			O'Higgins Report noted, that it was remarkable that the	
18			only person in these circumstances who was the subject	
19			of discipline was Sergeant McCabe and he was the man	
20			who was innocent of the matter.	15:47
21		Α.	Well, he was found innocent of it. I did not make any	
22			other appointments after that.	
23	596	Q.	But I think you actually signed the formal	
24			documentation initiating the disciplinary process in	
25			February 2012, is that right?	15:47
26		Α.	I made a reappointment in February 2012, is my	
27			recollection.	
28			CHAIRMAN: Just on that, there may be an inference to	
29			be drawn from it, I don't know, Mr. McDowell, but if	

1			two Garda officers are flatly contradicting each other	
2			as to who was the exhibits officer and there is a	
3			finding that it's unsafe to blame one as opposed to the	
4			other, it's hard to know how you can initiate	
5			disciplinary proceedings and it not be unsafe in	15:45
6			relation to the other person unless you have got a	
7			barrel load of evidence against them.	
8			MR. MCDOWELL: Judge, if, as part of the case against	
9			him, it is shown that documentation has been altered so	
10			as to implicate him, surely the question I am putting	15:48
11			to the witness - not to you, Chairman - surely the	
12			question as to allocating blame for that should be	
13			looked at and investigated.	
14			CHAIRMAN: All right, I see the point now. Would you	
15			like to address that?	15:48
16		Α.	Well, I did not reappoint I think there was some	
17			issues about whether it had been altered or not, from	
18			my recollection of it. But I did not make any	
19			appointments after the determination of the	
20			disciplinary proceedings against Sergeant McCabe.	15:45
21	597	Q.	MR. McDOWELL: I think, would you agree with me that it	
22			appeared to have been altered at the time that you	
23			directed that the disciplinary procedure should stop?	
24		Α.	I think the findings was that it would be unsafe in the	
25			circumstances, or whatever. But it may well have	15:49
26			appeared that it had been altered or there had been two	
27			charts, I am not from recollection I am not sure	
28			about that.	
29	598	Q.	Would you normally think that the alteration of a	

Τ			document with a view to implicating a fellow member of	
2			An Garda Síochána in a disciplinary breach of	
3			discipline would be a serious matter?	
4		Α.	Absolutely. The alteration of any document would be a	
5			serious matter.	15:49
6	599	Q.	And in this matter you directed no further	
7			investigation?	
8		Α.	That's correct, yes.	
9	600	Q.	And just to put it in context so that Mr. O'Higgins	
10			understands the point I am making: I am suggesting	15:49
11			that at this time Sergeant McCabe, far from being a	
12			person to whom there was universal goodwill, was in a	
13			very, very different place within that division at the	
14			time?	
15		Α.	I won't dispute that, but I didn't put him in any	15:49
16			difficult position. I had only come into the division,	
17			a lot of these had happened before I ever came in	
18			there.	
19			MR. McDOWELL: I will leave it at that, thank you.	
20			MR. HOGAN: Chief Superintendent	15:50
21			CHAIRMAN: Just before you go there, I beg your pardon,	
22			Mr. Hogan. There is just one thing arising out of	
23			that. Let's suppose, Mr. McDowell, at the end of the	
24			day I was to draw an inference arising from the	
25			initiation of disciplinary proceedings, determination	15:50
26			of disciplinary proceedings, a finding that it was	
27			unsafe, the non-initiation of disciplinary proceedings	
28			against the other person whom I have referred to as	
29			Garda K, and I don't want to bring them into this, the	

having of the meeting in July 2014, the non-following	
up with the HSE, the non-bringing in of Superintendent	
Noel Cunningham, just suppose I was to draw an	
inference in relation to any of that or all of that	
that, that there has been discussion on, including	15:51
Ms. Leader's examination of the chief superintendent,	
if you were making a submission you'd be able to urge,	
look, the following inference arises. Now it just	
seems to me that as things are floating, and you are	
kind enough to clarify where you stood in relation to	15:51
Superintendent Noel Cunningham, if such a thing were to	
emerge it might be fairer that the witness have an	
opportunity to say, look, this was my position and the	
inference be put to him that I might take from it. I	
think you are getting my drift.	15:51
MR. McDOWELL: I appreciate that, Judge, but as the	
Tribunal will appreciate, I can't anticipate what	
account is going to be given of the meeting in July or	
where in particular information came from or the like	
until the witnesses are here. I am not an	15:52
investigator. Sergeant McCabe has no investigatory	
capacity whatsoever. So that, I fully appreciate the	
proposition that some matters tumble out at a later	
stage and may have to might require to be re-put to	
individuals concerned. But this isn't an adversarial	15:52
process, I don't have any investigatory tools at my	
disposal whatsoever. I can only cross-examine in the	
interests of my client and that is all I can do. I	
can't adduce evidence and, you know, I mean, I have a	

1			limited role here, Judge.	
2			CHAIRMAN: No, no I appreciate that, Mr. McDowell. I	
3			don't think I agree with you, and I don't think it's	
4			for you to actually put accusations as such and say	
5			'This is the following, here is the charge sheet'. But	15:52
6			I suppose I have to keep an eye on where things may be	
7			going, and that is the nature of the query I am making.	
8			MR. McDOWELL: I appreciate that, Judge. But I mean, I	
9			think it is fair to say that the Tribunal has been	
10			given a picture by a succession of Garda witnesses that	15:53
11			there was no animus whatsoever towards Sergeant McCabe,	
12			that the man was dealt with utterly as if he was any	
13			other garda, that nothing ever occurred which would	
14			suggest he was even on the defensive, and I'm trying to	
15			establish that that is not the case. Perhaps one last	15:53
16			question, could I put to the witness.	
17	601	Q.	At the meeting in July, it appears from the note that	
18			nobody ever at that meeting took into account the	
19			shocking error and accusation that had been made	
20			against Sergeant McCabe or his interests in the matter,	15:53
21			or whether you should liaise with him and say 'By the	
22			way, Sergeant McCabe, a disastrous mistake has been	
23			made in respect of you, we have tidied it all up'.	
24			Nobody seems to have even for a minute considered him	
25			as the victim in this?	15:54
26		Α.	I accept it was a disastrous error but it wasn't made	
27			by An Garda Síochána, and that is why I said	
28			earlier that	

29 602 Q. But you --

1			MR. O'HIGGINS: Sorry, I wonder could the witness be	
2			allowed answer the question that has been asked.	
3			CHAIRMAN: I don't think there is a problem, I think	
4			there is a dialogue going on and it is helpful. Please	
5			go on.	15:5
6			MR. McDOWELL: Finish, I am sorry.	
7		Α.	I accept there was a disastrous error. It wasn't	
8			caused by An Garda Síochána. And I am being accused of	
9			all sorts of things, even though I tried to get to the	
10			bottom of it in good faith. And having got to the	15:5
11			bottom of it, it's clear that the HSE made a disastrous	
12			error, in my view they should have gone to Sergeant	
13			McCabe and explained the whole situation to him.	
14	603	Q.	And why shouldn't An Garda Síochána have told him 'By	
15			the way, you have been the subject of an erroneous	15:5
16			allegation, we are trying to tidy the whole thing up	
17			and restore your good name to you'?	
18		Α.	Well, my assessment of it was that it wasn't our job to	
19			do that, that it was the HSE's job to do that. It	
20			could have legal implications for them and whatever	15:5
21			else, and I could go to Sergeant McCabe and try and	
22			answer his questions but I may not have the answer. I	
23			could answer A, B, C, he could have further questions	
24			that I would not be in a position to answer.	
25	604	Q.	You see, one of the ironies of all of this, you may or	15:5
26			may not be aware, if it wasn't for a piece of	
27			inexplicable carelessness on the part of Ms. Kay	
28			McLoughlin in late 2015, early 2016 Sergeant McCabe	
29			would have been kept completely in the dark that any of	

1			this was happening behind his back within An Garda	
2			Síochána or within the HSE or anywhere?	
3		Α.	well	
4	605	Q.	He would never have known that there was an assistant	
5			commissioner convening meetings to discuss these	15:56
6			allegations. Nobody would have told him one word about	
7			this, were it not for Kay McLoughlin's extraordinary	
8			letter of December 29th, 2015.	
9		Α.	Well, that is why I say "in my view" and people may	
10			disagree with me. But, in my view, the HSE made the	15:56
11			error, catastrophic error, and they should have	
12			rectified it and gone to Sergeant McCabe.	
13	606	Q.	well, if you had engaged with them in relation to a	
14			strategy	
15		Α.	well, I don't know what more	15:56
16	607	Q.	and found out what their intentions were, you would	
17			have found out, oh, we are covering all of this up, we	
18			are not going to say a word to Sergeant McCabe, we	
19			intend to say nothing more.	
20		Α.	Well, in my view, it would be grossly unfair to hold	15:57
21			the Garda Síochána responsible for a catastrophe that	
22			was perpetrated by the HSE.	
23	608	Q.	Well, you see, another irony is that Mr. Lowry, who was	
24			the man in charge of the area of the HSE that was	
25			responsible for this catastrophic mistake, he was	15:57
26			minuting more or less at the same time that you were	
27			being given the task of liaising with him and finding	
28			out what their strategy he was being told we need to	
29			coordinate with the Gardaí in relation to this matter,	

Т			but the two institutions never engaged in it at all.	
2		Α.	Well, that was my view. I did it did it is	
3			something that I thought about, about whether Sergeant	
4			McCabe should be informed or not. But the conclusion I	
5			came to, be it right or be it wrong, was that it was a	15:57
6			matter for the HSE, they had caused it so therefore	
7			they should address it with him.	
8	609	Q.	Well, you knew, for instance, that an accusation	
9			against Sergeant McCabe had been received in Bailieboro	
10			Garda Station, of an appalling kind?	15:58
11		Α.	Well, the thing about this is, and I am not in any way	
12			trying to diminish it, nobody made the accusation, it	
13			was an error that occurred. Nobody made the actual	
14			allegation. I know it was contained in a referral.	
15	610	Q.	Well, it was sufficient for Superintendent McGinn to	15:58
16			instantaneously recommend telephone you and,	
17			secondly, send you a letter saying that the	
18			investigation into Sergeant McCabe should be reopened	
19			in the light of that accusation?	
20		Α.	And within a number of days I had said, no, it should	15:58
21			not.	
22	611	Q.	I won't put the matter any further.	
23				
24			CHIEF SUPERINTENDENT CUNNINGHAM WAS QUESTION BY THE	
25			CHAIRMAN:	15:58
26	612	Q.	CHAIRMAN: Yes. Maybe I could try and summarise	
27			things, it might help. If I could ask you, I am not	
28			going to mention any names, if you call to mind	
29			somebody within the force whom you very much respected,	

1 your friend or a mentor in the past, and if it were the 2 case that this kind of error were made in relation to 3 that person and it came across your desk, of course you would have an obligation to see, look, is this true or 4 is it not true, etcetera, etcetera. Perhaps it might 5 6 be thought that the ordinary or normal thing to do 7 would be, when you'd cleared it up and when you'd 8 realised, look, here we go, word-processing error, so-and-so has been accused of whatever, bank fraud, who 9 10 is a member of An Garda Síochána, who was my mentor 11 when I was in the force and whom I highly respect, I am 12 going to tell that person just in case there is any implications or simply out of a matter of, I suppose, 13 14 common human communication. And what Mr. McDowell is 15 putting to you is that nobody ever said that to Sergeant McCabe in circumstances where it was clear, no 16 17 matter what is said in relation to the right attitude being taken by senior officers, that is what they have 18 19 told me, that many other people thought that, to say 20 the least, he was a painful individual to have around 21 and in the force. That is basically the allegation, 22 chief superintendent. I think you probably understand, maybe you'd like to address it? 23 Well, in relation to Sergeant McCabe, as I have already 24 Α.

15:59

15:59

16:00

16:00

16:00

explained. In relation to somebody that would be a friend or whatever, I know it's a difficult one, but, you know, there are circumstances where I wouldn't do it and probably there are circumstances where I would do it, to be truth -- to be totally honest about it.

25

- CHAIRMAN: Would this not be a case where, in the 1 613 Q. 2 context of the way people felt, where perhaps things 3 were getting a bit too heated, it would be an idea to call him in and say look, apart from anything else that 4 is going on I just want to let you know, this was made, 16:01 5 6 this allegation, it turns out it was completely false 7 but the HSE may be in contact with you in the future, 8 and just so as you know what has happened I am telling 9 you this as a colleague, we both wear the same uniform, you know, type of conversation. 10 16:01
- 11 In hindsight, possibly, yes. But it was my -- at the Α. 12 time, that it should be the HSE, being they had made the error, that they should have gone and addressed it. 13
- 14 614 Q. Yeah. No, I know I am asking questions out of turn but it just may help in relation to what comes 15 16:01 Because this is here and it is floating here. 16 Another aspect of it was, I look at the chronology, I 17 know what is happening in relation to all of this time, 18 19 it's inquiry, inquiry, inquiry. It's like as if 20 inquiry is our middle name as members of the Garda. **SO** 16:02 21 here is another inquiry potentially coming down the 22 line and is it a question of ass-covering, to put it 23 colloquially and to put it absolutely directly? 24 other words, you are doing what you are supposed to do for the purpose of making sure that you look proper in 25 16:02 the event that there is an inquiry as opposed to 26 27 looking at the human side of thing, which is making 28 sure that a colleague's well-being is looked after. 29 Well, that is not -- that wasn't my mindset when I

Α.

-1			The the the state of the second second shall the belief the	
1			thought about it. I genuinely held the belief that	
2			in my opinion, that the HSE would have managed it.	
3			That was my opinion. Other people may have different	
4			opinions on it, in relation to it. But that was my	
5			genuinely held view at the time.	16:02
6	615	Q.	CHAIRMAN: Did it ever occur to you that they might	
7			send this bizarre and upsetting letter over the new	
8			year of 2016?	
9		Α.	Absolutely not. They had looked to recall the	
10			documentation from us, and I would have expected and	16:03
11			really believed that they had dealt with the matter	
12			within their own organisation.	
13	616	Q.	CHAIRMAN: And do you think that no matter what you	
14			would have done they would have contacted him anyway,	
15			as they had this child protection responsibility? The	16:03
16			Gardaí might not have known as much about it as they	
17			were supposed to know, but was the boat already leaving	
18			the harbour where it was going to end up in	
19		Α.	Well, I didn't that part, I have to say I didn't	
20			think about. It was only purely from the error that I	16:03
21			would have expected and I thought that they would	
22			communicate with him in relation to it.	
23	617	Q.	CHAIRMAN: Yes. Well then, I have a last question,	
24			which is this: Given that they were going to	
25			communicate with him, no matter what, I mean, again on	16:04
26			the basis that we are all wearing the same uniform type	
27			attitude, you might lessen the shock by having a quiet	
28			word beforehand with him, again as a colleague to say,	
29			look, these people are now coming to us so they are	

Τ			probably going to knock on your door at some stage just	
2			so you would be prepared, not in any bad way but on a	
3			human level?	
4		Α.	Well, perhaps we should, Judge, but, you know, I took	
5			the view I took of it, whether I was right or wrong	16:04
6			that is the view I took. And, you know, perhaps I	
7			should have gone and spoke to him but there wasn't any	
8			malice in anything that I did in relation to it.	
9			CHAIRMAN: Unless you wanted to ask any other question,	
10			Mr. McDowell, I just thought it right to put that.	16:04
11			Mr. Hogan, you had a question?	
12				
13			CHIEF SUPERINTENDENT SHERIDAN WAS CROSS-EXAMINED BY MR.	=
14			<u>HOGAN</u> :	
15	618	Q.	MR. HOGAN: Chief superintendant, I just want to	16:04
16			clarify one matter with you. You reviewed the	
17			investigation file when you disclosed it to Mr. Guerin	
18			in March of 2014.	
19		Α.	Sorry, I can't hear	
20	619	Q.	Sorry. I just want you to confirm, you reviewed the	16:05
21			investigation file into Ms. D's complaint	
22		Α.	That's correct, yes.	
23	620	Q.	when you were disclosing it to the Guerin Inquiry in	
24			March of 2014?	
25		Α.	That's correct, yes.	16:05
26	621	Q.	And when Mr. D was giving evidence he was asked by	
27			Mr. O'Higgins whether he had ever had any discussion in	
28			relation to the complaint with you and Mr. D's evidence	
29			was that he didn't have any discussion with you. Could	

			you contrin that that is your recorrection:	
2		Α.	Absolutely. I never had a conversation with Mr. D	
3			about these matters.	
4	622	Q.	And when you were referring the file to the Guerin	
5			Inquiry did you give Ms. D any notice that you were	16:05
6			doing that, that you were transferring the file?	
7		Α.	No.	
8	623	Q.	And certainly my instructions are that Ms. D wasn't	
9			aware that the file into the investigation of her	
10			complaint had been given to the Guerin Inquiry when she	16:06
11			requested Mr. Guerin to investigate the file in April	
12			of 2014.	
13		Α.	That would be correct. I certainly never informed her	
14			anyway.	
15	624	Q.	Yes. Thank you very much.	16:06
16				
17			CHIEF SUPERINTENDENT SHERIDAN WAS EXAMINED BY	
18			MR. O'HIGGINS	
19	625	Q.	MR. O'HIGGINS: Chief Superintendent, can I start by	
20			asking you to look at a document that has already been	16:06
21			looked at in part, page 1805, which is your summarising	
22			report to Assistant Commissioner Kenny dated 3rd of	
23			July 2014. Do you have that there in front of you?	
24		Α.	Yes, I do, yeah.	
25	626	Q.	And am I correct in my understanding that in this	16:06
26			report you are endeavouring to provide your line	
27			manager with to basically track the efforts that you	
28			have made and An Garda Síochána have made to get to the	
29			bottom of the error that appears to have occurred, is	

1			that so?	
2		Α.	That is correct, Judge, yes.	
3	627	Q.	And looking at the report, if perhaps you might go to	
4			bottom of the second page of it, so page 1806, you say	
5			in the last paragraph of page to Assistant	16:07
6			Commissioner:	
7				
8			"On 2nd of May '14 Tusla, using standard notification	
9			form for use by Child and Family Agency in notifying	
10			cases to An Garda Síochána, notified superintendent	16:07
11			Bailieboro of a case of suspected child abuse."	
12				
13			So you are setting out, sort of, the most recent origin	
14			of the error, isn't that right?	
15		Α.	That's correct.	16:07
16	628	Q.	And you say:	
17				
18			"The child's name of retrospective adult disclosure was	
19			Ms. D", and you give the date of birth and the address.	
20				16:08
21			And on the next page, page 1807, you continue in	
22			outlining that:	
23				
24			"The disclosure was made by Ms. D to Laura Brophy. The	
25			referral made by Tusla relating to the disclosures made	16:08
26			by Ms. D to the superintendent Bailieboro contained	
27			allegations which were not consistent with the	
28			allegations investigated by An Garda Síochána in	
29			2006/7."	

That's correct. 1 Α. 2 629 Q. And then you recount: 3 "On 16th of May '14 Laura Brophy had written to 4 superintendent Bailieboro." 5 16:08 Isn't that so? 6 7 That's correct. Α. 8 And you set out the text of that --630 0. 9 That's correct. Α. -- in which the official from the HSE had set out that 10 631 Q. 16:08 11 an administrative error, as it was put, had occurred? 12 That's correct, yes. Α. So was it your intention there to effectively summarise 13 632 0. 14 and -- to summarise the efforts you have made to get to 15 the bottom of the problem and also outlining the 16:08 communications that have been received from the HSE? 16 17 That is correct, Chairman, yes. Α. And then you indicate: 18 633 Q. 19 20 "The referral received from Tusla on 16th of May 2014 16:09 21 contains the allegation which was investigated by the 22 Gardaí in 2006/7." 23 24 So I think you are indicating there that the later referral from Tusla reflected the allegation that was 25 16:09 26 the subject of the concluded investigation from 2006/7, isn't that so? 27 28 That is correct, yes. Α. 29 634 And you continue: Q.

T				
2			"The report contains the following information which	
3			was provided by Ms. D."	
4				
5			And we needn't read that out. You have outlined the	16:09
6			context. And then you outline what you had ascertained	
7			from Fiona Ward on foot of the efforts you had made to	
8			get to the bottom of matters with the HSE, isn't that	
9			so?	
10		Α.	That's correct.	16:09
11	635	Q.	And you summarise that: On 22nd of May 2014, Fiona	
12			Ward, Director of Counselling, wrote to you "confirming	
13			that the administrative error had occurred and	
14			confirming that a corrected report had issued."	
15			And you provide that, isn't that so?	16:09
16		Α.	That's correct.	
17	636	Q.	And then you say:	
18				
19			"To remove any ambiguity in regard to these matters, on	
20			19 June '14 I wrote to Ms. Fiona Ward seeking	16:10
21			clarification on how the administrative error occurred	
22			which led to the issuing of the referral dated 2nd	
23			May."	
24		Α.	That's correct, Chairman.	
25	637	Q.	"In correspondence dated 18 June '14 and 1 July '14	16:10
26			Ms. Ward outlines" and I think you included in	
27			Appendix F what Ms. Ward had said at that point?	
28		Α.	That's correct.	
29	638	Q.	And you outlined what she said:	

T				
2			"The information which was reported in error on the	
3			first report you received relates to a different client	
4			and a different alleged perpetrator."	
5		Α.	That's correct.	16:10
6	639	Q.	And that was the information you were anxious that the	
7			assistant commissioner would have?	
8		Α.	That's correct.	
9	640	Q.	And I think in the next portion of it, you effectively	
10			give your conclusions, would that be fair?	16:10
11		Α.	That would be fair, yes.	
12	641	Q.	And you indicate that:	
13				
14			"From verbal communication with them, the error	
15			occurred using cut and paste method on the computer and	16:10
16			obviously a failure to fully check the correspondence	
17			prior to issue."	
18				
19			Then you say:	
20				16:10
21			"Arising from written and verbal communication with	
22			Ms. Ward and Tusla, it is clear that the referral of	
23			the 16th of May '14 refers to the allegations of Ms. D	
24			investigated by the Gardaí in 2006/2007. The referral	
25			does not contain any new allegations."	16:11
26		Α.	That's correct.	
27	642	Q.	Chief Superintendent, what was your what was your	
28			purpose in making that clear in this report?	
29		Α.	Well, that these matters had been the matters the	

1			original complaint had been fully investigated, nothing	
2			new arose arising from what we had got from the HSE.	
3	643	Q.	So effectively from a Garda point of view there was	
4			nothing to see here?	
5		Α.	That's absolutely.	16:11
6	644	Q.	And do you see in the bottom line of the same page,	
7			your report states:	
8				
9			"The referral of the 2nd of May '14 was issued in error	
10			and is not relevant to allegations"	16:11
11		Α.	That's correct, yes.	
12	645	Q.	"of Ms. D." And you say in the concluding page:	
13				
14			"I understand Ms. D had a meeting" and there is a	
15			reference that has already been read out "with	16:12
16			Micheál Martin."	
17				
18			And then on the last two lines of this report, and you	
19			might assist the Tribunal with this, you say the	
20			following:	16:12
21				
22			"Ms. D has not requested An Garda Síochána to	
23			reinvestigate her complaint or to review it."	
24				
25			What was your intention and purpose in indicating that	16:12
26			at the bottom of your report?	
27		Α.	Well, that she had not asked us to conduct any review	
28			of it or to reinvestigate it.	
29	646	Q.	So was it your desire and position that it wasn't	

- 1 necessary to reinvestigate or to review matters?
- 2 A. Absolutely, that was my view from the very beginning.
- 3 647 Q. And you conclude by saying:

4

- Tusla have requested the return of the referral which 16:12 contained the incorrect information."
- 7 A. That's right.
- 8 648 Q. Again, can I ask you, what was your purpose on finishing off on that note?
- 10 A. Well, they had obviously sought it earlier in 16:13

 11 communication with them, and so, again, I was highlighting that, and obviously it was certainly my view that they were managing that matter within their own organisation.

- 15 649 Q. Can I ask you, at this point in time, as far as you

 16 were concerned at any rate, was there any -- did you

 17 see any particular necessity to have a meeting?
- 18 A. I have to say I didn't.
- 19 650 Q. But in fairness to the assistant commissioner, I
 20 suppose he had only been receiving the reports and there hadn't been a meeting around a table where people could bash out issues around a table?
- A. That is correct. He had never had a discussion with me in relation to it, these matters.
- 25 651 Q. Now, am I right in my understanding that the meeting, 16:13
 26 in fact, was originally scheduled for June, a date in
 27 June?
- 28 A. That's correct, yes.
- 29 652 Q. But due to, was it people being unavailable that it --

- 1 A. It took place in July.
- 2 653 Q. It took place in July. Now, insofar as, Chief
- 3 Superintendent, people and persons are judged by their
- 4 actions and decisions, can I ask you, when you learned
- 5 that this incorrect notification or this referral, or

16:14

16:15

- 6 whatever word one uses, had come into Bailieboro Garda
- 7 Station, did you take a decision to organise to publish
- 8 far and wide that notification to the outer world?
- 9 A. Absolutely not. On the contrary, I tried to keep it
- confined to as few people as I possibly could.
- 11 654 Q. Why?
- 12 A. Because I didn't want it getting out there into any
- wider groups of people.
- 14 655 Q. Whose interests and rights were you seeking to uphold
- in making that decision?
- 16 A. Sergeant McCabe.
- 17 656 Q. Did you make any decision to reopen the criminal
- investigation from 2007?
- 19 A. Absolutely not.
- 20 657 Q. Did you make a decision to initiate a new investigation 16:15
- on foot of the 2014 referral?
- 22 A. Absolutely not.
- 23 658 Q. Did you make a decision to carry out a review of the
- 24 existing file?
- 25 A. No. I did not.
- 26 659 Q. Did you make a decision to organise that the new matter
- 27 should be put up on PULSE?
- 28 **CHAIRMAN:** Well, he did, in fact, conduct a review of
- the existing file, but, I mean, it's to his credit that

1 he did. You read the file and you asked yourself the 2 question, was this a proper investigation. 3 Absolutely, and I was very happy with what I read Α. and --4 MR. O'HIGGINS: I am obliged, Chairman. 5 16:15 6 CHAIRMAN: But it was a personal as opposed to a formal review? 7 8 Yes. Α. MR. O'HIGGINS: And thank you for the distinction. 9 Chief Superintendent, did you make a decision to 10 660 Q. 16:16 11 organise that there would be a cold case review, for 12 instance, of the 2006/2007 investigation? 13 No, absolutely not. It was not necessary, in my view, Α. 14 and that was my view then and remains my view. What was your intention in writing the word "withdrawn" 16:16 15 661 Q. across the incorrect notification? 16 17 That in the event that anybody would find the document, Α. they would know it was withdrawn, that it wasn't an 18 19 allegation. 20 And do you know when -- was it the 16th of May that it 662 Q. 21 was done, or are you in a position to say? 22 well, it followed from the letter with the referral of 23 the 16th of May, so it may -- it was after that date. would you mind just looking at the document at page 24 663 Q. Perhaps it could be scrolled down a little bit. 25 16:16 26 Do you see the handwritten date just before the -- do 27 you see under the date-stamp there appears to be the word "withdrawn", and above "withdrawn", if one looks 28 29 at it sideways, there is an actual date written in?

- 1 A. It says "see referral of 16/5/14".
- 2 664 Q. I see. Now, could I ask you in relation to -- just
- 3 stepping back for a moment from anything pertaining to
- 4 Sergeant McCabe. Have you ever in your career
- 5 investigated criminal conspiracies, for instance, IRA

16:18

16:18

16:18

- 6 matters or gangland conspiracies?
- 7 A. I have, yes. I have been involved in investigations in
- 8 relation to subversives over many, many years.
- 9 665 Q. Have you ever, in your experience, come across
- situations where criminal conspirators have compiled
- minutes of a meeting and left them in the conspiracy
- 12 room?
- 13 CHAIRMAN: Sorry, Mr. O'Higgins. I presume the answer
- 14 is no.
- MR. O'HIGGINS: Well, it's for the witness to give the
- answers, Judge.
- 17 666 Q. MR. O'HIGGINS: Have you ever come across that, Chief
- 18 Superintendent?
- 19 A. Well, off the top of my head, I can't remember such an
- 20 event, Chairman.
- 21 667 Q. Have you ever come across a situation where criminal
- 22 conspirators have chronicled their decisions and
- 23 activities in correspondence?
- 24 A. No. I haven't.
- 25 668 Q. Could I ask you then to --
- 26 **CHAIRMAN:** Well, in America, Mr. O'Higgins, where they
- 27 have wire taps much more frequently than they do here,
- you get that all the time. Usually people are using
- euphemisms, however, referring to the goods and things

1 like that. I am sure you have done American 2 extradition cases. 3 MR. O'HIGGINS: And of course, Chairman, you will be familiar with the fact that the -- what might be termed 4 the warts-and-all minutes from the July meeting --5 16:19 6 well, it will be a matter for the Tribunal to assess 7 whether that is consistent with an overarching 8 allegation that there was a conspiracy afoot or more likely is consistent with what the Chief Superintendent 9 has indicated as being the complete absence of any 10 16:19 11 malice towards Sergeant McCabe in relation to matters. 12 CHAIRMAN: Well, it is appropriate to make the point 13 certainly, Mr. O'Higgins, yes. 14 669 Q. MR. O'HIGGINS: In your directions to Inspector Pat 15 O'Connell, was it your desire that the HSE would 16:19 expunge from their records the incorrect notification? 16 17 Absolutely, yes. Α. Would you mind turning then -- or having a look at the 18 670 Q. 19 document at page 1724. And this now is the letter that 20 contains the typographical error concerning 30th August 16:20 21 2013. We just note that for the moment. But this is 22 the communication sent I think on your behalf, isn't that so? 23 24 That is so, yes. Α. Do you see the way it says "Sent on behalf of Chief 25 671 Q. 16:20 Superintendent James Sheridan"? 26 27 That's correct, yes. Α. 28 And this is a communication to whom? 672 Q.

To the assistant commissioner Sligo and the

29

Α.

1			superintendent in Bailieboro.	
2	673	Q.	And in the body of this document, you are saying you	
3			give the date of the report, which transpires is	
4			incorrect, and it says:	
5				16:20
6			"If you would confirm that all copies of same have been	
7			retracted and destroyed. If an original copy is on	
8			hand, please forward same to this office so that it can	
9			be returned to the HSE."	
10		Α.	That's correct, yes.	16:20
11	674	Q.	Was that your intention, that that is what should	
12			happen?	
13		Α.	That was my view, yes.	
14	675	Q.	And you were communicating this to Superintendent	
15			McGinn and also the assistant commissioner in Sligo?	16:21
16		Α.	That's correct, Chairman, yes.	
17	676	Q.	Would you mind looking at the documents, please, at	
18			page 748 and 752, which I think are articles. And	
19			first of all, the document at page 748	
20			CHAIRMAN: Archbold, did you say?	16:21
21			MR. O'HIGGINS: Articles.	
22			CHAIRMAN: Oh, sorry, it's the newspaper, yes.	
23			MR. O'HIGGINS: Yes. Page 748, then, this is the an	
24			article by Paul Williams, it seems, dated 12th April	
25			2014. And do you see there in the final few lines of	16:21
26			that page it says and it appears to have been, and	
27			anybody who had read this would have read the	
28			following:	
29				

1			"The allegations were reported to the Gardaí in the	
2			same divisional area where the alleged assailant and	
3			the girl's father worked." Do you see that?	
4		Α.	Yes.	
5	677	Q.	And that is being said in an article in April of 2014.	16:22
6			And do you see over the page then, on page 749, the	
7			second paragraph down, it says:	
8				
9			"The alleged victim has claimed in an interview with	
10			the Irish Independent that the man was not formally	16:22
11			arrested and that the complaint was not recorded on the	
12			PULSE system."	
13				
14			Do you see that?	
15		Α.	I see that, yes.	16:22
16	678	Q.	Do you see if you wouldn't mind turning to the	
17			document at 752, which is another article written	
18			about this time, a few days later, on page 752. And	
19			this is, again, a Paul Williams article dated 15th of	
20			April. And do you see the second-last paragraph on	16:22
21			this page, it says:	
22				
23			"She claims a previous investigation into her complaint	
24			was flawed because it was conducted by a senior officer	
25			who worked with both her alleged attacker and her	16:23
26			father, who is also a serving garda."	
27			Do you see that?	
28		Α.	I see it, yes.	
29	679	Q.	Is it possible that when you and your two colleagues	

1			came to meet later on and there is reference made to					
2		those possible deficiencies or those potential						
3		complaints, that that is perhaps how that came to be						
4			known, as arising from, if you like, the media supply?					
5		Α.	It's possible, but I wasn't aware of it, I have to say. 16:2:	!3				
6	680	Q.	Yes. Can I ask you, Chief Superintendent, finally, can					
7			I ask you then, in relation to					
8			CHAIRMAN: It was very, very shortly after that, in any					
9			event, it was 29th of April 2014 that Ms. D made a					
10			complaint to GSOC. Now, I don't know how quickly they 16:20	!4				
11			would send it to the division but I would imagine it					
12			would be pretty swift. And those articles, the last of					
13			those were May, weren't they?					
14			MR. O'HIGGINS: Yes, there was					
15			CHAIRMAN: There was two more after that. 16:2	!4				
16			MR. O'HIGGINS: two more Mr. McDowell had. I am not					
17			sure what dates they were, but I think they may have					
18			been May.					
19			MR. McDOWELL: The 3rd of May.					
20			CHAIRMAN: Yes. So it's virtually at the same time. 16:20	!4				
21			It's certainly before the meeting in, what you have					
22			described as the conspiracy room, Mr. O'Higgins.					
23			MR. O'HIGGINS: Yes, Chairman. Just to give you the					
24			page reference. The one of the later articles					
25			certainly is page 3212. That is in April, actually, 16:2	!4				
26			April 16th.					
27			CHAIRMAN: Well, it's well before the meaning.					
28			MR. O'HIGGINS: On page 3214 there is an article from					
29			May.					

CHAIRMAN: Well, it's well before the meeting of 16th 1 2 July 2014. 3 MR. O'HIGGINS: Yes. Could I ask you then, Chief Superintendent, to look, 4 681 Q. and I am nearly finished you will be glad to hear, at 5 16:25 6 page 1723. within the body of this -- this was your 7 earlier report to the Chief Superintendent, isn't that 8 right -- to the assistant commissioner? Excuse me. I haven't got that page, I don't think, at the minute. 9 Α. 10 682 Page 1723. Q. 16:25 11 Is that there? No? It's Volume 7, if you CHAIRMAN: 12 want to get it out. 13 It's there now, yes. Α. 14 683 Q. MR. O'HIGGINS: In the body of this document, which I 15 think is a letter from yourself -- or a report from 16:26 16 yourself to the assistant commissioner, Northern 17 Region, that is again to Assistant Commissioner Kenny, isn't that so? 18 19 That's correct. Α. 20 Now, this is your earlier report to him as the 684 Q. 16:26 21 information was being gathered and the liaison with the 22 Do you see where it says, halfway down: 23 24 "The attached referral does not disclose any new information/evidence in regard to these matters and 25 16:26 26 therefore at this time it does not require any further 27 action by An Garda Síochána." 28 Yes, I see that. Α.

Does that represent your desired outcome at that stage

29

685

Q.

Т			of the matter, there was nothing for the guards to do?	
2		Α.	Absolutely.	
3	686	Q.	And that remained your position, did it, as you went	
4			into the meeting in July in Mullingar?	
5		Α.	Absolutely, yes.	16:26
6	687	Q.	When you come out of the meeting in July in Mullingar,	
7			were you of any other disposition or frame of mind?	
8		Α.	No.	
9	688	Q.	Were any of your colleagues, as far as you were	
10			concerned?	16:27
11		Α.	As far as I was concerned, certainly not.	
12	689	Q.	Lastly, then, Chief Superintendent, and locating again	
13			your evidence in the context of the overall allegation	
14			this Tribunal is concerned with, can you assist the	
15			Tribunal, did current Commissioner Nóirín O'Sullivan	16:27
16			direct the steps you took in relation to the HSE	
17			incorrect referral?	
18		Α.	Absolutely not.	
19	690	Q.	Did former Commissioner Callinan?	
20		Α.	Definitely not.	16:27
21	691	Q.	Did Superintendent David Taylor?	
22		Α.	Definitely not.	
23			CHAIRMAN: Well, sorry, Mr. O'Higgins, I am just a wee	
24			bit confused. You are saying the Gardaí did what was	
25			right, so, I mean, if you are right about that and it's	16:27
26			Commissioner Nóirín O'Sullivan directed it, which	
27			presumably she would be entitled to assume her officers	
28			were competent, it would be to her credit, wouldn't it?	
29			T am not actually sure what the point is. T am not	

1			trying to make fun, I am just I just don't know.	
2			What's the point you are making? I am missing it.	
3			MR. O'HIGGINS: I take your it's clumsy phraseology	
4			on my part, Chairman. I might just rephrase the	
5			question.	16:28
6	692	Q.	Chief Superintendent, could I ask you to deal with	
7			this. Did Superintendent David Taylor play any role in	
8			the manner in which you dealt with the HSE incorrect	
9			referral?	
10		Α.	No, Chairman, definitely not.	16:28
11	693	Q.	Were you party to any conspiracy to sully or besmirch	
12			the reputation of Sergeant McCabe?	
13		Α.	Absolutely not, Chairman.	
14	694	Q.	Was any as far as you are aware, was anybody in	
15			senior management in An Garda Síochána party to any	16:28
16			conspiracy with a view to sullying and besmirching the	
17			reputation of Sergeant Maurice McCabe?	
18		Α.	Not to my knowledge, Chairman.	
19			MR. O'HIGGINS: Thank you.	
20				16:29
21			CHIEF SUPERINTENDENT SHERIDAN WAS RE-EXAMINED BY	
22			MS. LEADER:	
23				
24			MS. LEADER: Chairman, there is one thing that I have	
25			been asked to clarify. There may be an error in the	16:29
26			transcript or it may have been put by me wrongly.	
27	695	Q.	In relation to the disclosure to the Guerin Inquiry,	
28			can you comment as to whether the letter from Keara	
29			McGlone of the 15/8/2013 was included with that	

Т			discovery, Detective Superintendent?	
2		Α.	To my knowledge, it wasn't.	
3	696	Q.	Okay. And when you first saw that letter when?	
4		Α.	Today was the first time I have seen it or in	
5			disclosures, one or the other. It's been in the last	16:29
6			couple of weeks.	
7			MS. LEADER: I think there may have been an error on	
8			the transcript.	
9			CHAIRMAN: It seems to be, yes, it seems to be that,	
10			because I think it was only discovered in either late	16:29
11			February or early March of this year, isn't that right,	
12			following on inquiries by email from Garda	
13			Headquarters, so I don't think you could have seen it	
14			because they say it was locked in a safe.	
15		Α.	I definitely didn't see it.	16:30
16			CHAIRMAN: Or perhaps even not physically opened at	
17			that stage no, it was open, but it was left aside to	
18			be dealt with later. Thank you.	
19				
20			THE WITNESS THEN WITHDREW	16:30
21			CHAIRMAN: So what do you want to do now?	
22			MR. McGUINNESS: Chairman, I think that is probably as	
23			far as we can take it today. The next witness has made	
24			a number of statements originally on 8th of May,	
25			another one on 3rd of July and he has helpfully	16:30
26			provided a third statement on 13th of July. And we	
27			have, I think we have reached a stage, Chairman, at	
28			which you said you would sit until today.	
29			CHAIRMAN: All right. Okay. So maybe you just	

1	wouldn't mind telling me, Mr. McGuinness, who are the
2	next witnesses, and I have to say, unfortunately I am
3	going to have some difficulties in a couple of
4	mornings, at least, next week, so we will try and make
5	as much progress as we can.
6	MR. McGUINNESS: The next witness was intended to be
7	Inspector O'Connell and then former Assistant
8	Commissioner Kieran Kenny.
9	CHAIRMAN: Well, if I sat at 10:00 then on Monday and
10	tried to get on to this time on Monday, we might get 16:3
11	through more. And that is not to criticise anybody, I
12	think we are making great progress and thank you very
13	much for that.
14	MR. McGUINNESS: Mr. Marrinan thinks that they might go
15	into Tuesday.
16	CHAIRMAN: Yes. Let's see what we can do.
17	
18	THE HEARING WAS THEN ADJOURNED TO MONDAY, 24TH JULY
19	2017 AT 10 AM.
